

New Provider Enrollment System for Adult Long-Term Care: Live Training Schedule

This is a list of live training sessions for providers of adult long-term care (LTC) waiver services based on your program and the services you provide. These sessions will help you understand the process of enrolling with Wisconsin Medicaid through the ForwardHealth Portal. Each group will have multiple sessions available that will cover the same content.

This schedule will be updated with more training dates and times as information becomes available. All trainings are in Central Standard Time (CST). Additional sessions may be offered based on provider need.

The [E-mail Subscription Sign-up](#) page of the Portal has an email subscription list called Adult LTC Waiver Provider. The Wisconsin Department of Health Services encourages you to sign up for this list to get an email each time a new [Adult Long-Term Care Update](#) has been published, as well as receive notifications to register for upcoming provider enrollment trainings.

A training session will be recorded and retained on the [Trainings](#) page of the ForwardHealth Portal. However, attending a live session is strongly recommended because you will be able to ask questions in real time.
