STATE OF WISCONSIN DEPARTMENT OF HEALTH SERVICES DIVISION OF ACCESS & ACCOUNTABILITY MEDICAID and BADGERCARE PLUS FEE-FOR-SERVICE HOSPITAL INPATIENT (IP) BASE RATES for State Fiscal Year (SFY) 2013. i.e., for DATES OF DISCHARGE STARTING 7/1/12

Last portal inpatient rate list update = 10/17/2013

Notes:

(1) Wis. Medicaid hospital inpatient rates for the 7-month period July 1, 2012 to Jan. 31, 2013 generally continue unchanged from the prior State Fiscal Year 2012, with the exception of IP access payments newly effective July 1, 2012 (and elapsing June 30, 2013). New hospital IP access payments effective July 1, 2012 are shown in the table below.
(2) For SFY13, hospitals in the Withhold pay-for-performance (P4P) program will have 1.5% of their payment for fee-for-service claims withheld. The withhold applies to both IP and OP services at in-state hospitals classified as acute care, critical access, children's or behavioral health. Rehabilitation and long term care hospitals are exempt for SFY13. This 1.5% will be re-distributed back to hospital via the SFY13 P4P withhold program, per the Medicaid Hospital State Plan. The SFY13 rates below are BEFORE application of the 1.5%. For additional information, please see the P4P Guide at https://www.forwardhealth.wi.gov/WIPortal/Tab/42/icscontent/Provider/medicaid/hospital/resources_01.htm.spage (3) These inpatient rates are effective for members enrolled in fee-for-service (FFS). Please contact the appropriate HMO regarding hospital rates unique to a specific HMO. (4) Please consult the end of this list for per diem rates (i.e., not DRGs) for psychiatric and rehabilitation hospitals.

HOSPITAL INPATIENT FEE-FOR-SERVICE BASE DRG RATES, in hospital alphabetical order
