Wisconsin Medicaid DRGs

As of July 1, 2003, Wisconsin Medicaid DRG weights for mental diseases are separated into only two groups of hospitals (1) Milwaukee County Mental Health Center and (2) all other IMD and general/surgical hospitals.

Wisconsin Medicaid also splits each Medicare DRG into two age groups, patients 17 and younger and patients 18 and older.

**Milwaukee County Mental Health Center (MCMH)**

Medicare (T18) DRG Number	Description	Medicaid Age Group	Wisconsin Medicaid DRG Number
424	All OR Procedures	17 & younger	701
424	All OR Procedures	18 & older	702
425	Adjust. Reaction or Dysf	17 & younger	703
425	Adjust. Reaction or Dysf	18 & older	704
