

Wisconsin Department of Health Services
Division of Healthcare Access and Accountability
Medicaid and Badgercare Plus Fee-For-Service

Last portal outpatient rate list update = 9/4/2015

Outpatient Enhanced Ambulatory Patient Grouping (EAPG) Rates for Services ≥ Jan. 1, 2015 & Access Payments ≥ July 1, 2015

(1) The Medicaid OP EAPG rates listed below are effective for hospital services received on or after Jan. 1, 2015. However, access payment amounts in the second-half of calendar year 2015 became effective July 1, 2015 and continue through June 30, 2016, i.e., they are calculated on a Wis. State Fiscal Year cycle. Out-of-state hospitals and psychiatric hospitals do not incur tax assessments and are thus not eligible to receive access payments.

(2) These rates are only effective for members enrolled in fee-for-service. Please contact the appropriate HMO for rates unique to a specific HMO.

(3) Some hospitals receive a "standard" EAPG OP Base Rate, e.g., out-of-state hospitals and hospitals with a low # of Medicaid OP claims.

(4) Hospitals in the pay-for-performance (P4P) withhold program have 1.5% of their net Medicaid payment for fee-for-service claims withheld. The 1.5% withhold applies to both IP and OP services for acute care, critical access, children's and psychiatric hospitals. P4P does not apply to long-term care, rehabilitation and out-of-state hospitals. The 1.5% withhold is re-distributed back to hospitals per §6620 of the Medicaid Hospital IP State Plan and §4300 of the Hospital OP State Plan.

Rates listed below are BEFORE the 1.5% withhold deduction & subsequent re-distribution. For more P4P information, please see:
