

Wisconsin Medicaid, BadgerCare Plus Standard, and SeniorCare Preferred Drug List- Quick Reference

(Effective 08/01/2011)

KEY:

All lowercase letters = generic product
Leading capital letter = brand name product
P = Preferred product
NP = Non-preferred product (requires PA)

DR = Diagnosis Restriction
DAPO = Prior Auth processed through
Drug Authorization and Policy Override center

SCN = Wisconsin SeniorCare does not cover over-the-counter drugs. For Levels 2b and 3, SeniorCare does not cover drugs that do not have a signed SeniorCare Rebate Agreement between the manufacturer and the Department of Health and Family Services. Refer to the SeniorCare Drug Search Tool on the SeniorCare Web site at dhfs.wisconsin.gov/seniorcare/index.htm for a list of covered drugs for SeniorCare members.

Providers may refer to the Data Tables page of the Pharmacy section of the Medicaid Web site at <https://www.forwardhealth.wi.gov/WIPortal/Content/provider/medicaid/pharmacy/resources.htm> for a list of diagnosis-restricted drugs and a list of drugs where quantity limits apply.

The PDL policies do not apply to BadgerCare Plus Benchmark Plan members. Not all covered drugs are listed on the PDL.
