

Three-Month Supply Drugs

The table below is a complete list of drugs that are either **allowed** to be dispensed in a three-month supply or are **required** to be dispensed in a three-month supply. When drugs on this table are dispensed in less than a three-month supply, pharmacies will be notified on the claim response.

For drugs that are **allowed** to be dispensed in a three-month supply, pharmacies will receive the message "Three Month Supply Opportunity."

For drugs that are **required** to be dispensed in a three-month supply, pharmacies will receive the message "Three Month Supply Opportunity. A policy override must be granted by the Drug Authorization and Policy Override (DAPO) Center to dispense less than a three-month supply."

Effective Date: 12/1/2022
