\* Cost of fluoxetine 20mg x 2 is less expensive than dispensing fluoxetine 40 mg.

\*\* DHCAA designated this product as an innovator, but the Brand Medically Necessary (BMN) Prior Authorization policy is not being enforced. Providers may get paid for the brand if the prescriber writes "Brand Medically Necessary" in the prescriber's own handwriting and the pharmacy submits the claim with a DAW 1

\*\*\* ForwardHealth does not cover the brand name (i.e. innovator) anti-obesity drug if a Food and Drug Administration (FDA)-approved generic equivalent is available. See Update 2009-53.
