SCN = Wisconsin SeniorCare does not cover over-the-counter drugs. For Levels 2b and 3, SeniorCare does not cover drugs that do not have a signed SeniorCare Rebate Agreement between the manufacturer and the Department of Health and Family Services. Refer to the SeniorCare Drug Search Tool on the SeniorCare Web site at dhfs.wisconsin.gov/seniorcare/index.htm or the ePocrates Web site, www.epocrates.com, for a list of covered drugs for SeniorCare members. Providers may access the BadgerCare Plus, Wisconsin Medicaid, and SeniorCare Preferred Drug List (PDL) using personal digital assistants (PDAs) on the ePocrates Web site.

Providers may refer to the Data Tables page of the Pharmacy section of the Medicaid Web site at <https://www.forwardhealth.wi.gov/WIPortal/Content/provider/medicaid/pharmacy/resources.htm.spage> for a list of diagnosis-restricted drugs and a list of drugs where quantity limits apply.

The PDL policies do not apply to BadgerCare Plus Benchmark Plan members. Not all covered drugs are listed on the PDL.
