

SSI Dane County Managed Care Advisory Committee Mission Statement

Mission Statement: Ensure consumer and provider input into policy development regarding the interface between the existing systems of health care for the Dane Co. SSI population and a new managed care funding structure.

Tasks/Products:

- 1. Discuss implementation timeline and details.**
- 2. Define who will be served, scope of services, capitation issues.**
- 3. Develop quality assurance/improvement plan.**
- 4. Incorporate recovery and respect principles in all aspects of the program.**
- 5. Coordinate the Dane Co. SSI managed care initiative with the AODA/behavioral health redesign initiative.**
- 6. Develop performance measures and evaluation plan in conjunction with quality assurance.**
- 7. Coordinate rate setting decisions with policy development.**
- 8. Outline contractual requirements and any certification issues.**
- 9. Coordinate Mental Health Systems Transformation Grant with program development.**
