- ¹ Coverage of over-the-counter (OTC) cough preparations are limited to coverage of cough liquids that treat only coughs. Covered products include those containing a single component, a single cough suppressant, or a combination of an expectorant and cough suppressant.
- ² Insulin is the only covered OTC product for SeniorCare members.
- ³ Products are not included in the nursing home daily rate and are separately reimbursable. All other OTCs on this list are covered in the nursing home daily rate and are not separately reimbursable.
