

Quantity Limit Drugs and Diabetic Supplies

In response to COVID-19, ForwardHealth is implementing the following temporary measure.

Beginning March 20, 2020, ForwardHealth will remove quantity limits for drugs and diabetic supplies, with the exception of Schedule II drugs. Schedule II drugs will continue to be subject to quantity limits. If medically appropriate for members enrolled in BadgerCare Plus, Wisconsin Medicaid, and SeniorCare, providers may request a policy override from the DAPO Center.
