

Contract Amendment for BadgerCare Plus Services

The agreement entered into for the period of September 1, 2010 through December 31, 2013 between the State of Wisconsin acting by or through the Department of Health Services, herein after referred to as the “Department” and _____, an insurer with a certificate of authority to do business in Wisconsin for the BadgerCare Plus Managed Care Program is hereby amended for the period of September 1, 2010 through December 31, 2013 as follows:

1. Article I – Definitions

Amend the last sentence of “Assessment” to read:

For the purposes of an assessment, qualified health care professionals may include non-physician providers such as a psychologist for a member with an identified mental health care need, or advanced practice nurse, physician assistant, registered nurse or social worker, or other staff as approved in certification application or upon request, where physician intervention is not required.

2. Article III, C, 3 – Attestation

Amend the last two paragraphs to read:

The HMO must use the Department’s attestation form in Addendum IV, G. The attestation form must be submitted quarterly to the HMO’s Managed Care Analyst in the Bureau of Benefits Management (Article VII, K).

3. Article III, D, 9 – Hospitalization at the Time of Enrollment or Disenrollment

Amend the last sentence to read:

The Department is responsible for paying on a FFS basis all BadgerCare Plus and/or Medicaid SSI covered services for such hospitalized members during hospitalization.

4. Article III, I, 7 – Member Handbook, Education and Outreach for Newly Enrolled Members

Amend the first sentence of g. to read:

Standard language on several subjects, including HealthCheck, family planning, grievance and appeal rights, and emergency and urgent care, must appear in all handbooks.

5. Article VI, A – Capitation Rates

Add as a new last paragraph:

Upon implementation of the non-emergency transportation (NEMT) broker services, the Department will stop payment to HMOs for NEMT services.

6. Article VI, H, 3 – Documentation Requirements

Amend the first sentence to read:

To qualify members for reimbursement, the HMO must submit documentation that is required for each policy at the same time as the quarterly reports (Article VII, K).

7. Article VI, H, 5 – Reporting Requirements For All Policies

Amend the second sentence of the first paragraph to read:

The reports must be submitted to the Department’s Bureau of Fiscal Management on a quarterly basis as specified in Article VII, K and include all the data elements specified in Addendum IV.

8. Article VII, E, 4 – Birth Cost

Amend to read:

As specified in Addendum IV, C.

9. Article IX, A – Procedures

Amend 11. to read:

Maintain a record keeping “log” of complaints and grievances that includes a short, dated summary of each problem, the response, and the resolution. The log must distinguish between BadgerCare Plus members, if the HMO serves both populations. If the HMO does not have a separate log for BadgerCare Plus and their commercial members, the log must distinguish between the programs. The HMO must submit quarterly reports to the Department of all complaints, grievances and appeals (Addendum IV, F). The analysis of the log will include the number of complaints, grievances and appeals divided into two categories, program administration and benefit denials. HMOs should report [in Addendum IV, F, 1 (a-c)] those members that grieved or appealed to the HMO’s grievance appeal committee.

10. Article XII, B – Unilateral Termination

Amend 4. to read:

This contract may be terminated by the HMO due to dissatisfaction with the final 2012 capitation rates. The HMO must notify the Department within 30 days of notice of the 2012 final rates if the HMO intends to terminate its contract with DHS. In the event of termination under this paragraph, the Contract will terminate without termination costs to either party and, for purposes of section C., will be considered a termination under paragraph 1. To assure the smooth transition of members, termination of the Contract will be effective no less than 90 days, and no more than 120 days, after HMO notification to DHS of the intent to terminate the Contract. The 2012 rates will be effective January 1, 2012 through December 31, 2012.

11. Addendum IV, H – Non Emergency Medical Transportation Detail Report

Add as a new after the last sentence of the second paragraph:

HMOs in Region 5 are required to submit common carrier reports in order to receive reimbursement. HMOs in Region 6 are required to submit reports for all dates of service prior to the NEMT manager implementation, but reimbursement for NEMT is part of the capitation rate rather than a separate reimbursement as it is in Region 5.
