

Indicating Billing and Rendering Providers for Behavioral Treatment Services

When submitting **prior authorization requests** for behavioral treatment services, providers are required to indicate the licensed supervisor overseeing the member's plan of care (POC) as the billing provider and as the rendering provider.

When submitting **claims** for behavioral treatment services, providers are required to indicate the licensed supervisor overseeing the member's POC as the billing provider and indicate the licensed supervisor, treatment therapist, or treatment technician who rendered the service to the member as the rendering provider.
