Pfizer Vaccine Approved for Members Aged 12 to 15

Effective for dates of service on and after May 13, 2021, ForwardHealth will reimburse providers for administration of the Pfizer COVID-19 vaccine to members aged 12 to 15 years old. Refer to the January 2021 ForwardHealth Update (2021-01), titled "[COVID-19 Vaccine Billing and Reimbursement](#)," for more information.

Additional information is available on the federal [Advisory Committee on Immunization Practices webpage](#) and the [Wisconsin Department of Health Services COVID-19 webpage](#).

COVID-19-related ForwardHealth Alerts and Updates are available on the [COVID-19: ForwardHealth News and Resources](#) page of the ForwardHealth Portal.
