COVID-19 Vaccination Data Submission to the Wisconsin Immunization Registry

COVID-19 Vaccination Data Submission to the Wisconsin Immunization Registry

As a reminder, providers are required to follow all state and federal reporting requirements when they administer a COVID-19 vaccine. These requirements include entering information into the Wisconsin Immunization Registry within 24 hours of the vaccine administration.

New users of the Wisconsin Immunization Registry are required to complete the [Wisconsin Immunization Registry Organization Security and Confidentiality Agreement](#) form, F-42008 (02/2018) and the [Wisconsin Immunization Registry User Agreement](#) form, F-42008A (02/2018).

For more information or questions about the Wisconsin Immunization Registry, providers may contact the Wisconsin Immunization Registry Help Desk by phone at 608-266-9691 or by [email](#).

For more information about ForwardHealth coverage and guidelines for COVID-19-related vaccines and administration, providers should refer to the January 2021 ForwardHealth Update (2021-01), titled "[COVID-19 Vaccine Billing and Reimbursement](#)."

COVID-19-related ForwardHealth Alerts and Updates are available on the [COVID-19: ForwardHealth News and Resources](#) page of the ForwardHealth Portal.

Additional information and resources are available on the [Wisconsin Immunization Registry \(WIR\): Health Care Providers and Local Health Departments](#) page of the Wisconsin Department of Health Services website.
