Coverage for Ambulance Providers Administering COVID-19 Vaccines

Effective for dates of service on and after September 22, 2021, ForwardHealth will reimburse ambulance providers for administration of COVID-19 vaccines.

COVID-19 vaccinators are required to follow Centers for Disease Control and Prevention (CDC) COVID-19 Vaccination Program [guidelines](#). Additional information and resources are available on the [COVID-19: Vaccine Program Information for Vaccinators](#) page of the Wisconsin Department of Health Services website.

Refer to ForwardHealth [Alert 036](#), titled “Reimbursement Rate Increase for COVID-19 Vaccine Administration,” for information about reimbursement rates and Current Procedural Terminology codes to include on claims for vaccine administration.

COVID-19-related ForwardHealth Alerts and Updates are available on the [COVID-19: ForwardHealth News and Resources](#) page of the ForwardHealth Portal.
