

# New Provider Enrollment System for Adult Long-Term Care: Live Training Schedule

This is a list of live training sessions for providers of adult long-term care (LTC) waiver services based on your program and the services you provide. These sessions will help you understand the process of enrolling with Wisconsin Medicaid through the ForwardHealth Portal. Each group will have multiple sessions available that will cover the same content.

All trainings are in Central Standard Time (CST). Additional sessions may be offered based on provider need.

To attend these trainings, you need to be subscribed to our **Adult LTC Waiver Provider** emails. We will send Zoom links for the upcoming trainings to that list. You can subscribe on the [E-mail Subscription Sign-up](#) page of the Portal. We will also use this email list to notify you when new [Adult Long-Term Care Updates](#) are published.
