

2007 DRGs

Wisconsin Medicaid hospital DRGs effective July 1, 2007 remain unchanged from prior DRGs effective July 1, 2006 dates of service forward, for the most part. Therefore, please refer to the Medicaid 2006 DRGs, for most 2007 DRGs. However, the July 1, 2007 implementation of version 24 of the DRG grouper also included 20 new DRGs for which no weight existed on file prior to July 1, 2007. The list below includes the 20 new DRG numbers, weights and descriptions effective July 1, 2007.
