Complete the 2026 prescription volume attestation survey by **Friday, February 6, 2026**.

To complete the survey using an Excel spreadsheet, download the spreadsheet from the Annual
Prescription Volume Attestation Resources page of the ForwardHealth Portal (the Portal) at
forwardhealth.wi.gov/WIPortal/cms/page/provider/medicaid/pharmacy/apva/resources or email
CODSurvey@mercer.com to ask for a copy.

Completed spreadsheet surveys can be submitted by:

- Email to CODSurvey@mercer.com.
- Fax to 212-948-0047, Attn: Kerri Wade.

Providers with multiple locations must attest for each location individually. The spreadsheet
survey lets providers submit a single survey document for multiple locations.

Who needs to complete the survey?

Providers who submit claims to ForwardHealth with National Drug Codes **must** attest to their
annual prescription volume using the survey.

Why do I need to complete the survey?

ForwardHealth reimburses providers using a professional dispensing fee reimbursement rate based on a provider's annual prescription volume.

Providers who submit claims to ForwardHealth with National Drug Codes **must** attest to their annual prescription volume so ForwardHealth can assign them a reimbursement rate.

What happens next?

ForwardHealth will notify providers of their rate assignments in March 2026. The new reimbursement rate assignments will be for dates of service on and after April 1, 2026.

If you don't submit a survey by **February 6, 2026**, ForwardHealth will assign you the lowest professional dispensing fee reimbursement rate.

Information from this survey will be confidential. Neither Mercer nor the Wisconsin Department of Health Services will release or otherwise make public any information that names and/or discloses the business, financial, personnel, or other information provided to this survey.
