

Attachment 5

Preferred Drug List Mental Health Classes

The classes listed below have been reviewed by both the Wisconsin Medicaid Prior Authorization Advisory Committee and the Mental Health Drug Advisors. We are looking for the DUR Board to provide comment on which classes should truly be considered Mental Health Classes for the Mental Health Drug Advisors to review.

- ❖ Anti-depressants, SSRIs
- ❖ Anti-depressants, Others
- ❖ Anti-convulsants
- ❖ Sedative Hypnotics
- ❖ Alzheimer's Agents
- ❖ Anti-Parkinson's Agents
- ❖ Atypical Antipsychotics
- ❖ Stimulants and Related Agents
