

# Wisconsin Medicaid, BadgerCare Plus Standard, and SeniorCare Preferred Drug List – Quick Reference

**Revised 7/3/2024 Effective 07/01/2024**

## KEY:

All lowercase letters = generic product  
Leading capital letter = brand name product  
P = Preferred product  
NP = Non-preferred product (requires PA)

DR = Diagnosis Restriction  
DAPO = Prior Authorization processed through  
Drug Authorization and Policy Override center

|                                                                                 |                                                                               |                                                             |                                                                                 |                                                                        |                                                                                |                               |

- SCN = Wisconsin SeniorCare does not cover over-the-counter drugs. For Levels 2b and 3, SeniorCare does not cover drugs that do not have a signed SeniorCare Rebate Agreement between the manufacturer and the Department of Health Services. Providers may refer to the Numeric Listing of Manufacturers That Have Signed Rebate Agreements data table on the Pharmacy page of the Providers area of the Portal.
- Providers may refer to the data tables on the Pharmacy page of the Providers area of the Portal for more information:
