

Establishing a Secure Provider Portal Account

Establishing a Secure Provider Portal Account

- WWWW providers may establish secure provider Portal accounts.
- Separate Portal account required for WWWW than for BadgerCare Plus.
 - Use of “switch organization” to maintain multiple accounts.

Welcome to the ForwardHealth Portal

The ForwardHealth Portal serves as the interface to ForwardHealth interChange, the new Medicaid Management Information System for the state of Wisconsin. Through this portal, providers, managed care organizations, partners, and trading partners can electronically and securely submit, manage, and maintain health records for members under their care. This Portal also provides users with access to the current health care information available.
