Certification and Ongoing Responsibilities: Certification

Agency Certification Process

Wisconsin Medicaid provides a [flow chart](#) that illustrates the certification process for agencies providing mental health and substance abuse services.

Agency Requirements

Prior to obtaining Wisconsin Medicaid certification, mental health and substance abuse providers are required to be certified by the DHS, DQA. Local county or tribal agencies that request billing-only status do not need to be certified by the DQA.

Only local county or tribal agencies may be certified to bill Community Support Program Services.

Additional services provided by mental health and substance abuse providers are shown in italics in the following table. These services are included because they can be provided to recipients by mental health and substance abuse service providers, but some of the services can also be provided to other target populations by other types of providers.

Service	Type of Agency	Function of the Provider's NPI	Certification Requirements				
			Division of Quality Assurance	Wisconsin Medicaid	Section of Certification Application to Be Completed*	Local County or Tribal Agency Required?	Additional Requirements
<i>Clozapine Management</i>	Agency Providing the Service	Community support program nonbilling rendering NPI	The agency is required to obtain a Wisconsin DHS certificate to provide community support program services as authorized under DHS 63 , Wis. Admin. Code (which meets Wisconsin Medicaid's DHS 105 , Wis. Admin. Code, requirement).	The agency is required to do the following: <ul style="list-style-type: none"> • Have a DQA certificate on file. • Complete and submit Mental Health/Substance Abuse Agency Certification Application. 	Community Support Program	No	No
	Agency			The agency is required to complete and submit a Mental Health/Substance Abuse Agency			

	Only Allowed to Bill for the Service	Community support program billing NPI	Not required	Certification Application to be a billing-only provider for community support program services. An allowable Medicaid rendering provider is required to perform the service.	Community Support Program	Yes	No
Community Support Program Services**	Agency Providing the Service (may not bill for the service)	Community support program nonbilling rendering NPI	The agency is required to obtain a Wisconsin DHS certificate to provide community support program services as authorized under DHS 63 , Wis. Admin. Code (which meets Wisconsin Medicaid's DHS 105 , Wis. Admin. Code, requirement).	The agency is required to do the following: <ul style="list-style-type: none"> • Have a DQA certificate on file. • Complete and submit a Mental Health/Substance Abuse Agency Certification Application. 	Community Support Program	No	No
	Agency Only Allowed to Bill the Service	Community support program billing NPI	Not required	The agency is required to complete and submit a Mental Health/Substance Abuse Agency Certification Application to be a billing-only provider for community support program services. An allowable Medicaid rendering provider is required to perform the service.	Community Support Program	Yes	The agency is required to make available the nonfederal share needed to provide community support program services.

* These are sections of the Medicaid Mental Health/Substance Abuse Agency Certification Application.

** For this service, the Medicaid state share is paid by counties and tribes. Wisconsin Medicaid is funded by a combination of state/local and federal funds. Federal funding, approximately 60 percent of the total share, can be accessed only when the remaining 40 percent is covered by state or local funds. The state contributes the 40 percent matching funds for most Medicaid-covered services, but several mental health/substance abuse services are covered with local matching funds.

Border Status Providers

A provider in a state that borders Wisconsin may be eligible for border-status certification. Border-status providers need to notify ForwardHealth in writing that it is common practice for members in a particular area of Wisconsin to seek their medical services.

Exceptions to this policy include:

- Nursing homes and public entities (e.g., cities, counties) outside Wisconsin are not eligible for border status.
- All out-of-state independent laboratories are eligible to be border-status providers regardless of location in the United States.

Providers who have been denied Medicaid certification in their own state are automatically denied certification by Wisconsin Medicaid unless they were denied because the services they provide are not a covered benefit in their state.

Certified border-status providers are subject to the same program requirements as in-state providers, including coverage of services and PA and claims submission procedures. Reimbursement is made in accordance with ForwardHealth policies.

For more information about out-of-state providers, refer to [DHS 105.48](#), Wis. Admin. Code.

CLIA Certification or Waiver

Congress implemented CLIA to improve the quality and safety of laboratory services. CLIA requires *all* laboratories and providers performing tests for health assessment or for the diagnosis, prevention, or treatment of disease or health impairment to comply with specific federal quality standards.

CLIA Enrollment

The federal CMS sends CLIA enrollment information to ForwardHealth. The enrollment information includes CLIA identification numbers for all current laboratory sites. ForwardHealth verifies that laboratories are CLIA certified before Medicaid grants certification.

CLIA Regulations

ForwardHealth complies with the following federal regulations as initially published and subsequently updated:

- Public Health Service Clinical Laboratory Improvement Amendments of 1988.
- Title 42 CFR Part 493, Laboratory Requirements.

Scope of CLIA

CLIA governs all laboratory operations including the following:

- Accreditation.
- Certification.
- Fees.
- Patient test management.
- Personnel qualifications.
- Proficiency testing.
- Quality assurance.
- Quality control.
- Records and information systems.
- Sanctions.
- Test methods, equipment, instrumentation, reagents, materials, supplies.
- Tests performed.

CLIA regulations apply to *all* providers who perform laboratory services, including, but not limited to, the following:

- Clinics.

- HealthCheck providers.
- Independent clinical laboratories.
- Nurse midwives.
- Nurse practitioners.
- Osteopaths.
- Physician assistants.
- Physicians.
- Rural health clinics.

CLIA Certification Types

The CMS regulations require providers to have a CLIA certificate that indicates the laboratory is qualified to perform a category of tests.

Clinics or groups with a single group billing certification, but multiple CLIA numbers for different laboratories, may wish to contact [Provider Services](#) to discuss various certification options. The CMS issues five types of certificates for laboratories:

1. *Waiver certificate.* This certificate allows a laboratory to perform waived tests only. The CMS Web site identifies the most current list of [waived procedures](#). BadgerCare Plus identifies allowable waived procedures in [maximum allowable fee schedules](#).
2. *Provider-performed microscopy procedures certificate.* This certificate allows a physician, mid-level practitioner (i.e., nurse midwife, nurse practitioner, or physician assistant licensed by the state of Wisconsin), or dentist to perform microscopy and waived procedures only. The CMS Web site identifies the most current list of [CLIA-allowable provider-performed microscopy procedures](#). BadgerCare Plus identifies allowable provider-performed microscopy procedures in fee schedules.
3. *Registration certificate.* This certificate allows a laboratory to conduct moderate- or high-complexity tests until the laboratory is determined to be in compliance through a CMS survey performed by the Wisconsin state agency for CLIA.
4. *Compliance certificate.* This certificate is issued to a laboratory (for moderate- and/or high-complexity tests) after criterion performed by the state agency finds the laboratory in compliance with all applicable complexity-level requirements.
5. *Accreditation certificate.* This certificate is issued on the basis of the laboratory's accreditation by a CMS-approved accreditation organization. The six major approved accreditation organizations are:
 - JCAHO.
 - CAP.
 - COLA.
 - American Osteopathic Association.
 - American Association of Blood Banks.
 - ASHI.

Applying for CLIA Certification

Use the CMS 116 CLIA application to apply for program certificates. Providers may obtain CMS 116 forms from the [CMS Web site](#) or from the following address:

Division of Quality Assurance
 Clinical Laboratory Unit
 Ste 300
 1 W Wilson St
 PO Box 2969
 Madison WI 53701-2969

Providers Required to Report Changes

Providers are required to notify the Clinical Laboratory Unit in writing within 30 days of any change(s) in ownership, name, location,

or director. Also, providers are required to notify the Clinical Laboratory Unit of changes in certificate types immediately and within six months when a specialty/subspecialty is added or deleted. Providers may reach the Clinical Laboratory Unit at (608) 261-0653.

Categories of Certification

Wisconsin Medicaid certifies providers in four billing categories. Each billing category has specific designated uses and restrictions. These categories include the following:

- Billing/rendering provider.
- Rendering provider.
- Group billing that requires a rendering provider.
- Group billing that does not require a rendering provider.

Providers should refer to their certification materials or to service-specific information in the Online Handbook to identify what types of certification categories they may apply for or be assigned.

Billing/Rendering Provider

Certification as billing/rendering provider allows providers to identify themselves on claims (and other forms) as either the provider billing for the services or the provider rendering the services.

Rendering Provider

Certification as a rendering provider is given to those providers who practice under the professional supervision of another provider (e.g., physician assistants). Providers with a rendering provider certification cannot submit claims to ForwardHealth directly, but have reimbursement rates established for their provider type. Claims for services provided by a rendering provider must include the supervising provider or group provider as the billing provider.

Group Billing

Certification as a group billing provider is issued primarily as an accounting convenience. This allows a group billing provider to receive one reimbursement, one RA, and the 835 transaction for covered services rendered by individual providers within the group.

Group Billing That Requires a Rendering Provider

Individual providers within certain groups are required to be Medicaid certified because these groups are required to identify the provider who rendered the service on claims. Claims indicating these group billing providers that are submitted without a rendering provider are denied.

Group Billing That Does Not Require a Rendering Provider

Other groups (e.g., physician pathology, radiology groups, and rehabilitation agencies) are not required to indicate a rendering provider on claims.

Group billing providers should refer to their certification materials or to service-specific information in the Online Handbook to determine whether or not a rendering provider is required on claims.

Certification Application

To participate in Wisconsin Medicaid, providers are required to be certified by Wisconsin Medicaid as described in [DHS 105](#), Wis. Admin. Code. Providers certified by Wisconsin Medicaid may render services to members enrolled in Wisconsin Medicaid,

BadgerCare Plus, and SeniorCare.

Providers interested in becoming certified by Wisconsin Medicaid are required to complete a provider application that consists of the following forms and information:

- General certification information.
- Certification requirements.
- TOR.
- Provider application.
- Provider Agreement and Acknowledgement of Terms of Participation.
- Other forms related to certification.

Providers may submit certification applications by mail or through the [ForwardHealth Portal](#).

General Certification Information

This section of the provider application contains information on contacting ForwardHealth, certification effective dates, notification of certification decisions, provider agreements, and terms of reimbursement.

Certification Requirements

Wisconsin Administrative Code contains requirements that providers must meet in order to be certified with Wisconsin Medicaid; applicable Administrative Code requirements and any special certification materials for the applicant's provider type are included in the certification requirements document.

To become Medicaid certified, providers are required to do the following:

- Meet all certification requirements for their provider type.
- Submit a properly completed provider application, provider agreement, and other forms, as applicable, that are included in the certification packet.

Providers should carefully complete the certification materials and send all applicable documents demonstrating that they meet the stated Medicaid certification criteria. Providers may call [Provider Services](#) for assistance with completing these materials.

Terms of Reimbursement

Wisconsin Medicaid certification materials include Wisconsin Medicaid's TOR, which describes the methodology by which providers are reimbursed for services provided to BadgerCare Plus, Medicaid, and SeniorCare members. Providers should retain a copy of the TOR in their files. TOR are subject to change during a certification period.

Provider Application

A key part of the certification process is the completion of the Wisconsin Medicaid Provider Application. On the provider application, the applicant furnishes contact, address, provider type and specialty, license, and other information needed by Wisconsin Medicaid to make a certification determination.

Provider Agreement and Acknowledgement of Terms of Participation

As part of the application for certification, providers are required to sign a provider agreement with the DHS. Providers applying for certification through the Portal will be required to print, sign and date, and send the provider agreement to Wisconsin Medicaid. Providers who complete a paper provider application will need to sign and date the provider agreement and submit it with the other certification materials.

By signing a provider agreement, the provider certifies that the provider and each person employed by the provider, for the purpose of providing services, holds all licenses or similar entitlements and meets other requirements specified in [DHS 101](#) through [DHS 109](#), Wis. Admin. Code, and required by federal or state statute, regulation, or rule for the provision of the service.

The provider's certification to participate in Wisconsin Medicaid may be terminated by the provider as provided at [DHS 106.05](#), Wis. Admin. Code, or by the DHS upon grounds set forth in [DHS 106.06](#), Wis. Admin. Code.

This provider agreement remains in effect as long as the provider is certified to participate in Wisconsin Medicaid.

Individual vs. Agency Certification

Providers can choose from the following certification packets for mental health and substance abuse services:

- Wisconsin Medicaid Mental Health/Substance Abuse Individual Certification Packet (physicians should use the Wisconsin Medicaid Physician/Osteopath/Physician Assistant Certification Packet).
- Wisconsin Medicaid Mental Health/Substance Abuse Agency Certification Packet.

Completing Certification Applications

Health care providers are required to include their NPI on the certification application.

Note: Obtaining an NPI does not replace the Wisconsin Medicaid certification process.

Portal Submission

Providers may apply for Medicaid certification directly through the [ForwardHealth Portal](#). Though the provider certification application is available via the public Portal, the data are entered and transmitted through a secure connection to protect personal data. Applying for certification through the Portal offers the following benefits:

- Fewer returned applications. Providers who apply through the Portal are taken through a series of screens that are designed to guide them through the application process. This ensures that required information is captured and therefore reduces the instances of applications returned for missing or incomplete information.
- Instant submission. At the end of the online application process, applicants instantly submit their application to ForwardHealth and are given an ATN to use in tracking the status of their application.
- Indicates documentation requirements. At the end of the online process, applicants are also given detailed instructions about what actions are needed to complete the application process. For example, the applicant will be instructed to print the provider agreement and any additional forms that Wisconsin Medicaid must receive on paper and indicates whether supplemental information (e.g., transcripts, copy of license) is required. Applicants are also able to save a copy of the application for their records.

Paper Submission

Providers may also submit provider applications on paper. To request a paper provider application, providers should do one of the following:

- Contact [Provider Services](#).
- Click the "Contact Us" link on the Portal and send the request via e-mail.
- Send a request in writing to the following address:

ForwardHealth

Provider Maintenance
6406 Bridge Rd
Madison WI 53784-0006

Written requests for certification materials must include the following:

- The number of provider applications requested and each applicant's/provider's name, address, and telephone number (a provider application must be completed for each applicant/provider).
- The provider's NPI (for health care providers) that corresponds to the type of application being requested.
- The program for which certification is requested (Wisconsin Medicaid).
- The type of provider (e.g., physician, physician clinic or group, speech-language pathologist, hospital) or the type of services the provider intends to provide.

Paper provider applications are assigned an ATN at the time the materials are requested. As a result, [examples of the provider application are available](#) on the Portal for reference purposes only. These examples should not be downloaded and submitted to Wisconsin Medicaid. For the same reason, providers are not able to make copies of a single paper provider application and submit them for multiple applicants. These policies allow Wisconsin Medicaid to efficiently process and track certifications and assign effective dates.

Once completed, providers should mail certification materials to the address indicated on the application cover letter. Sending certification materials to any other Wisconsin Medicaid address may cause a delay.

Effective Date of Medicaid Certification

When assigning an initial effective date, ForwardHealth follows these regulations:

1. The date the provider submits his or her online provider application to ForwardHealth or contacts ForwardHealth for a paper application is the earliest effective date possible and will be the initial effective date if the following are true:
 - The provider meets all applicable licensure, certification, authorization, or other credential requirements as a prerequisite for Wisconsin Medicaid on the date of notification. Providers should not hold their application for pending licensure, Medicare, or other required certification but submit it to ForwardHealth. ForwardHealth will keep the provider's application on file and providers should send ForwardHealth proof of eligibility documents immediately, once available, for continued processing.
 - ForwardHealth received the provider agreement and any supplemental documentation within 30 days of submission of the online provider application.
 - ForwardHealth received the paper application within 30 days of the date the paper application was mailed.
2. If ForwardHealth receives the provider agreement and any applicable supplemental documents more than 30 days after the provider submitted the online application or receives the paper application more than 30 days after the date the paper application was mailed, the provider's effective date will be the date the complete application was received at ForwardHealth.
3. If ForwardHealth receives the provider's application within the 30-day deadline described above and it is incomplete or unclear, the provider will be granted one 30-day extension to respond to ForwardHealth's request for additional information. ForwardHealth must receive a response to the request for additional information within 30 days from the date on the letter requesting the missing information or item(s). This extension allows the provider additional time to obtain proof of eligibility (such as license verification, transcripts, or other certification).
4. If the provider does not send complete information within the original 30-day deadline or 30-day extension, the initial effective date will be based on the date ForwardHealth receives the complete and accurate application materials.

Group Certification Effective Dates

Group billing certifications (formerly called group billing provider numbers) are given as a billing convenience. Groups (except providers of mental health services) may submit a written request to obtain group billing certification with a certification effective date back 365 days from the effective date assigned. Providers should mail requests to backdate group billing certification to the following

address:

ForwardHealth
Provider Maintenance
6406 Bridge Rd
Madison WI 53784-0006

Request for Change of Effective Date

If providers believe their initial certification effective date is incorrect, they may request a review of the effective date. The request should include documentation that indicates the certification criteria that were incorrectly considered. Requests for changes in certification effective dates should be sent to Provider Maintenance.

Medicare Enrollment

ForwardHealth requires certain types of providers to be enrolled in Medicare as a condition for Medicaid certification. This requirement is specified in the certification materials for these provider groups.

The enrollment process for Medicare is separate from Wisconsin Medicaid's certification process. Providers applying for Medicare enrollment *and* Medicaid certification are encouraged to apply for Wisconsin Medicaid certification at the same time they apply for Medicare enrollment, even though Medicare enrollment must be finalized first. By applying for Medicare enrollment and Medicaid certification simultaneously, it may be possible for ForwardHealth to assign a Medicaid certification effective date that is the same as the Medicare enrollment date.

Materials for New Providers

On an ongoing basis, providers should refer to the Online Handbook for the most current BadgerCare Plus and Medicaid information. Future changes to policies and procedures are published in *Updates*.

Certain providers may opt not to receive these materials by completing the Deletion from Publications Mailing List form in the certification materials. Providers who opt out of receiving publications are still bound by ForwardHealth's rules, policies, and regulations even if they choose not to receive *Updates* on an ongoing basis. *Updates* are available for viewing and downloading on the ForwardHealth Portal.

Multiple Locations

The number of Medicaid certifications allowed or required per location is based on licensure, registration, certification by a state or federal agency, or an accreditation association identified in the Wisconsin Administrative Code. Providers with multiple locations should inquire if multiple applications must be completed when requesting a Medicaid certification application.

Multiple Services

Providers who offer a variety of services may be required to complete a separate Medicaid certification packet for each specified service/provider type.

Health care providers who are federally required to have an NPI are responsible for obtaining the appropriate certification for their NPI.

If a Medicaid-certified provider begins offering a new service *after* he or she has become initially certified, it is recommended that he or she call [Provider Services](#) to inquire if another application must be completed.

Noncertified In-State Providers

Wisconsin Medicaid reimburses noncertified in-state providers for providing emergency medical services to a member or providing services to a member during a time designated by the governor as a state of emergency. The emergency situation or the state of emergency must be sufficiently documented on the claim. Reimbursement rates are consistent with rates for Wisconsin Medicaid-certified providers rendering the same service.

Claims from noncertified in-state providers must be submitted with an [In-State Emergency Provider Data Sheet](#). The In-State Emergency Provider Data Sheet provides ForwardHealth with minimal tax and licensure information.

Noncertified in-state providers may call [Provider Services](#) with questions.

Notice of Certification Decision

Wisconsin Medicaid will notify the provider of the status of the certification usually within 10 business days, but no longer than 60 days, after receipt of the complete application for certification. Wisconsin Medicaid will either approve the application and issue the certification or deny the application. If the application for certification is denied, Wisconsin Medicaid will give the applicant reasons, in writing, for the denial.

Providers who meet the certification requirements will be sent a welcome letter and a copy of the signed provider agreement. Included with the letter is an attachment with important information such as effective dates, assigned provider type and specialty, and taxonomy code. This information will be used when conducting business with BadgerCare Plus, Medicaid, or SeniorCare (for example, health care providers will need to include their taxonomy code, designated by Wisconsin Medicaid, on claim submissions and requests for PA).

The welcome letter will also notify non-healthcare providers (e.g., SMV providers, personal care agencies, blood banks) of their Medicaid provider number. This number will be used on claim submissions, PA requests, and other communications with ForwardHealth programs.

Out-of-State Providers

Out-of-state providers are limited to those providers who are licensed in the United States (and its territories), Mexico, and Canada. Out-of-state providers are required to be licensed in their own state of practice.

Wisconsin Medicaid reimburses out-of-state providers for providing emergency medical services to a BadgerCare Plus or Medicaid member or providing services to a member during a time designated by the governor as a state of emergency. The emergency situation or the state of emergency must be sufficiently documented on the claim. Reimbursement rates are consistent with rates for Wisconsin Medicaid-certified providers providing the same service.

Out-of-state providers are reimbursed for services provided to eligible BadgerCare Plus or Medicaid members in either of the following situations:

- The service was provided in an emergency situation, as defined in [DHS 101.03\(52\)](#), Wis. Admin. Code.
- PA was obtained from ForwardHealth *before* the nonemergency service was provided.

Claims from noncertified out-of-state providers must be submitted with an [Out-of-State Provider Data Sheet](#). The Out-of-State Provider Data Sheet provides Wisconsin Medicaid with minimal tax and licensure information.

Out-of-state providers may contact [Provider Services](#) with questions.

Provider Addresses

ForwardHealth interChange has the capability of storing the following types of addresses and related information, such as contact information and telephone numbers:

- *Practice location address and related information (formally known as physical address)*. This address is where the provider's office is physically located and where records are normally kept. Additional information for the practice location includes the provider's office telephone number and telephone number for member's use. With limited exceptions, the practice location and telephone number for member's use are published in a provider directory made available to the public.
- *Mailing address*. This address is where ForwardHealth will mail general information and correspondence. Providers should indicate concise address information to aid in proper mail delivery.
- *PA address*. This address is where ForwardHealth will mail PA information.
- *Financial addresses (formally known as payee address)*. Two separate financial addresses are stored in ForwardHealth interChange. The checks and RA address is where Wisconsin Medicaid will mail checks and RAs. The 1099 mailing address is where Wisconsin Medicaid will mail IRS Form 1099.

Providers may submit additional address information or modify their current information through the ForwardHealth Portal or by using the [Provider Change of Address or Status](#) form.

Note: Providers are cautioned that any changes to their practice location on file with ForwardHealth may alter their ZIP+4 code information required on transactions. Providers may verify the ZIP+4 code for their address on the [U.S. Postal Service Web site](#).

Provider addresses are stored separately for each program (i.e., Medicaid, WCDP, and WWWP) for which the provider is certified. Providers should consider this when supplying additional address information and keeping address information current. Providers who are certified for multiple programs and have an address change that applies to more than one program should provide this information for each program. Providers who submit these changes on paper need to submit *one* Provider Change of Address or Status form if changes are applicable for multiple programs.

Provider Type and Specialty Changes

Providers who want to add a certification type or make a change to their certification type should call [Provider Services](#)

Health care providers who are federally required to have an NPI are cautioned that any changes to their provider type and/or specialty information on file with ForwardHealth may alter the [applicable taxonomy code](#) for a provider's certification.

Recertification

Periodically, ForwardHealth conducts provider recertifications that require providers to update their information. Providers will be notified when they need to be recertified and will be provided with instructions on how to complete the recertification process.

Reinstating Certification

Providers whose Medicaid certification has ended for any reason other than sanctions or failure to be recertified may have their certification reinstated as long as all licensure and certification requirements are met. The criteria for reinstating certification vary, depending upon the reason for the cancellation and when the provider's certification ended.

If it has been less than 365 days since a provider's certification has ended, the provider is required to submit a letter or the [Provider Change of Address or Status](#) form, stating that he or she wishes to have his or her Medicaid certification reinstated.

If it has been more than 365 days since a provider's certification has ended, the provider is required to submit new certification

materials. This can be done by completing them through the ForwardHealth Portal or submitting a paper provider application.

Telemedicine Certification

BadgerCare Plus will reimburse certain providers for covered mental health and substance abuse services provided via Telehealth (using telecommunication equipment to link mental health and/or substance abuse providers and consumers in different locations) in the same way it reimburses for face-to-face contacts. BadgerCare Plus reimburses only one of the sites, not both.

Certification requirements include all the following:

- The provider is required to be certified by Wisconsin Medicaid.
- The provider is required to be an organization that is certified by the DQA under one of the following program standards: DHS 34, 40, 61, 63, or 75 (excluding 75.15), Wis. Admin. Code.
- The provider is required to be certified by the DQA specifically to provide services via Telehealth. The provider is required to follow the DQA requirements for providing services via Telehealth. Providers can refer to a memo issued in 2004 by the DDES titled "Mental Health and Substance Abuse Telehealth — Criteria for Certification," available via the Web at dhs.wisconsin.gov/dsl_info.htm.
- A mental health or substance abuse professional is required to work as part of an organization that is DQA certified.

BadgerCare Plus will not accept claims from individual professionals in private practice providing services via Telehealth.

Tracking Certification Materials

Wisconsin Medicaid allows providers to track the status of their certification application either through the ForwardHealth Portal or by calling [Provider Services](#). Providers who submitted their application through the Portal will receive the ATN upon submission, while providers who request certification materials from Wisconsin Medicaid will receive an ATN on the application cover letter sent with their provider application. Regardless of how certification materials are submitted, providers may use one of the methods listed to track the status of their certification application.

Note: Providers are required to wait for the Notice of Certification Decision as official notification that certification has been approved. This notice will contain information the provider needs to conduct business with BadgerCare Plus, Medicaid, or SeniorCare; therefore, an approved or enrolled status alone does not mean the provider may begin providing or billing for services.

Tracking Through the Portal

Providers are able to track the status of a certification application through the Portal. By clicking on the "Certification Tracking Search" quick link in the Provider area of the Portal and entering their ATN, providers will receive current information on their application, such as whether it's being processed or has been returned for more information.

Tracking Through Provider Services

Providers may also check on the status of their submitted application by contacting Provider Services and giving their ATN.

Documentation

1099 Miscellaneous Forms

ForwardHealth generates the 1099 Miscellaneous form in January of each year for earnings greater than \$600.00, per Internal Revenue Service regulations. One 1099 Miscellaneous form per financial payer and per tax identification number is generated, regardless of how many provider IDs or NPIs share the same tax identification number. For example, a provider who conducts business with both Medicaid and WCDP will receive separate 1099 Miscellaneous forms for each program.

The 1099 Miscellaneous forms are sent to the address designated as the "1099 mailing address." The address formerly known as the "payee address" is used as the 1099 mailing address unless a provider has reported a separate address for the 1099 mailing address to ForwardHealth.

Availability of Records to Authorized Personnel

The DHCAA has the right to inspect, review, audit, and reproduce provider records pursuant to [DHS 106.02\(9\)\(e\)](#), Wis. Admin. Code. The DHCAA periodically requests provider records for compliance audits to match information against ForwardHealth's information on paid claims, PA requests, and enrollment. These records include, but are not limited to, medical/clinical and financial documents. Providers are obligated to ensure that the records are released to an authorized DHCAA staff member(s).

Wisconsin Medicaid reimburses providers \$0.06 per page for the cost of reproducing records requested by the DHCAA to conduct a compliance audit. A letter of request for records from the DHCAA will be sent to a provider when records are required.

Reimbursement is not made for other reproduction costs included in the provider agreement between the DHCAA and a provider, such as reproduction costs for submitting PA requests and claims.

Also, state-contracted MCOs, including HMOs and SSI HMOs, are not reimbursed for the reproduction costs covered in their contract with the DHS.

The reproduction of records requested by the PRO under contract with the DHCAA is reimbursed at a rate established by the PRO.

Confidentiality

ForwardHealth supports member rights regarding the confidentiality of health care and other related records, including an applicant or member's billing information or medical claim records. An applicant or member has a right to have this information safeguarded, and the provider is obligated to protect that right. Therefore, use or disclosure of any information concerning applicants and members for any purpose not connected with program administration, including contacts with third-party payers that are necessary for pursuing third-party payment and the release of information as ordered by the court, is prohibited unless authorized by the applicant or member.

To comply with the standards, providers are required to follow the procedures outlined in the Online Handbook to ensure the proper release of this information. ForwardHealth providers, like other health care providers, are also subject to other laws protecting confidentiality of health care information including, but not limited to, the following:

- [s. 146.81-146.84](#), Wis. Stats., Wisconsin health care confidentiality of health care information regulations.
- 42 USC s. 1320d - 1320d-8 (federal HIPAA) and accompanying regulations.

Any person violating this regulation may be fined an amount from \$25 up to \$500 or imprisoned in the county jail from 10 days up to

one year, or both, for each violation.

A provider is not subject to civil or criminal sanctions when releasing records and information regarding applicants or members if such release is for purposes directly related to administration or if authorized in writing by the applicant or member.

Documentation Time

Wisconsin Medicaid reimburses the provision of services. Documenting the services provided is part of the provision of services.

Financial Records

According to [DHS 106.02\(9\)\(c\)](#), Wis. Admin. Code, a provider is required to maintain certain financial records in written or electronic form.

Medical Records

A dated clinician's signature must be included in all medical notes. According to [DHS 106.02\(9\)\(b\)](#), Wis. Admin. Code, a provider is required to include certain written documentation in a member's medical record.

Medical records kept electronically are subject to the same requirements as those maintained on paper. In addition, the following requirements apply:

- Providers are required to have a paper or electronic back-up system for electronic medical records. This could include having files saved on disk or CD in case of computer failure.
- Mental health and substance abuse service providers are required to have safeguards to prevent unauthorized access to the records.

Mental Health and Substance Abuse Services Documentation Requirements

Providers are responsible for meeting medical and financial documentation requirements. Refer to [DHS 106.02\(9\)\(a\)](#), Wis. Admin. Code, for preparation and maintenance documentation requirements and [DHS 106.02\(9\)\(c\)](#), Wis. Admin. Code, for financial record documentation requirements.

The following are the medical record documentation requirements ([DHS 106.02\[9\]\[b\]](#), Wis. Admin. Code) as they apply to all mental health and substance abuse services. In each element, the applicable administrative code language is in parentheses. The provider is required to include the following written documentation in the member's medical record, as applicable:

1. Date, department or office of the provider (as applicable), and provider name and profession.
2. Presenting problem (chief medical complaint or purpose of the service or services).
3. Assessments (clinical findings, studies ordered, or diagnosis or medical impression).
 - a. Intake note signed by the therapist (clinical findings).
 - b. Information about past treatment, such as where it occurred, for how long, and by whom (clinical findings).
 - c. Mental status exam, including mood and affect, thought processes — principally orientation X3, dangerousness to others and self, and behavioral and motor observations. Other information that may be essential depending on presenting symptoms includes thought processes other than orientation X3, attitude, judgment, memory, speech, thought content, perception, intellectual functioning, and general appearance (clinical findings and/or diagnosis or medical impression).
 - d. Biopsychosocial history, which may include, depending on the situation, educational or vocational history, developmental history, medical history, significant past events, religious history, substance abuse history, past mental health treatment, criminal and legal history, significant past relationships and prominent influences, behavioral history,

- financial history, and overall life adjustment (clinical findings).
- e. Psychological, neuropsychological, functional, cognitive, behavioral, and/or developmental testing as indicated (studies ordered).
 - f. Current status, including mental status, current living arrangements and social relationships, support system, current ADL, current and recent substance abuse usage, current personal strengths, current vocational and educational status, and current religious attendance (clinical findings).
4. Treatment plans, including treatment goals, which are expressed in behavioral terms that provide measurable indices of performance, planned intervention, mechanics of intervention (frequency, duration, responsible party[ies]) (disposition, recommendations, and instructions given to the member, including any prescriptions and plans of care or treatment provided).
 5. Progress notes (therapies or other treatments administered) must provide data relative to accomplishment of the treatment goals in measurable terms. Progress notes also must document significant events that are related to the person's treatment plan and assessments and that contribute to an overall understanding of the person's ongoing level and quality of functioning.

Member Access to Records

Providers are required to allow members access to their health care records, including those related to ForwardHealth services, maintained by a provider in accordance with Wisconsin Statutes, excluding billing statements.

Preparation and Maintenance of Records

All providers who receive payment from Wisconsin Medicaid, including state-contracted MCOs, are required to maintain records that fully document the basis of charges upon which all claims for payment are made, according to [DHS 106.02\(9\)\(a\)](#), Wis. Admin. Code. This required maintenance of records is typically required by any third-party insurance company and is not unique to ForwardHealth.

Record Retention

Providers are required to retain documentation, including medical and financial records, for a period of not less than five years from the date of payment, except RHCs, who are required to retain records for a minimum of six years from the date of payment.

According to [DHS 106.02\(9\)\(d\)](#), Wis. Admin. Code, providers are required to retain all evidence of billing information.

Ending participation as a provider does not end a provider's responsibility to retain and provide access to fully maintained records unless an alternative arrangement of record retention and maintenance has been established.

Reviews and Audits

The DHS periodically reviews provider records. The DHS has the right to inspect, review, audit, and photocopy the records. Providers are required to permit access to any requested record(s), whether in written, electronic, or micrographic form.

Retention of Mental Health and Substance Abuse Records

Documentation of all services performed must be retained by providers for a period of at least seven years, according to [DHS 92.12](#), Wis. Admin. Code. (HFS 92.12, Wis. Admin. Code, supersedes [DHS 106.02\[9\]](#), Wis. Admin. Code, for DQA-certified providers.)

Similarly, Medicaid-certified psychiatrists and Ph.D. psychologists in private practice are required to retain records for a period of five years according to [DHS 106.02\(9\)\(e\)2](#), Wis. Admin. Code.

Records Requests

Requests for billing or medical claim information regarding services reimbursed by BadgerCare Plus may come from a variety of individuals including attorneys, insurance adjusters, and members. Providers are required to notify ForwardHealth by contacting [Provider Services](#) when releasing billing information or medical claim records relating to charges for covered services except the following:

- When the member is a dual eligible (i.e., member is eligible for both Medicare and Wisconsin Medicaid or BadgerCare Plus) and is requesting materials pursuant to *Medicare* regulations.
- When the provider is attempting to exhaust all existing health insurance sources prior to submitting claims to BadgerCare Plus.

Request from a Member or Authorized Person

If the request for a member's billing information or medical claim records is from a member or authorized person acting on behalf of the member, the provider should send a copy of the requested billing information or medical claim records, along with the name and address of the requester, to the following address:

Department of Health Services
Casualty/Subrogation Program
PO Box 6243
Madison WI 53791

ForwardHealth will process and forward the requested information to the requester.

Request from an Attorney, Insurance Company, or Power of Attorney

If the request for a member's billing information or medical claim records is from an attorney, insurance company, or power of attorney, the provider should do the following:

1. Obtain a release signed by the member or authorized representative.
2. Furnish the requested material to the requester, marked "BILLED TO FORWARDHEALTH" or "TO BE BILLED TO FORWARDHEALTH," with a copy of the release signed by the member or authorized representative. Approval from ForwardHealth is not necessary.
3. Send a notice of the material furnished to the requester to Coordination of Benefits at the previously listed address with a copy of the signed release.

Request for Information About a Member Enrolled in a State-Contracted Managed Care Organization

If the request for a member's billing information or medical claim records is for a member enrolled in a state-contracted MCO, the provider is required to do the following:

1. Obtain a release signed by the member or authorized representative.
2. Send a copy of the letter requesting the information, along with the release signed by the member or authorized representative, directly to the MCO.

The MCO makes most benefit payments and is entitled to any recovery that may be available.

Request for a Statement from a Dual Eligible

If the request is for an itemized statement from a dual eligible, pursuant to HR 2015 (Balanced Budget Act of 1997) s. 4311, a dual

eligible has the right to request and receive an itemized statement from his or her Medicare-certified health care provider. The Act requires the provider to furnish the requested information to the member. The Act does *not* require the provider to notify ForwardHealth.

For More Information

For additional information about requests for billing information or medical claim records, providers should call Provider Services. Providers may also write to the following address:

Division of Health Services
Estate and Casualty Recovery Section
PO Box 309
Madison WI 53701-0309

Release of Billing Information to Government Agencies

Providers are permitted to release member information without informed consent when a written request is made by the DHS or the federal HHS to perform any function related to program administration, such as auditing, program monitoring, and evaluation.

Providers are authorized under BadgerCare Plus confidentiality regulations to report suspected misuse or abuse of program benefits to the DHS, as well as to provide copies of the corresponding patient health care records.

Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Ongoing Responsibilities

Accommodating Members with Disabilities

All providers, including ForwardHealth providers, operating an existing public accommodation have requirements under [Title III of the Americans with Disabilities Act of 1990 \(nondiscrimination\)](#).

Change in Ownership

New certification materials, including a provider agreement, must be completed whenever a change in ownership occurs. ForwardHealth defines a "change in ownership" as when a different party purchases (buys out) or otherwise obtains ownership or effective control over a practice or facility. Examples of a change in ownership include the following:

- A sole proprietorship transfers title and property to another party.
- Two or more corporate clinics or centers consolidate and a new corporate entity is created.
- There is an addition, removal, or substitution of a partner in a partnership.
- An incorporated entity merges with another incorporated entity.
- An unincorporated entity (sole proprietorship or partnership) becomes incorporated.

The following provider types require Medicare enrollment and/or [DQA certification](#) for Wisconsin Medicaid certification change in ownerships:

- Ambulatory surgery centers.
- ESRD services providers.
- Federally qualified health centers.
- Home health agencies.
- Hospice providers.
- Hospitals (inpatient and outpatient).
- Nursing homes.
- Outpatient rehabilitation facilities.
- Rehabilitation agencies.
- RHCs.

All changes in ownership must be reported in writing to ForwardHealth and new certification materials must be completed *before* the effective date of the change. The affected provider numbers should be noted in the letter. When the change in ownership is complete, the provider(s) will receive written notification of his or her provider number and the new Medicaid certification effective date in the mail.

Providers with questions about change in ownership should call [Provider Services](#).

Repayment Following Change in Ownership

Medicaid-certified providers who sell or otherwise transfer their business or business assets are required to repay ForwardHealth for any erroneous payments or overpayments made to them by Wisconsin Medicaid. If necessary, the provider to whom a transfer of ownership is made will also be held liable by ForwardHealth for repayment. Therefore, prior to final transfer of ownership, the provider acquiring the business is responsible for contacting ForwardHealth to ascertain if he or she is liable under this provision.

The provider acquiring the business is responsible for making payments within 30 days after receiving notice from the DHS that the amount shall be repaid in full.

Providers may send inquiries about the determination of any pending liability on the part of the owner to the following address:

Division of Health Care Access and Accountability
 Bureau of Program Integrity
 PO Box 309
 Madison WI 53701-0309

ForwardHealth has the authority to enforce these provisions within four years following the transfer of a business or business assets. Refer to [s. 49.45\(21\)](#), Wis. Stats., for complete information.

Civil Rights Compliance (Nondiscrimination)

Providers are required to comply with all federal laws relating to Title XIX of the Social Security Act and state laws pertinent to ForwardHealth, including the following:

- Title VI and VII of the Civil Rights Act of 1964.
- The Age Discrimination Act of 1975.
- Section 504 of the Rehabilitation Act of 1973.
- The ADA of 1990.

The previously listed laws require that all health care benefits under ForwardHealth be provided on a nondiscriminatory basis. No applicant or member can be denied participation in ForwardHealth or be denied benefits or otherwise subjected to discrimination in any manner under ForwardHealth on the basis of race, color, national origin or ancestry, sex, religion, age, disability, or association with a person with a disability.

Any of the following actions may be considered discriminatory treatment when based on race, color, national origin, disability, or association with a person with a disability:

- Denial of aid, care, services, or other benefits.
- Segregation or separate treatment.
- Restriction in any way of any advantage or privilege received by others. (There are some program restrictions based on eligibility classifications.)
- Treatment different from that given to others in the determination of eligibility.
- Refusing to provide an oral language interpreter to persons who are considered LEP at no cost to the LEP individual in order to provide meaning access.
- Not providing translation of vital documents to the LEP groups who represent five percent or 1,000, whichever is smaller, in the provider's area of service delivery.

Note: Limiting practice by age is not age discrimination and specializing in certain conditions is not disability discrimination. For further information, see 45 CFR Part 91.

Providers are required to be in compliance with the previously mentioned laws as they are currently in effect or amended. Providers who employ 25 or more employees and receive \$25,000 or more annually in Medicaid reimbursement are also required to comply with the DHS [Affirmative Action and Civil Rights Compliance Plan](#) requirements. Providers that employ less than 25 employees and receive less than \$25,000 annually in Medicaid reimbursement are required to comply by submitting a Letter of Assurance and other appropriate forms.

Providers without Internet access may obtain copies of the DHS Affirmative Action and Civil Rights Compliance Plan (including the Letter of Assurance and other forms) and instructions by calling the Affirmative Action and Civil Rights Compliance Officer at (608) 266-9372. Providers may also write to the following address:

AA/CRC Office

1 W Wilson St Rm 561
 PO Box 7850
 Madison WI 53707-7850

For more information on the acts protecting members from discrimination, refer to the civil rights compliance information in the Enrollment and Benefits booklet. The booklet is given to new ForwardHealth members by local county or tribal agencies. Potential ForwardHealth members can request the booklet by calling [Member Services](#).

Title VI of the Civil Rights Act of 1964

This act requires that all benefits be provided on a nondiscriminatory basis and that decisions regarding the provision of services be made without regard to race, color, or national origin. Under this act, the following actions are prohibited, if made on the basis of race, color, or national origin:

- Denying services, financial aid, or other benefits that are provided as a part of a provider's program.
- Providing services in a manner different from those provided to others under the program.
- Aggregating or separately treating clients.
- Treating individuals differently in eligibility determination or application for services.
- Selecting a site that has the effect of excluding individuals.
- Denying an individual's participation as a member of a planning or advisory board.
- Any other method or criteria of administering a program that has the effect of treating or affecting individuals in a discriminatory manner.

Title VII of the Civil Rights Act of 1964

This act prohibits differential treatment, based solely on a person's race, color, sex, national origin, or religion, in the terms and conditions of employment. These conditions or terms of employment are failure or refusal to hire or discharge compensation and benefits, privileges of employment, segregation, classification, and the establishment of artificial or arbitrary barriers to employment.

Federal Rehabilitation Act of 1973, Section 504

This act prohibits discrimination in both employment and service delivery based solely on a person's disability.

This act requires the provision of reasonable accommodations where the employer or service provider cannot show that the accommodation would impose an undue hardship in the delivery of the services. A reasonable accommodation is a device or service modification that will allow the disabled person to receive a provider's benefits. An undue hardship is a burden on the program that is not equal to the benefits of allowing that handicapped person's participation.

A handicapped person means any person who has a physical or mental impairment that substantially limits one or more major life activities, has a record of such an impairment, or is regarded as having such an impairment.

In addition, Section 504 requires "program accessibility," which may mean building accessibility, outreach, or other measures that allow for full participation of the handicapped individual. In determining program accessibility, the program or activity will be viewed in its entirety. In choosing a method of meeting accessibility requirements, the provider shall give priority to those methods that offer a person who is disabled services that are provided in the most integrated setting appropriate.

Americans with Disabilities Act of 1990

Under Title III of the ADA of 1990, any provider that operates an existing public accommodation has four specific requirements:

1. Remove barriers to make his or her goods and services available to and usable by people with disabilities to the extent that it is readily achievable to do so (i.e., to the extent that needed changes can be accomplished without much difficulty or expense).

2. Provide auxiliary aids and services so that people with sensory or cognitive disabilities have access to effective means of communication, unless doing so would fundamentally alter the operation or result in undue burdens.
3. Modify any policies, practices, or procedures that may be discriminatory or have a discriminatory effect, unless doing so would fundamentally alter the nature of the goods, services, facilities, or accommodations.
4. Ensure that there are no unnecessary eligibility criteria that tend to screen out or segregate individuals with disabilities or limit their full and equal enjoyment of the place of public accommodation.

Age Discrimination Act of 1975

The Age Discrimination Act of 1975 prohibits discrimination on the basis of age in programs and activities receiving federal financial assistance. The Act, which applies to all ages, permits the use of certain age distinctions and factors other than age that meet the Act's requirements.

Contracted Staff

Under a few circumstances (e.g., personal care, case management services), providers may contract with non-Medicaid certified agencies for services. Providers are legally, programmatically, and fiscally responsible for the services provided by their contractors and their contractor's services.

When contracting services, providers are required to monitor the contracted agency to ensure that the agency is meeting member needs and adhering to ForwardHealth requirements.

Providers are also responsible for informing a contracted agency of ForwardHealth requirements. Providers should refer those with whom they contract for services to ForwardHealth publications for program policies and procedures. ForwardHealth references and publications include, but are not limited to, the following:

- Wisconsin Administrative Code.
- *ForwardHealth Updates*.
- The Online Handbook.

Providers should encourage contracted agencies to visit the ForwardHealth Portal regularly for the most current information.

Examples of Ongoing Responsibilities

Responsibilities for which providers are held accountable are described throughout the Online Handbook. Medicaid-certified providers have responsibilities that include, but are not limited to, the following:

- Providing the same level and quality of care to ForwardHealth members as private-pay patients.
- Complying with all state and federal laws related to ForwardHealth.
- Obtaining PA for services, when required.
- Notifying members in advance if a service is not covered by ForwardHealth and the provider intends to collect payment from the member for the service.
- Maintaining accurate medical and billing records.
- Retaining preparation, maintenance, medical, financial records, along with other documentation, for a period of not less than five years from the date of payment, except rural health clinic providers who are required to retain records for a minimum of six years from the date of payment.
- Billing only for services that were actually provided.
- Allowing a member access to his or her records.
- Monitoring contracted staff.
- Accepting Medicaid reimbursement as payment in full for covered services.
- Keeping provider information (i.e., address, business name) current.

- Notifying ForwardHealth of changes in ownership.
- Responding to Medicaid recertification notifications.
- Safeguarding member confidentiality.
- Verifying member enrollment.
- Keeping up-to-date with changes in program requirements as announced in ForwardHealth publications.

Keeping Information Current

Types of Changes

Providers are required to notify ForwardHealth of changes, including the following:

- Address(s) — practice location and related information, mailing, PA, and/or financial.
- Telephone number, including area code.
- Business name.
- Contact name.
- Federal Tax ID number (IRS number).
- Group affiliation.
- Licensure.
- Medicare NPI for health care providers or Medicare provider number for providers of *non-healthcare* services.
- Ownership.
- Professional certification.
- Provider specialty.
- Supervisor of nonbilling providers.

Failure to notify ForwardHealth of changes may result in the following:

- Incorrect reimbursement.
- Misdirected payment.
- Claim denial.
- Suspension of payments in the event that provider mail is returned to ForwardHealth for lack of a current address.

Entering new information on a claim form or PA request is *not* adequate notification of change.

Address Changes

Healthcare providers who are federally required to have an NPI are cautioned that changes to their practice location address on file with ForwardHealth may alter their ZIP+4 code information that is required on transactions.

Submitting Changes in Address or Status

Once certified, providers are required to submit changes in address or status as they occur, either through the Portal or on paper.

ForwardHealth Portal Submission

After establishing a provider account on the ForwardHealth Portal, providers may make changes to their demographic information online. Changes made through the Portal instantly update the provider's information in ForwardHealth interChange. In addition, since the provider is allowed to make changes directly to his or her information, the process does not require re-entry by ForwardHealth.

Providers should note, however, that the demographic update function of the Portal limits certain providers from modifying some types of information. Providers who are not able to modify certain information through the Portal may make these changes using the [Provider Change of Address or Status](#) form.

Paper Submission

Providers must use the Provider Change of Address or Status form. Copies of old versions of this form will not be accepted and will be returned to the provider so that he or she may complete the current version of the form or submit changes through the Portal.

Change Notification Letter

When a change is made to certain provider information, either through the use of the Provider Change of Address or Status form or through the Portal, ForwardHealth will send a letter notifying the provider of the change(s) made. Providers should carefully review the Provider File Information Change Summary included with the letter. If any information on this summary is incorrect, providers may do one of the following:

- If the provider made an error while submitting information on the Portal, he or she should correct the information through the Portal.
- If the provider submitted incorrect information using the Provider Change of Address or Status form, he or she should either submit a corrected form or correct the information through the Portal.
- If the provider submitted correct information on the Provider Change of Address or Status form and believes an error was made in processing, he or she can contact [Provider Services](#) to have the error corrected or submit the correct information via the Portal.

Notify Division of Quality Assurance of Changes

Providers licensed or certified by the DQA are required to notify the DQA of changes to physical address, changes of ownership, and facility closures by calling (608) 266-8481.

Providers licensed or certified by the DQA are required to notify the DQA of these changes *before* notifying ForwardHealth. The DQA will then forward the information to ForwardHealth.

Legal Framework

The following laws and regulations provide the legal framework for BadgerCare Plus, Medicaid, and Wisconsin Well Woman Medicaid:

- Federal Law and Regulation:
 - Law — United States Social Security Act; Title XIX (42 US Code ss. 1396 and following) and Title XXI.
 - Regulation — Title 42 CFR Parts 430-498 and Parts 1000-1008 (Public Health).
- Wisconsin Law and Regulation:
 - Law — Wisconsin Statutes: [49.43-49.499](#), [49.665](#), and [49.473](#).
 - Regulation — Wisconsin Administrative Code, Chapters [DHS 101](#), [102](#), [103](#), [104](#), [105](#), [106](#), [107](#), and [108](#).

Laws and regulations may be amended or added at any time. Program requirements may not be construed to supersede the provisions of these laws and regulations.

The information included in the ForwardHealth Portal applies to BadgerCare Plus, Medicaid, and Wisconsin Well Woman Medicaid. BadgerCare Plus, Medicaid, and Wisconsin Well Woman Medicaid are administered by the DHS. Within the DHS, the DHCAA is directly responsible for managing these programs.

Provider Numbers

National Provider Identifier

Health care providers are required to indicate an NPI on electronic and paper transactions submitted to ForwardHealth.

The NPI is a 10-digit number obtained through NPPES.

Providers should ensure that they have obtained an appropriate NPI to correspond to their certification.

There are two kinds of NPIs:

- Entity Type 1 NPIs are for individuals who provide health care, such as physicians, dentists, and chiropractors.
- Entity Type 2 NPIs are for organizations that provide health care such as hospitals, group practices, pharmacies, and home health agencies.

It is possible for a provider to qualify for both Entity Type 1 and Entity Type 2 NPIs. For example, an individual physical therapist may also be the owner of a therapy group that is a corporation and have two Wisconsin Medicaid certifications — one certification as an individual physical therapist and the other certification as the physical therapy group. A Type 1 NPI for the individual certification and a Type 2 NPI for the group certification are required.

NPIs and classifications may be viewed on the [NPPES Web site](#). The [Centers for Medicare and Medicaid Services Web site](#) includes more Type 1 and Type 2 NPI information.

Some providers hold multiple certifications with ForwardHealth. For example, a health care organization may be certified according to the type of services their organization provides (e.g., physician group, therapy group, home health agency) or the organization may have separate certification for each practice location. ForwardHealth maintains a separate provider file for each certification that stores information used for processing electronic and paper transactions (e.g., provider type and specialty, certification begin and end dates). When a single NPI is reported for multiple certifications, ForwardHealth requires additional data to identify the provider and to determine the correct provider file to use when processing transactions.

Either or both of the following additional data is required with NPI when a single NPI corresponds to multiple certifications:

- The [ForwardHealth-designated taxonomy code](#).
- ZIP+4 code (complete, nine digits) that corresponds to the practice location address on file with ForwardHealth.

Omission of the additional required data will cause claims and other transactions to be denied or delayed in processing.

Taxonomy Codes

Taxonomy codes are standard code sets used to provide information about provider type and specialty for the provider's certification. Providers are required to use the taxonomy code designated by ForwardHealth when the NPI reported to ForwardHealth corresponds to multiple certifications and the provider's practice location ZIP+4 code does not uniquely identify the provider.

ForwardHealth designates a taxonomy code as additional data to be used to correctly match NPI to the correct provider file. The designated taxonomy code may be different than the taxonomy code providers originally submitted to [NPPES](#) when obtaining their NPI as not all national taxonomy code options are recognized by ForwardHealth. For example, some taxonomy codes may correspond to provider types not certifiable with ForwardHealth, or they may represent services not covered by ForwardHealth.

Omission of a taxonomy code when it is required as additional data to identify the provider or indicating a taxonomy code that is not designated by ForwardHealth will cause claims and other transactions to be denied or delayed in processing.

Refer to the [ForwardHealth-designated taxonomy codes](#) for the appropriate taxonomy code for your certification.

Note: The ForwardHealth-designated taxonomy code does not change provider certification or affect reimbursement terms.

ZIP Code

The ZIP+4 code is the ZIP code of a provider's practice location address on file with ForwardHealth. Providers are required to use the ZIP+4 code when the NPI reported to ForwardHealth corresponds to multiple certifications and the designated taxonomy code does not uniquely identify the provider.

Omission of the ZIP+4 code of the provider's practice location address when it is required as additional data to identify the provider will cause claims and other transactions to be denied or delayed in processing.

Providers may verify the ZIP+4 code for their address on the [U.S. Postal Service Web site](#).

Provider Rights

A Comprehensive Overview of Provider Rights

Medicaid-certified providers have certain rights including, but not limited to, the following:

- Limiting the number of members they serve in a nondiscriminatory way.
- Ending participation in Wisconsin Medicaid.
- Applying for a discretionary waiver or variance of certain rules identified in Wisconsin Administrative Code.
- [Collecting payment from a member under limited circumstances](#).
- Refusing services to a member if the member refuses or fails to present a ForwardHealth identification card. However, possession of a ForwardHealth card does not guarantee enrollment (e.g., the member may not be enrolled, may be enrolled only for limited benefits, or the ForwardHealth card may be invalid). Providers may confirm the current enrollment of the member by using one of the [EVS methods](#), including calling [Provider Services](#).

Ending Participation

Providers other than home health agencies and nursing facilities may terminate participation in ForwardHealth according to [DHS 106.05](#), Wis. Admin. Code.

Providers choosing to withdraw should promptly notify their members to give them ample time to find another provider.

When withdrawing, the provider is required to do the following:

- Provide a written notice of the decision at least 30 days in advance of the termination.
- Indicate the effective date of termination.

Providers will not receive reimbursement for nonemergency services provided on and after the effective date of termination.

Voluntary termination notices can be sent to the following address:

ForwardHealth
 Provider Maintenance
 6406 Bridge Rd
 Madison WI 53784-0006

If the provider fails to specify an effective date in the notice of termination, ForwardHealth may terminate the provider on the date the notice is received.

Hearing Requests

A provider who wishes to contest a DHS action or inaction for which due process is required under s. [227](#), Wis. Stats., may request a hearing by writing to the DHA.

A provider who wishes to contest the DHCAA's notice of intent to recover payment (e.g., to recoup for overpayments discovered in an audit by DHCAA) is required to request a hearing on the matter within the time period specified in the notice. The request, which must be in writing, should briefly summarize the provider's basis for contesting the DHS decision to withhold payment.

Refer to [DHS 106](#), Wis. Admin. Code, for detailed instructions on how to file an appeal.

If a timely request for a hearing is not received, the DHS may recover those amounts specified in its original notice from future amounts owed to the provider.

Note: Providers are not entitled to administrative hearings for billing disputes.

Limiting the Number of Members

If providers choose to limit the number of members they see, they cannot accept a member as a private-pay patient. Providers should instead refer the member to another ForwardHealth provider.

Persons applying for or receiving benefits are protected against discrimination based on race, color, national origin, sex, religion, age, disability, or association with a person with a disability.

Requesting Discretionary Waivers and Variances

In rare instances, a provider or member may apply for, and the DHCAA will consider applications for, a discretionary waiver or variance of certain rules in [DHS 102](#), [103](#), [104](#), [105](#), [107](#), and [108](#), Wis. Admin. Code. Rules that are not considered for a discretionary waiver or variance are included in [DHS 106.13](#), Wis. Admin. Code.

Waivers and variances are not available to permit coverage of services that are either expressly identified as noncovered or are not expressly mentioned in HFS 107, Wis. Admin. Code.

Requirements

A request for a waiver or variance may be made at any time; however, all applications must be made in writing to the DHCAA. All applications are required to specify the following:

- The rule from which the waiver or variance is requested.
- The time period for which the waiver or variance is requested.
- If the request is for a variance, the specific alternative action proposed by the provider.
- The reasons for the request.
- Justification that all requirements for a discretionary waiver or variance would be satisfied.

The DHCAA may also require additional information from the provider or the member prior to acting on the request.

Application

The DHCAA may grant a discretionary waiver or variance if it finds that all of the following requirements are met:

- The waiver or variance will not adversely affect the health, safety, or welfare of any member.
- Either the strict enforcement of a requirement would result in unreasonable hardship on the provider or on a member, or an alternative to a rule is in the interests of better care or management. An alternative to a rule would include a new concept, method, procedure or technique, new equipment, new personnel qualifications, or the implementation of a pilot project.
- The waiver or variance is consistent with all applicable state and federal statutes and federal regulations.
- Federal financial participation is available for all services under the waiver or variance, consistent with the Medicaid state plan, the federal CMS, and other applicable federal program requirements.
- Services relating to the waiver or variance are medically necessary.

To apply for a discretionary waiver or variance, providers are required to send their application to the following address:

Division of Health Care Access and Accountability

Waivers and Variances
PO Box 309
Madison WI 53701-0309

Sanctions

Intermediate Sanctions

According to [DHS 106.08\(3\)](#), Wis. Admin. Code, the DHS may impose intermediate sanctions on providers who violate certain requirements. Common examples of sanctions that the DHS may apply include the following:

- Review of the provider's claims before payment.
- Referral to the appropriate peer review organization, licensing authority, or accreditation organization.
- Restricting the provider's participation in BadgerCare Plus.
- Requiring the provider to correct deficiencies identified in a DHS audit.

Prior to imposing any alternative sanction under this section, the DHS will issue a written notice to the provider in accordance with [DHS 106.12](#), Wis. Admin. Code.

Any sanction imposed by the DHS may be appealed by the provider under DHS 106.12, Wis. Admin. Code. Providers may appeal a sanction by writing to the DHA.

Involuntary Termination

The DHS may suspend or terminate the Medicaid certification of any provider according to [DHS 106.06](#), Wis. Admin. Code.

The suspension or termination may occur if both of the following apply:

- The DHS finds that any of the grounds for provider termination are applicable.
- The suspension or termination will not deny members access to services.

Reasonable notice and an opportunity for a hearing within 15 days will be given to each provider whose certification is terminated by the DHS. Refer to [DHS 106.07](#), Wis. Admin. Code, for detailed information regarding possible sanctions.

In cases where Medicare enrollment is required as a condition of certification with Wisconsin Medicaid, termination from Medicare results in automatic termination from Wisconsin Medicaid.

Sanctions for Collecting Payment from Members

Under state and federal laws, if a provider inappropriately collects payment from an enrolled member, or authorized person acting on behalf of the member, that provider may be subject to program sanctions including termination of Medicaid certification. In addition, the provider may also be fined not more than \$25,000, or imprisoned not more than five years, or both, pursuant to 42 USC s. 1320a-7b(d) or [49.49\(3m\)](#), Wis. Stats.

There may be narrow exceptions on when providers may [collect payment from members](#).

Withholding Payments

The DHS may withhold full or partial Medicaid provider payments without prior notification if, as the result of any review or audit, the DHS finds reliable evidence of fraud or willful misrepresentation.

"Reliable evidence" of fraud or willful misrepresentation includes, but is not limited to, the filing of criminal charges by a prosecuting attorney against the provider or one of the provider's agents or employees.

The DHS is required to send the provider a written notice within five days of taking this action. The notice will generally set forth the allegations without necessarily disclosing specific information about the investigation.

Claims

Archive Date:06/01/2009

Claims:Adjustment Requests

Allowed Claim

An allowed claim (or adjustment request) contains at least one service that is reimbursable. Allowed claims display on the Paid Claims Section of the RA with a dollar amount greater than "0" in the allowed amount fields. Only an allowed claim, which is also referred to as a claim in an allowed status, may be adjusted.

Denied Claim

A claim that was completely denied is considered to be in a denied status. To receive reimbursement for a claim that was completely denied, it must be corrected and submitted as a new claim.

Electronic

Even if the original claim was submitted on paper, providers may submit electronic adjustment requests using an 837 transaction.

Provider Electronic Solutions Software

The DHCAA offers electronic billing software at no cost to providers. The PES software allows providers to submit electronic adjustment requests using an 837 transaction. To obtain PES software, providers may download it from the [ForwardHealth Portal](#). Providers may also obtain the software by contacting the [EDI Helpdesk](#).

Follow-Up

Providers who believe an error has occurred or their issues have not been satisfactorily resolved have the following options:

- Submit a new adjustment request if the previous adjustment request is in an allowed status.
- Submit a new claim for the services if the adjustment request is in a denied status.
- Contact [Provider Services](#) for assistance with paper adjustment requests.
- Contact the [EDI Helpdesk](#) for assistance with electronic adjustment requests.

Paper

Paper adjustment requests must be submitted using the [Adjustment/Reconsideration Request](#) form.

Processing

Within 30 days of receipt, ForwardHealth generally reprocesses the original claim with the changes indicated on the adjustment request and responds on ForwardHealth remittance information.

Purpose

After reviewing both the claim and ForwardHealth [remittance information](#), a provider may determine that an allowed claim needs to be adjusted. Providers may file adjustment requests for reasons including the following:

- To correct billing or processing errors.
- To correct inappropriate payments (overpayments and underpayments).
- To add and delete services.
- To supply additional information that may affect the amount of reimbursement.
- To request professional consultant review (e.g., medical, dental).

Providers may initiate reconsideration of an allowed claim by submitting an adjustment request to ForwardHealth.

Submitting Paper Attachments with Electronic Claim Adjustments

Providers may submit [paper attachments to accompany electronic claim adjustments](#). Providers should refer to their [companion documents](#) for directions on indicating that a paper attachment will be submitted by mail.

Good Faith Claims

Definition

A good faith claim may be submitted when a claim is denied due to a discrepancy between the member's enrollment information in the claims processing system and the member's actual enrollment. If a member presents a temporary card or an EE card, BadgerCare Plus encourages providers to check the member's enrollment and, if the enrollment is not on file yet, make a photocopy of the member's temporary card or EE card. If Wisconsin's EVS indicates that the member is not enrolled in BadgerCare Plus, providers should check enrollment again in two days or wait one week to submit a claim to ForwardHealth. If the EVS indicates that the member still is not enrolled after two days, or if the claim is denied with an enrollment-related EOB code, providers should contact [Provider Services](#) for assistance.

Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Overpayments

Adjustment Request vs. Cash Refund

Except for nursing home and hospital providers, cash refunds may be submitted to ForwardHealth in lieu of an adjustment request. However, whenever possible, providers should submit an adjustment request for returning overpayments since both of the following are true:

- A cash refund does not provide documentation for provider records as an adjustment request does. (Providers may be required to submit proof of the refund at a later time.)
- Providers are not able to further adjust the claim after a cash refund is done if an additional reason for adjustment is determined.

Adjustment Requests

When correcting an overpayment through an adjustment request, providers may submit the adjustment request electronically or on paper. Providers should not submit provider-based billing claims through adjustment processing channels.

ForwardHealth processes an adjustment request if the provider is all of the following:

- Medicaid certified on the DOS.
- Not currently under investigation for Medicaid fraud or abuse.
- Not subject to any intermediate sanctions under [DHS 106.08](#), Wis. Admin. Code.
- Claiming and receiving ForwardHealth reimbursement in sufficient amounts to allow the recovery of the overpayment within a very limited period of time. The period of time is usually no more than 60 days.

Electronic Adjustment Requests

ForwardHealth will deduct the overpayment when the [electronic adjustment request](#) is processed. Providers should use the [companion document](#) for the appropriate 837 transaction when submitting adjustment requests.

Paper Adjustment Requests

For [paper adjustment requests](#), providers are required to do the following:

- Submit an [Adjustment/Reconsideration Request](#) form through normal processing channels (not Timely Filing), regardless of the DOS.
- Indicate the reason for the overpayment, such as a duplicate reimbursement or an error in the quantity indicated on the claim.

After the paper adjustment request is processed, ForwardHealth will deduct the overpayment from future reimbursement amounts.

Cash Refunds

When submitting a personal check to ForwardHealth for an overpayment, providers should include a copy of the RA for the claim to be adjusted and highlight the affected claim on the RA. If a copy of the RA is not available, providers should indicate the ICN, the NPI (if applicable), and the payee ID from the RA for the claim to be adjusted. The check should be sent to the following address:

ForwardHealth

Financial Services Cash Unit
6406 Bridge Rd
Madison WI 53784-0004

ForwardHealth-Initiated Adjustments

ForwardHealth may initiate an adjustment when a retroactive rate increase occurs or when an improper or excess payment has been made. ForwardHealth has the right to pursue overpayments resulting from computer or clerical errors that occurred during claims processing.

If ForwardHealth initiates an adjustment to recover overpayments, ForwardHealth remittance information will include details of the adjustment in the Claims Adjusted Section of the paper RA.

Requirements

As stated in [DHS 106.04\(5\)](#), Wis. Admin. Code, the provider is required to refund the overpayment within 30 days of the date of the overpayment if a provider receives overpayment for a claim because of duplicate reimbursement from ForwardHealth or other health insurance sources.

In the case of all other overpayments (e.g., incorrect claims processing, incorrect maximum allowable fee paid), providers are required to return the overpayment within 30 days of the date of discovery.

The return of overpayments may occur through one of the following methods:

- Return of overpayment through the adjustment request process.
- Return of overpayment with a cash refund.
- ForwardHealth-initiated adjustments.

Note: Nursing home and hospital providers may not return an overpayment with a cash refund. These providers routinely receive retroactive rate adjustments, requiring ForwardHealth to reprocess previously paid claims to reflect a new rate. This is not possible after a cash refund is done.

Responses

An Overview of the Remittance Advice

The RA provides important information about the processing of claims and adjustment requests as well as additional financial transactions such as refunds or recoupment amounts withheld. Providers will receive an RA from the appropriate ForwardHealth program when they have at least one claim, adjustment request, or financial transaction processed. An RA is generated regardless of how a claim or adjustment is submitted (electronically or on paper).

An Overview of the Remittance Advice

Providers who have a single NPI that is used for multiple certifications will receive an RA for each certification with the same NPI reported on each of the RAs. For instance, if a hospital has obtained a single NPI and the hospital has a clinic, a lab, and a pharmacy that are all certified by Medicaid, the clinic, the lab, and the pharmacy will submit separate claims that indicate the same NPI as the hospital. Separate RAs will be generated for the hospital, the clinic, the lab, and the pharmacy.

Calculating Totals on the Remittance Advice for Adjusted and Paid Claims

The total amounts for all adjusted or paid claims reported on the RA appear at the end of the adjusted claims and paid claims sections. ForwardHealth calculates the total by adding the amounts for all of the claims; cutback amounts are subtracted from the allowed amount to reach the total reimbursement for the claims.

Note: Some cutbacks that are reported in detail lines will appear as EOB codes and will not display an exact dollar amount.

Claim Number

Each claim or adjustment request received by ForwardHealth is assigned a unique claim number (also known as the ICN). However, denied claims submitted using the NCPDP 5.1 transaction are not assigned an ICN.

Interpreting Claim Numbers

The [ICN consists of 13 digits that identify valuable information](#) (e.g., the date the claim was received by ForwardHealth, how the claim was submitted) about the claim or adjustment request.

Claim Status

ForwardHealth generally processes claims and adjustment requests within 30 days of receipt. Providers may check the status of a claim or adjustment request using the [AVR](#) system or the 276/277 transaction.

If a claim or adjustment request does not appear in claim status within 45 days of the date of submission, a copy of the original claim or adjustment request should be resubmitted through normal processing channels.

ClaimCheck Review

ForwardHealth monitors claims for compliance with reimbursement policy using an automated procedure coding review software known as McKesson ClaimCheck®. ClaimCheck reviews claims submitted for billing inconsistencies and errors during claims processing. Insurance companies, Medicare, and other state Medicaid programs use similar software.

Explanation of benefit codes specific to the ClaimCheck review will appear on a provider's paper RA and electronic 835 transactions.

Areas Monitored by ClaimCheck

ClaimCheck monitors claims for the following situations:

- Unbundled procedures.
- Incidental/integral procedures.
- Mutually exclusive procedures.
- Medical visit billing errors.
- Preoperative and postoperative billing errors.
- Age-related billing errors.
- Cosmetic procedures.
- Gender-related billing errors.
- Medically obsolete procedures.
- Assistant surgeon billing errors.
- Modifier-related billing errors.
- Bilateral and duplicative procedures.

ClaimCheck will not review claims that have been denied for general billing errors, such as an invalid member identification number or an invalid or missing provider number. Providers will need to correct the general billing error and resubmit the claim, at which point ClaimCheck will review the claim.

Unbundled Procedures

Unbundling occurs when two or more procedure codes are used to describe a procedure that may be better described by a single, more comprehensive procedure code. ClaimCheck considers the single, most appropriate procedure code for reimbursement when unbundling is detected.

If certain procedure codes are submitted, ClaimCheck rebundles them into the single most appropriate procedure code. For example, if a provider submits a claim with procedure codes 12035 (Layer of closure of wounds, 12.6 cm to 20.0 cm) and 12036 (Layer closure of wounds, 20.1 cm to 30.0 cm), ClaimCheck rebundles them to procedure code 12037 (Layer closure of wounds over 30.0 cm).

ClaimCheck will also total billed amounts for individual procedures. For example, if the provider bills three procedures at \$20, \$30, and \$25, ClaimCheck rebundles them into a single procedure code, adds the three amounts, and calculates the billed amount for that rebundled code at \$75. Then, ForwardHealth reimburses the provider either the lesser of the billed amounts or the maximum allowable fee for that rebundled procedure code.

Incidental/Integral Procedures

Incidental procedures are those procedures performed at the same time as a more complex primary procedure. These require few additional provider resources and are generally not considered necessary to the performance of the primary procedure. For example, the removal of an asymptomatic appendix is considered an incidental procedure when done during hysterectomy surgery.

Integral procedures are those procedures performed as part of a more complex primary procedure. For example, when a member undergoes a transurethral incision of the prostate, the cystourethroscopy (procedure code 52000) is considered integral to the

performance of the prostate procedure and would be denied.

When a procedure is either incidental or integral to a major procedure, ClaimCheck considers only the primary procedure for reimbursement.

Mutually Exclusive Procedures

Mutually exclusive procedures are procedures that would not be performed on a single member on the same day or that use different codes to describe the same type of procedure.

For example, procedure code 58260 (Vaginal hysterectomy, for uterus 250 g or less) and procedure code 58150 (Total abdominal hysterectomy [corpus and cervix], with or without removal of tube[s], with or without removal of ovary[s]) are mutually exclusive — either one or the other, but not both procedures, is performed.

When two or more procedures are mutually exclusive, ForwardHealth considers for reimbursement the procedure code with the highest provider-billed amount and denies the other code.

Medical Visit Billing Errors

Medical visit billing errors occur if E&M services are reported separately when a substantial diagnostic or therapeutic procedure is performed. Under CMS guidelines, most E&M procedures are not allowed to be reported separately when a substantial diagnostic or therapeutic procedure is performed.

Medical visit edits monitor services included in CPT procedure ranges 92002-92019, 99024 (postoperative follow-up), 99026-99058 (special services), 99201-99456 (E&M codes) and HCPCS codes S0620, S0621 (routine ophthalmological examinations).

ClaimCheck monitors medical visits based on the type of E&M service (i.e., initial or new patient; or follow-up or established patient services) and the complexity (i.e., major or minor) of the accompanying procedure.

For example, if a provider submits procedures 22630 (Arthrodesis, posterior interbody technique, including laminectomy and/or discectomy to prepare interspace [other than for decompression], single interspace; lumbar) and 99221 (Initial hospital care, per day), ClaimCheck denies procedure 99221 as a visit when submitted with procedure 22630 with the same DOS. Procedure code 22630 is a major procedure with a 90-day global surgical period.

Preoperative and Postoperative Billing Errors

Preoperative and Postoperative billing errors occur when E&M services are billed with surgical procedures during their preoperative and postoperative periods. ClaimCheck bases the preoperative and postoperative periods on designations in the CMS National Physician Fee Schedule.

For example, if a provider submits procedure code 99212 (Office or outpatient visit for the evaluation and management of an established patient) with a DOS of 11/02/08 and procedure 27750 (Closed treatment of tibial shaft fracture [with or without fibular fracture]; without manipulation) with a DOS of 11/03/08, ClaimCheck will deny procedure code 99212 as a preoperative visit because it is submitted with a DOS one day prior to the DOS for procedure code 27750.

Age-Related Billing Errors

Age-related billing errors occur when a provider bills an age-specific procedure to a patient whose age is outside the designated age range.

For example, if a provider bills procedure code 43831 (Gastrostomy, open; neonatal, for feeding) for a 45 year-old patient, ClaimCheck will deny the procedure based on the fact that the patient does not meet the age criteria for a neonatal procedure.

Cosmetic Procedures

Surgical procedures that are performed without a medically indicated purpose are considered to be cosmetic procedures. Most of these procedures are requested by the member merely to improve physical appearance.

Gender-Related Billing Errors

Gender-related billing errors occur when a provider submits a gender-specific procedure for a patient of the opposite sex.

For example, if a provider submits procedure code 58150 (Total abdominal hysterectomy [corpus and cervix], with or without removal of tube[s], with or without removal of ovary[s]) for a male, ClaimCheck will deny the procedure based on the fact that procedure code 58150 is a female gender-specific procedure.

Medically Obsolete Procedures

Obsolete procedures are procedures that are no longer performed under prevailing medical standards. Claims for procedures designated as obsolete are denied.

Assistant Surgeon Billing Errors

ClaimCheck development and maintenance of assistant surgeon values includes two designations, *always* and *never*. ClaimCheck uses the ACS as its primary source for determining assistant surgeon designations.

For example, if a provider bills procedure code 10040 (Acne surgery [eg, marsupialization, opening or removal of multiple milia, comedones, cysts, pustules]) with modifier -80 (assistant surgeon), ClaimCheck determines that the procedure does not require an assistant surgeon and denies the procedure code.

Modifier Billing Errors

ClaimCheck accepts all CPT and HCPCS modifiers and performs procedure to modifier validity checks to determine if a procedure code is valid with a specific modifier.

Bilateral and Duplicative Procedures

ClaimCheck has identified five types of duplicate procedure billing errors that encompass duplicate procedures submitted with the same DOS. The five types of duplicative billing errors are as follows:

- If the description of the procedure code contains the word, "bilateral," the procedure can be performed only once on a single DOS.
- When the description of the procedure code contains the phrase, "unilateral/bilateral," the procedure can be performed only once on a single DOS.
- When the description of the procedure specifies "unilateral" and there is another procedure in which the description specifies "bilateral" performance of the same procedure, the unilateral procedure cannot be submitted more than once on a single DOS.

When the description of one procedure specifies a "single" procedure and the description of a second procedure specifies "multiple" procedures, the "single" procedure cannot be submitted more than once on a single DOS.

- When procedures that may be performed a specified number of times on a single DOS reach the maximum number of times, then additional submissions of the procedure are not recommended for reimbursement.
- When a CPT or HCPCS procedure is billed more than once on a single DOS but the CPT or HCPCS procedure is not normally billed in duplicate, the second procedure is denied.

Payments Denied as a Result of the ClaimCheck Review

Providers should take the following steps if they are uncertain about why particular services on a claim were denied:

- Review ForwardHealth remittance information for the specific reason for the denial.
- Review the claim submitted to ensure all information is accurate and complete.
- Consult current CPT and HCPCS publications to make sure proper coding instructions were followed.
- Consult current ForwardHealth publications to make sure current policy and billing instructions were followed.
- Call Provider Services for further information or explanation.

If a provider disagrees with ClaimCheck's determination, the provider may resubmit the claim with supporting documentation to Provider Service Written Correspondence. If the original claim is in an allowed status, the provider may submit an [Adjustment/Reconsideration Request](#), with supporting documentation and the words, "medical consultant review requested" written on the form, to Provider Services Written Correspondence.

Cutback Fields on the Remittance Advice for Adjusted and Paid Claims

Cutback fields indicate amounts that reduce the allowed amount of the claim. Examples of cutbacks include other insurance, member copayment, spenddown amounts, deductibles, or patient liability amounts. Amounts indicated in a cutback field are subtracted from the total allowed reimbursement.

Providers should note that cutback amounts indicated in the header of an adjusted or paid claim section apply only to the header. Not all cutback fields that apply to a detail line (such as copayments or spenddowns) will be indicated on the RA; the detail line EOB codes inform providers that an amount was deducted from the total reimbursement but may not indicate the exact amount.

Note: Providers who receive [835](#) transactions will be able to see all deducted amounts on paid and adjusted claims.

Electronic Remittance Information

Electronic remittance information may be obtained using the [835](#) transaction. It provides useful information regarding the processing of claims and adjustment requests, which includes the status or action taken on a claim, claim detail, adjustment, or adjustment detail for all claims and adjustments processed that week, regardless of whether they are reimbursed or denied. However, a claim submitted by a pharmacy using the NCPDP 5.1 transaction will not appear on remittance information if the claim is denied by ForwardHealth.

Provider Electronic Solutions Software

The DHCAA offers electronic billing software at no cost to the provider. The [PES](#) software allows providers to download the 835 transaction. To obtain PES software, providers may request the software through the [ForwardHealth Portal](#). Providers may also obtain the software by contacting the [EDI Helpdesk](#).

Explanation of Benefit Codes in the Claim Header and in the Detail Lines

EOB codes are four-digit numeric codes specific to ForwardHealth that correspond to a printed message about the status or action taken on a claim, claim detail, adjustment, or adjustment detail.

The claim processing sections of the RA report EOBs for the claim header information and for the detail lines, as appropriate. Header information is a summary of the information from the claim, such as the DOS that the claim covers or the total amount paid for the claim. Detail lines report information from the claim details, such as specific procedure codes or revenue codes, the amount billed for each code, and the amount paid for a detail line item.

Header EOBs are listed below the claim header information and pertain only to the header information. Detail line EOBs are listed after each detail line and pertain only to the detail line.

Identifying the Claims Reported on the Remittance Advice

The RA reports the first 12 characters of the MRN and/or a PCN, also referred to as Patient Account Number, submitted on the original claims. The MRN and PCN fields are located beneath the member's name on any section of the RA that reports claims processing information.

Providers are strongly encouraged to enter these numbers on claims. Entering the MRN and/or the PCN on claims may assist providers in identifying the claims reported on the RA.

Note: Claims processing sections for dental and drug claims do not include the MRN or the PCN.

Obtaining the Remittance Advice

One paper copy of each RA is mailed to the provider.

Providers who receive the paper RA may also access RAs through their secure ForwardHealth Portal accounts. The main page of the secure Portal account lists the last 10 RAs issued to the provider.

Providers may choose to opt out of receiving a paper RA by sending a written request to the following address:

ForwardHealth
Provider Maintenance
6406 Bridge Rd
Madison WI 53784-0006

Note: Providers who do not receive a paper RA can not view the RA on the Portal. Providers who opt out of receiving the paper RA should make sure they receive the electronic 835 transaction.

Providers may obtain additional paper copies of the RA by sending a written request to the following address:

ForwardHealth
Written Correspondence
6406 Bridge Rd
Madison WI 53784-0005

Providers may call [Provider Services](#) to request additional paper copies of the RA.

Overview of Claims Processing Information on the Remittance Advice

The claims processing sections of the RA includes information submitted on claims and the status of the claims. The claim status designations are paid, adjusted, or denied. The RA also supplies information about why the claim was adjusted or denied or how the reimbursement was calculated for the payment.

The claims processing information in the RA is grouped by the type of claim and the status of the claim. Providers receive claims processing sections that correspond to the types of claims that have been finalized during the current financial cycle.

The [claims processing sections](#) reflect the types of claims submitted, such as the following:

- Compound drug claims.
- Dental claims.
- Drug claims.
- Inpatient claims.
- Long term care claims.
- Medicare crossover institutional claims.
- Medicare crossover professional claims.
- Outpatient claims.
- Professional claims.

The claims processing sections are divided into the following status designations:

- Adjusted claims.
- Denied claims.
- Paid claims.

Reading Non-Claims Processing Sections of the Remittance Advice

Address Page

The Address page displays the provider name and "Pay to" address of the provider for purposes of mailing the paper RA.

Banner Messages

The [Banner Messages](#) section of the RA contains important, time-sensitive messages for providers. For example, banner messages might inform providers of claim adjustments initiated by ForwardHealth, claim submission deadlines, and dates of upcoming training sessions. It is possible for each RA to include different messages, so providers who receive multiple RAs should read all of their banner messages.

Explanation of Benefits Code Descriptions

The [EOB Code Descriptions](#) section lists all EOB codes reported on the RA with corresponding descriptions.

Financial Transactions Page

The [Financial Transactions](#) section details the provider's weekly financial activity. Financial transactions reported on the RA include payouts, refunds, accounts receivable, and payments for claims.

Payouts are payments made to the provider by ForwardHealth that do not correspond to a specific claim (i.e., nursing home assessment reimbursement).

Refunds are payments made to providers for overpayments.

The Accounts Receivable section displays the accounts receivable for amounts owed by providers. The accounts receivable is set to automatically recover any outstanding balance so that money owed is automatically recouped from the provider. If the full amount cannot be recouped during the current financial cycle, an outstanding balance will appear under "Accounts Receivable." The "Total Recoupment" field lists the cumulative amount recovered for the accounts receivable.

Every financial transaction that results in the creation of an accounts receivable is assigned an identification number called the "adjustment ICN." The adjustment ICN for an adjusted claim matches the original ICN assigned to the adjusted claim. For other financial transactions, the adjustment ICN is determined by the following formula.

Type of Character and Description	Applicable Characters and Description
Transaction — The first character indicates the type of financial transaction that created the accounts receivable.	V — Capitation adjustment 1 — OBRA Level 1 screening void request 2 — OBRA Nurse Aide Training/Testing void request
Identifier — 10 additional numbers are assigned to complete the Adjustment ICN.	The identifier is used internally by ForwardHealth.

Service Code Descriptions

The [Service Code Descriptions](#) section lists all the service codes (i.e., procedure codes or revenue codes) reported on the RA with their corresponding descriptions.

Summary

The [Summary](#) section reviews the provider's claim activity and financial transactions with the payer (Medicaid, WCDP, or WWWP) for the current financial cycle, the month-to-date, and the year-to-date, if applicable.

Under the "Claims Data" heading, providers can review the total number of claims that have been paid, adjusted, or denied along with the total amount reimbursed for all paid and adjusted claims. Only WWWP providers will see amounts reported for "Claims in Process." Other providers will always see zeroes in these fields.

Under the "Earnings Data" heading, providers will see total reimbursement amounts for other financial transactions, such as reimbursement for OBRA Level 1 screening, reimbursement for OBRA Nurse Aid Training/Testing, and capitation payments.

Note: HMOs should note that capitation payments are only reported in the Summary section of the RA. HMOs receive supplemental reports of their financial transactions from ForwardHealth.

The "Earnings Data" portion also summarizes refunds and voids and reports the net payment for the current financial cycle, the month-to-date, and the year-to-date, if applicable.

Providers should note that the Summary section will include outstanding checks 90 days after issuance and/or payments made to lien holders, if applicable.

Reading the Claim Adjustments Section of the Remittance

Advice

Providers receive a [Claim Adjustments section](#) in the RA if any of their claims were adjusted during the current financial cycle. A claim may be adjusted because one of the following occurred:

- An adjustment request was submitted by the provider.
- ForwardHealth initiated an adjustment.
- A cash refund was submitted to ForwardHealth.

In a claim adjustments section, the original claim information in the claim header is surrounded by parentheses. Information about the adjusted claim appears directly below the original claim header information. Providers should check the Adjustment EOB code(s) for a summary of why the claim was adjusted; other header EOBs will provide additional information.

The claim adjustments section lists detail lines only for the adjusted claim with detail line EOBs. Details from the original claim will not be reported on the adjusted claims sections of the RA.

Note: For adjusted drug claims, only the compound drug sections include detail lines.

Below the claim header and the detail information will be located one of three possible responses with a corresponding dollar amount: "additional payment," "overpayment to be withheld," or "refund amount applied."

An amount appears for "additional payment" if ForwardHealth owes additional monies to the provider after the claim has been adjusted. This amount will be added to the provider's total reimbursable amount for the RA.

An amount appears for "overpayment to be withheld" if ForwardHealth determines, as the result of an adjustment to the original claim, that the provider owes ForwardHealth monies. ForwardHealth automatically withholds this amount from payments made to the provider during the same financial cycle or during subsequent financial cycles, if necessary. This amount also appears in the Financial Transactions section as an outstanding balance under "Accounts Receivable."

An amount appears for "refund amount applied" if ForwardHealth makes a payment to refund a cash receipt to a provider.

Reading the Claims Denied Section of the Remittance Advice

Providers receive a [Claims Denied](#) section in the RA if any of their claims were denied during the current financial cycle.

In the denied claims section, providers will see the original claim header information reported along with EOB codes for the claim header and the detail lines, as applicable. Providers should refer to the EOB Code Description section of the RA to determine why the claim was denied.

Reading the Claims Paid Section of the Remittance Advice

Providers receive a [Claims Paid](#) section in the RA if any of their claims were determined payable during the current financial cycle.

In a paid claims section, providers will see the original claim information reported along with EOB codes for both the header and the detail lines, if applicable. Providers should refer to the EOB Code Description section of the RA for more information about how the reimbursement amount was determined.

Remittance Advice Financial Cycles

Each financial payer (Medicaid, WCDP, and WWWP) has separate financial cycles that occur on different days of the week. RAs are produced and mailed to providers after each financial cycle is completed. Therefore, providers might receive RAs from different payers on different days of the week.

Certain financial transactions may run on a daily basis, including non-claim related payouts and stop payment reissues. Providers may receive the RAs generated by these financial transactions at any time during the week.

Remittance Advice Generated by Payer and by Provider Certification

Providers may receive an RA from one or more of the following ForwardHealth financial payers:

- Wisconsin Medicaid (Wisconsin Medicaid is the financial payer for the Medicaid, BadgerCare Plus, and SeniorCare programs).
- WCDP.
- WWWP.

Note: Each of the three payers generate separate RAs for the claims, adjustment requests, or other financial transactions submitted to the payer. A provider who submits claims, adjustment requests, or other financial transactions to more than one of these payers may receive several RAs.

The RA is generated per provider certification. Providers who have a single NPI that is used for multiple certifications should be aware that an RA will be generated for each certification, but the same NPI will be reported on each of the RAs.

For instance, a hospital has obtained a single NPI. The hospital has a clinic, a lab, and a pharmacy that are all certified with ForwardHealth. The clinic, the lab, and the pharmacy submit separate claims that indicate the same NPI as the hospital. Separate RAs will be generated for the hospital, the clinic, the lab, and the pharmacy.

Reporting a Lost Check

To report a lost check to ForwardHealth, providers are required to mail or fax a letter to ForwardHealth Financial Services. Providers are required to include the following information in the letter:

- Provider's name and address, including the ZIP+4 code.
- Provider's identification number.
 - For healthcare providers, include the NPI and ForwardHealth-issued taxonomy code.
 - For non-healthcare providers, include the provider identification number.
- Check number, check date, and check amount. (This should be recorded on the RA.)
- A written request to stop payment and reissue the check.
- The signature of an authorized financial representative. (An individual provider is considered his or her own authorized financial representative.)

Fax the letter to ForwardHealth at (608) 221-4567 or mail it to the following address:

ForwardHealth
 Financial Services
 6406 Bridge Rd
 Madison WI 53784-0005

Searching for and Viewing All Claims on the Portal

All claims, including pharmacy and dental, will be available for viewing on the Portal.

To search and view claims on the Portal, providers may do the following:

- Go to the ForwardHealth Portal.
- Log in to the secure Provider area of the Portal.
- The most recent claims processed by ForwardHealth will be viewable on the provider's home page or the provider may select "claim search" and enter the applicable information to search for additional claims.
- Select the claim the provider wants to view.

Sections of the Remittance Advice

The RA includes the following sections:

- Address page.
- Banner messages.
- Paper check, if applicable.
- Claims processing information.
- EOB code descriptions.
- Financial transactions.
- Service code descriptions.
- Summary.

Remittance Advice Header Information

The first page of each section of the RA (except the address page) displays the same RA header information.

The following fields are on the left-hand side of the header:

- The technical name of the RA section (e.g., CRA-TRAN-R), which is an internal ForwardHealth designation.
- The RA number, which is a unique number assigned to each RA that is generated.
- The name of the payer (Medicaid, WCDP, or WWWP).
- The "Pay to" address of the provider. The "Pay to" address is used for mailing purposes.

The following information is in the middle of the header:

- A description of the financial cycle.
- The name of the RA section (e.g., "Financial Transactions" or "Professional Services Claims Paid").

The right-hand side of the header reports the following information:

- The date of the financial cycle during which the RA was generated.
- The page number.
- The "Payee ID" of the provider. A payee ID is defined as the identification number of a unique entity receiving payment for goods and/or services from ForwardHealth. The payee ID is up to 15 characters long and may be based on a pre-existing identification number, such as the Medicaid provider number. The payee ID is an internal ForwardHealth designation. The Medicaid provider number will display in this field for providers who do not have an NPI.
- The NPI of the provider, if applicable. This field will be blank for those providers who do not have an NPI.
- The number of the check issued for the RA, if applicable. The date of payment on the check, if applicable.

Verifying Accuracy of Claims Processing

After obtaining ForwardHealth remittance information, providers should compare it to the claims or adjustment requests to verify that ForwardHealth processed elements of the claims or adjustment requests as submitted. To ensure correct reimbursement, providers should do the following:

- Identify and correct any discrepancy that affected the way a claim processed.
- Correct and resubmit claims that are denied.
- Submit an adjustment request for allowed claims that require a change or correction.

When posting a payment or denial to a member's account, providers should note the date on the ForwardHealth remittance information that indicates that the claim or adjustment has finalized. Providers are required to supply this information if further follow-up actions are necessary.

Responsibilities

Accuracy of Claims

The provider is responsible for the accuracy, truthfulness, and completeness of all claims submitted whether prepared or submitted by the provider or by an outside billing service or clearinghouse.

Providers may submit claims only *after* the service is provided.

A provider may not seek reimbursement from ForwardHealth for a [noncovered service](#) by charging ForwardHealth for a [covered service](#) that was not actually provided to the member and then applying the reimbursement toward the noncovered service. In addition, a provider may not seek reimbursement for two separate covered services to receive additional reimbursement over the maximum allowed amount for the one service that was provided. Such actions are considered fraudulent.

Copayment Amounts

[Copayment amounts](#) collected from members should not be deducted from the charges submitted on claims. Providers should indicate their usual and customary charges for all services provided.

In addition, copayment amounts should not be included when indicating the amount paid by other health insurance sources.

The appropriate copayment amount is automatically deducted from allowed payments. Remittance information reflects the automatic deduction of applicable copayment amounts.

Exceptions to the Submission Deadline

State and federal laws provide eight exceptions to the submission deadline. According to federal regulations and [DHS 106.03](#), Wis. Admin. Code, ForwardHealth may consider exceptions to the submission deadline only in the following circumstances:

- Change in a nursing home resident's [level of care](#) or [liability amount](#).
- Decision made by a court order, fair hearing, or the DHS.
- Denial due to discrepancy between the member's enrollment information in ForwardHealth interChange and the member's actual enrollment.
- Reconsideration or recoupment.
- Retroactive enrollment for persons on GR.
- Medicare denial occurs after ForwardHealth's submission deadline.
- Refund request from an other health insurance source.
- Retroactive member enrollment.

ForwardHealth has no authority to approve any other exceptions to the submission deadline.

Claims or adjustment requests that meet one of the exceptions to the submission deadline may be submitted to [Timely Filing](#).

Submission Deadline

ForwardHealth recommends that providers submit claims at least on a monthly basis. Billing on a monthly basis allows the maximum time available for filing and refiling before the mandatory submission deadline.

With few exceptions, state and federal laws require that providers submit correctly completed claims before the submission deadline.

Providers are responsible for resolving claims. Members are not responsible for resolving claims. To resolve claims before the submission deadline, ForwardHealth encourages providers to use all available resources.

Claims

To receive reimbursement, claims and adjustment requests must be received within 365 days of the DOS. This deadline applies to claims, corrected claims, and adjustments to claims.

Crossover Claims

To receive reimbursement for services that are allowed by Medicare, claims and adjustment requests for coinsurance, copayment, and deductible must be received within 365 days of the DOS or within 90 days of the Medicare processing date, whichever is later. This deadline applies to all claims, corrected claims, and adjustments to claims. Providers should submit these claims through normal processing channels (not timely filing).

Usual and Customary Charges

For most services, providers are required to indicate their usual and customary charge when submitting claims. The usual and customary charge is the provider's charge for providing the same service to persons not entitled to the program's benefits. For providers using a sliding fee scale, the usual and customary charge is the median of the individual provider's charge for the service when provided to non-program patients. For providers who have not established usual and customary charges, the charge should be reasonably related to the provider's cost for providing the service.

Providers may not discriminate against BadgerCare Plus or Medicaid members by charging a higher fee for the same service than that charged to a private-pay patient.

For services requiring a member copayment, providers should still indicate their usual and customary charge. The copayment amount collected from the member should not be deducted from the charge submitted. When applicable, BadgerCare Plus automatically deducts the copayment amount.

For most services, BadgerCare Plus reimburses the lesser of the provider's usual and customary charge or the maximum allowable fee established.

Submission

Attached Documentation

Providers should not submit additional documentation with a claim *unless* specifically requested.

Correct Errors on Claims and Resubmit to ForwardHealth on the Portal

Providers can view EOB codes and descriptions for any claim submitted to ForwardHealth on the Portal. The EOBs will be useful for providers to determine why a claim did not process successfully, so the provider may correct the error online and resubmit the claim. The EOB will appear on the bottom of the screen and will reference the applicable claim header or detail.

Direct Data Entry of Professional and Institutional Claims on the Portal

Providers can submit professional and institutional claims to ForwardHealth via DDE on the Portal. DDE is an online application that allows providers to submit claims directly to ForwardHealth. DDE is not available for dental or pharmacy claims at this time.

When submitting claims via DDE, required fields are indicated with an asterisk next to the field. If a required field is left blank, the claim will not be submitted and a message will appear prompting the provider to complete the specific required field(s). Portal help is available for each online application screen. In addition, search functions accompany certain fields so providers do not need to look up the following information in secondary resources.

On professional claim forms, providers may search for and select the following:

- Procedure codes.
- Modifiers.
- Diagnosis codes.
- Place of service codes.

On institutional claim forms, providers may search for and select the following:

- Type of bill.
- Patient status.
- Admission source.
- Admission type.
- Diagnosis codes.
- Revenue codes.
- Procedure codes.
- Modifiers.

Fields within the claim form will automatically calculate totals for providers, eliminating potential clerical errors.

Electronic Claims Submission

Providers are encouraged to submit claims electronically. Electronic claims submission does the following:

- Adapts to existing systems.
- Allows flexible submission methods.
- Improves cash flow.
- Offers efficient and timely payments.
- Reduces billing and processing errors.
- Reduces clerical effort.

Electronic claims for CSP services must be submitted using the 837P transaction. Electronic claims for CSP services submitted using any transaction other than the 837P will be denied.

Providers should use the [companion document](#) for the 837P transaction when submitting these claims.

Provider Electronic Solutions Software

The DHCAA offers electronic billing software at no cost to the provider. The PES software allows providers to submit electronic claims using the 837 transaction. To obtain [PES software](#), providers may request the software through the ForwardHealth Portal. Providers may also obtain the software by contacting the [DHCAA EDI Helpdesk](#).

Extraordinary Claims

[Extraordinary claims](#) are claims that have been denied by a BadgerCare Plus HMO or SSI HMO and should be submitted to fee-for-service.

HIPAA-Compliant Data Requirements

Procedure Codes

All fields submitted on paper and electronic claims are edited to ensure HIPAA compliance before being processed. Compliant code sets include CPT and HCPCS procedure codes entered into all fields, including those fields that are "Not Required" or "Optional."

If the information in all fields are not valid and recognized by ForwardHealth, the claim will be denied.

Provider Numbers

For health care providers, NPIs are required in all provider number fields on paper claims and 837 transactions, including rendering, billing, referring, prescribing, attending, and "Other" provider fields.

Non-healthcare providers, including personal care providers, SMV providers, blood banks, and CCOs should enter valid provider numbers into fields that require a provider number.

Managed Care Organizations

Claims for services that are covered in a member's state-contracted MCO should be submitted to that MCO.

Noncertified Providers

Claims from [noncertified in-state providers](#) must meet additional requirements.

Paper Claim Form Preparation and Data Alignment Requirements

Optical Character Recognition

Paper claims submitted to ForwardHealth on the 1500 Health Insurance Claim Form and UB-04 Claim Form are processed using OCR software that recognizes printed, alphanumeric text. OCR software increases efficiency by alleviating the need for keying in data from paper claims.

The data alignment requirements do not apply to the [Compound Drug Claim](#) and the [Noncompound Drug Claim](#).

Speed and Accuracy of Claims Processing

OCR software processes claim forms by reading text within fields on claim forms. After a paper claim form is received by ForwardHealth, the claim form is scanned so that an image can be displayed electronically. The OCR software reads the electronic image on file and populates the information into the ForwardHealth interChange system. This technology increases accuracy by removing the possibility of errors being made during manual keying.

OCR software speeds paper claim processing, but only if providers prepare their claim forms correctly. In order for OCR software to read the claim form accurately, the quality of copy and the alignment of text within individual fields on the claim form need to be precise. If data are misaligned, the claim could be processed incorrectly. If data cannot be read by the OCR software, the process will stop and the electronic image of the claim form will need to be reviewed and keyed manually. This will cause an increase in processing time.

Handwritten Claims

Submitting handwritten claims should be avoided whenever possible. ForwardHealth accepts handwritten claims; however, it is very difficult for OCR software to read a handwritten claim. If a handwritten claim cannot be read by the OCR software, it will need to be keyed manually from the electronic image of the claim form. Providers should avoid submitting claims with handwritten corrections as this can also cause OCR software processing delays.

Use Original Claim Forms

Only original 1500 Health Insurance Claim Forms and UB-04 Claim Forms should be submitted. Original claim forms are printed in red ink and may be obtained from a federal forms supplier. ForwardHealth does not provide these claim forms. Claims that are submitted as photocopies cannot be read by OCR software and will need to be keyed manually from an electronic image of the claim form. This could result in processing delays.

Use Laser or Ink Jet Printers

It is recommended that claims are printed using laser or ink jet printers rather than printers that use DOT matrix. DOT matrix printers have breaks in the letters and numbers, which may cause the OCR software to misread the claim form. Use of old or worn ink cartridges should also be avoided. If the claim form is read incorrectly by the OCR software, the claim may be denied or reimbursed incorrectly. The process may also be stopped if it is unable to read the claim form, which will cause a delay while it is manually reviewed.

Alignment

Alignment within each field on the claim form needs to be accurate. If text within a field is aligned incorrectly, the OCR software may not recognize that data are present within the field or may not read the data correctly. For example, if a reimbursement amount of

\$300.00 is entered into a field on the claim form, but the last "0" is not aligned within the field, the OCR software may read the number as \$30.00, and the claim will be reimbursed incorrectly.

To get the best alignment on the claim form, providers should center information vertically within each field, and align all information on the same horizontal plane. Avoid squeezing two lines of text into one of the six line items on the 1500 Health Insurance Claim Form.

The following sample claim forms demonstrate correct and incorrect alignment:

- [Correct alignment](#) for the 1500 Health Insurance Claim Form.
- [Incorrect alignment](#) for the 1500 Health Insurance Claim Form.
- [Correct alignment](#) for the UB-04 Claim Form.
- [Incorrect alignment](#) for the UB-04 Claim Form.

Clarity

Clarity is very important. If information on the claim form is not clear enough to be read by the OCR software, the process may stop, prompting manual review.

The following guidelines will produce the clearest image and optimize processing time:

- Use 10-point or 12-point Times New Roman or Courier New font.
- Type all claim data in uppercase letters.
- Use only black ink to complete the claim form.
- Avoid using italics, bold, or script.
- Make sure characters do not touch.
- Make sure there are no lines from the printer cartridge anywhere on the claim form.
- Avoid using special characters such as dollar signs, decimals, dashes, asterisks, or backslashes, unless it is specified that these characters should be used.
- Use Xs in check boxes. Avoid using letters such as "Y" for "Yes," "N" for "No," "M" for "Male," or "F" for "Female."
- Do not highlight any information on the claim form. Highlighted information blackens when it is imaged, and the OCR software will be unable to read it.

Note: The above guidelines will also produce the clearest image for claims that need to be keyed manually from an electronic image.

Staples, Correction Liquid, and Correction Tape

The use of staples, correction liquid, correction tape, labels, or stickers on claim forms should be avoided. Staples need to be removed from claim forms before they can be imaged, which can damage the claim and cause a delay in processing time. Correction liquid, correction tape, labels, and stickers can cause data to be read incorrectly or cause the OCR process to stop, prompting manual review. If the form cannot be read by the OCR software, it will need to be keyed manually from an electronic image.

Additional Diagnosis Codes

ForwardHealth will accept up to eight diagnosis codes in Element 21 of the 1500 Health Insurance Claim Form. To correctly add additional diagnosis codes in this element so that it can be read properly by the OCR software, providers should indicate the fifth diagnosis code between the first and third diagnosis code blanks, the sixth diagnosis code between the second and fourth diagnosis code blanks, the seventh diagnosis code to the right of the third diagnosis code blank, and the eighth diagnosis code to the right of the fourth diagnosis code blank. Providers should not number any additional diagnosis codes.

Anchor Fields

Anchor fields are areas on the 1500 Health Insurance Claim Form and the UB-04 Claim Form that the OCR software uses to

identify what type of form is being processed. The following fields on the 1500 Health Insurance Claim Form are anchor fields:

- Element 2 (Patient's Name).
- Element 4 (Insured's Name).
- Element 24 (Detail 1).

The following fields on the UB-04 Claim Form are anchor fields:

- Form Locator 4 (Type of Bill).
- Form Locator 5 (Fed. Tax No.).
- Form Locator 9 (Patient Address).
- Form Locator 58A (Insured's Name).

Since ForwardHealth uses these fields to identify the form as a 1500 Health Insurance Claim Form or a UB-04 Claim Form, it is required that these fields are completed for processing.

Paper Claim Submission

Paper claims for CSP services must be submitted using the 1500 Health Insurance Claim Form (dated 08/05). Claims for CSP services submitted on any other claim form will be denied.

Providers should use the appropriate claim form instructions for CSP services when submitting these claims.

Obtaining the Claim Forms

ForwardHealth does not provide the 1500 Health Insurance Claim Form. The forms may be obtained from any federal forms supplier.

Submitting Paper Attachments with Electronic Claims

Providers may submit paper attachments to accompany electronic claims and electronic claim adjustments. Providers should refer to their [companion documents](#) for directions on indicating that a paper attachment will be submitted by mail.

Paper attachments that go with electronic claim transactions must be submitted with the [Claim Form Attachment Cover Page](#). Providers are required to indicate an ACN for paper attachment(s) submitted with electronic claims. (The ACN is an alphanumeric entry between 2 and 80 digits assigned by the provider to identify the attachment.) The ACN must be indicated on the cover page so that ForwardHealth can match the paper attachment(s) to the correct electronic claim.

ForwardHealth will hold an electronic claim transaction or a paper attachment(s) for up to 30 calendar days to find a match. If a match cannot be made within 30 days, the claim will be processed without the attachment and will be denied if an attachment is required. When such a claim is denied, both the paper attachment(s) and the electronic claim will need to be resubmitted.

Providers are required to send paper attachments relating to electronic claim transactions to the following address:

ForwardHealth
Claims and Adjustments
6406 Bridge Rd
Madison WI 53784-0002

Timely Filing Appeals Requests

Requirements

When a claim or adjustment request meets one of the [exceptions](#) to the submission deadline, the provider may submit a [Timely Filing Appeals Request](#) form. The Timely Filing Appeals Request form may be submitted with either a paper claim or an electronic claim.

DOS that are beyond the submission deadline should be submitted separately from DOS that are within the deadline. Claims or adjustment requests received that contain both current and late DOS are processed through normal channels without review by Timely Filing. Late DOS will be denied.

Resubmission

Decisions on [Timely Filing Appeals Requests](#) cannot be appealed. Providers may resubmit the claim to Timely Filing if both of the following occur:

- The provider submits additional documentation as requested.
- ForwardHealth receives the documentation before the specified deadline for the exception to the submission deadline.

Submission

To receive consideration for an exception to the submission deadline, providers are required to submit the following:

- A properly completed [Timely Filing Appeals Request](#) form.
- A legible claim or adjustment request.
- All required documentation as specified for the exception to the submission deadline.

To receive consideration, a Timely Filing Appeals Request must be received before the deadline specified for the exception to the submission deadline.

When completing the claim or adjustment request, providers are required to indicate the procedure code, diagnosis code, POS code, etc., as effective for the DOS. However, providers should use the current claim form and instructions or adjustment request form and instructions. Reimbursement for Timely Filing Appeals Requests is contingent upon the claim or adjustment request meeting program requirements for the DOS.

The following table lists the filing deadlines and documentation requirements as they correspond to each of the eight allowable exceptions.

Change in Nursing Home Resident's Level of Care or Liability Amount		
Description of the Exception	Documentation Requirements	Submission Address
This exception occurs when a nursing home claim is initially received within the submission deadline and reimbursed incorrectly due to a change in the member's authorized level of care or liability amount.	To receive consideration, the request must be submitted within 455 days from the DOS and the correct liability amount or level of care must be indicated on the Adjustment/Reconsideration Request form. The most recent claim number (also known as the ICN) must be indicated on the Adjustment/Reconsideration	ForwardHealth Timely Filing Ste 50 6406 Bridge Rd Madison WI 53784-0050

	Request form. This number may be the result of a ForwardHealth-initiated adjustment.	
Decision Made by a Court, Fair Hearing, or the Department of Health Services		
Description of the Exception	Documentation Requirements	Submission Address
This exception occurs when a decision is made by a court, fair hearing, or the DHS.	To receive consideration, the request must be submitted within 90 days from the date of the decision of the hearing. A complete copy of the notice received from the court, fair hearing, or DHS must be submitted with the request.	ForwardHealth Timely Filing Ste 50 6406 Bridge Rd Madison WI 53784-0050

Denial Due to Discrepancy Between the Member's Enrollment Information in ForwardHealth interChange and the Member's Actual Enrollment		
Description of the Exception	Documentation Requirements	Submission Address
This exception occurs when a claim is initially received by the deadline but is denied due to a discrepancy between the member's enrollment information in ForwardHealth interChange and the member's actual enrollment.	To receive consideration, the following documentation must be submitted within 455 days from the DOS: <ul style="list-style-type: none"> • A copy of remittance information showing the claim was submitted in a timely manner and denied with a qualifying enrollment-related explanation. • A photocopy of one of the following indicating enrollment on the DOS: <ul style="list-style-type: none"> ◦ White paper BadgerCare Plus EE for pregnant women or children identification card. ◦ Green paper temporary identification card. ◦ White paper PE for the FPW identification card. ◦ The response received through the EVS from a commercial eligibility vendor. ◦ The transaction log number received through WiCall. 	ForwardHealth Good Faith/Timely Filing Ste 50 6406 Bridge Rd Madison WI 53784-0050

ForwardHealth Reconsideration or Recoupment		
Description of the Exception	Documentation Requirements	Submission Address
This exception occurs when ForwardHealth reconsiders a previously processed claim. ForwardHealth will initiate an adjustment on a previously paid claim.	If a subsequent provider submission is required, the request must be submitted within 90 days from the date of the RA message. A copy of the RA message that shows the ForwardHealth-initiated adjustment must be submitted with the request.	ForwardHealth Timely Filing Ste 50 6406 Bridge Rd Madison WI 53784-0050

Retroactive Enrollment for Persons on General Relief		
Description of the Exception	Documentation Requirements	Submission Address

This exception occurs when the local county or tribal agency requests a return of a GR payment from the provider because a member has become retroactively enrolled for Wisconsin Medicaid or BadgerCare Plus.	To receive consideration, the request must be submitted within 180 days from the date the backdated enrollment was added to the member's enrollment information. The request must be submitted with one of the following: <ul style="list-style-type: none"> • "GR retroactive enrollment" indicated on the claim. • A copy of the letter received from the local county or tribal agency. 	ForwardHealth GR Retro Eligibility Ste 50 6406 Bridge Rd Madison WI 53784-0050
--	--	--

Medicare Denial Occurs After the Submission Deadline		
Description of the Exception	Documentation Requirements	Submission Address
<p>This exception occurs when claims submitted to Medicare (within 365 days of the DOS) are denied by Medicare after the 365-day submission deadline. A waiver of the submission deadline will not be granted when Medicare denies a claim for one of the following reasons:</p> <ul style="list-style-type: none"> • The charges were previously submitted to Medicare. • The member name and identification number do not match. • The services were previously denied by Medicare. • The provider retroactively applied for Medicare enrollment and did not become enrolled. 	<p>To receive consideration, the following must be submitted within 90 days of the Medicare processing date:</p> <ul style="list-style-type: none"> • A copy of the Medicare remittance information. • The appropriate Medicare disclaimer code must be indicated on the claim. 	ForwardHealth Timely Filing Ste 50 6406 Bridge Rd Madison WI 53784-0050

Refund Request from an Other Health Insurance Source		
Description of the Exception	Documentation Requirements	Submission Address
This exception occurs when an other health insurance source reviews a previously paid claim and determines that reimbursement was inappropriate.	<p>To receive consideration, the following documentation must be submitted within 90 days from the date of recoupment notification:</p> <ul style="list-style-type: none"> • A copy of the commercial health insurance remittance information. • A copy of the remittance information showing recoupment for crossover claims when Medicare is recouping payment. 	ForwardHealth Timely Filing Ste 50 6406 Bridge Rd Madison WI 53784-0050

Retroactive Member Enrollment		
Description of the Exception	Documentation Requirements	Submission Address
This exception occurs when a claim cannot be submitted within the submission deadline due to a delay in the determination of a member's retroactive	To receive consideration, the request must be submitted within 180 days from the date the backdated enrollment was added to the member's enrollment information. In addition, "retroactive enrollment" must be indicated on the	ForwardHealth Timely Filing Ste 50 6406 Bridge Rd

enrollment.

claim.

Madison WI 53784-0050

Coordination of Benefits

3

Archive Date:06/01/2009

Coordination of Benefits:Commercial Health Insurance

Assignment of Insurance Benefits

Assignment of insurance benefits is the process by which a specified party (e.g., provider or policyholder) becomes entitled to receive payment for claims in accordance with the insurance company policies.

Commercial health insurance companies may permit reimbursement to the provider or member. Providers should verify whether commercial health insurance benefits may be assigned to the provider. As indicated by the commercial health insurance, providers may be required to obtain approval from the member for this assignment of benefits.

If the provider is assigned benefits, providers should bill the commercial health insurance.

If the member is assigned insurance benefits, it is appropriate to submit a claim to ForwardHealth without billing the commercial health insurance. In this instance providers should indicate the appropriate other insurance indicator. ForwardHealth will bill the commercial health insurance.

Claims for Services Denied by Commercial Health Insurance

If commercial health insurance denies or recoups payment for services that are covered, the provider may submit a claim for those services. To allow payment in this situation, providers are encouraged to follow the requirements (e.g., request PA before providing the service for covered services that require PA). If the requirements are followed, BadgerCare Plus may reimburse for the service up to the allowed amount (less any payments made by other health insurance sources).

Commercial Fee-for-Service

Fee-for-service commercial health insurance is the traditional health care payment system under which providers receive a payment for each unit of service provided rather than a capitation payment for each member. Such insurance usually does not restrict health care to a particular network of providers.

Commercial Managed Care

A commercial managed care plan provides coverage through a specified group of providers in a particular service area. The providers may be under contract with the commercial health insurance and receive payment based on the number of patients seen (i.e., capitation payment).

Commercial managed care plans require members to use a designated network of providers. Non-network providers (i.e., providers who do not have a contract with the member's commercial managed care plan) will be reimbursed by the commercial managed care plan *only* if they obtain a referral or provide an emergency service.

Except for emergency services and covered services that are not covered under the commercial managed care plan, members enrolled in both a commercial managed care plan and BadgerCare Plus (i.e., state-contracted MCO, fee-for-service) are required to receive services from providers affiliated with the commercial managed care plan. In this situation, providers are required to refer the members to commercial managed care providers. This is necessary because commercial health insurance is always primary to BadgerCare Plus.

BadgerCare Plus will *not* reimburse the provider if the commercial managed care plan denied or would deny payment because a service otherwise covered under the commercial managed care plan was performed by a provider outside the plan. In addition, if a member receives a covered service outside his or her commercial managed care plan, the provider cannot collect payment from the member.

Definition of Commercial Health Insurance

Commercial health insurance is defined as any type of health benefit not obtained from Medicare or Wisconsin Medicaid and BadgerCare Plus. The insurance may be employer-sponsored or privately purchased. Commercial health insurance may be provided on a fee-for-service basis or through a managed care plan.

Discounted Rates

Providers of services that are discounted by commercial health insurance should include the following on claims submitted:

- Their [usual and customary charge](#).
- The appropriate other insurance indicator.
- The amount, if any, actually received from commercial health insurance as the amount paid by commercial health insurance.

Exhausting Commercial Health Insurance Sources

Providers are required to exhaust commercial health insurance sources before submitting claims to ForwardHealth. This is accomplished by following the process indicated in the following steps. Providers are required to prepare complete and accurate documentation of efforts to bill commercial health insurance to substantiate other insurance indicators used on any claim.

Step 1. Determine if the Member Has Commercial Health Insurance
<p>If Wisconsin's EVS does not indicate that the member has commercial health insurance, the provider may submit a claim to ForwardHealth unless the provider is otherwise aware of commercial health insurance coverage.</p> <p>If the member disputes the information as it is indicated in the EVS, the provider should submit a completed Other Coverage Discrepancy Report form. Unless the service does not require other health insurance billing, the provider should allow at least two weeks before proceeding to Step 2.</p>
Step 2. Determine if the Service Requires Other Health Insurance Billing
<p>If the service requires other health insurance billing, the provider should proceed to Step 3.</p> <p>If the service does not require other health insurance billing, the provider should proceed in one of the following ways:</p> <ul style="list-style-type: none"> • The provider is encouraged to bill commercial health insurance if he or she believes that benefits are available. Reimbursement from commercial health insurance may be greater than the BadgerCare Plus-allowed amount. If billing commercial health insurance first, the provider should proceed to Step 3. • The provider may submit a claim without indicating an other insurance indicator on the claim. <p>The provider may not bill BadgerCare Plus and commercial health insurance simultaneously. Simultaneous billing may constitute fraud and interferes with BadgerCare Plus's ability to recover prior payments.</p>
Step 3. Identify Assignment of Commercial Health Insurance Benefits
<p>The provider should verify whether commercial health insurance benefits may be assigned to the provider. (As indicated by commercial health insurance, the provider may be required to obtain approval from the member for this assignment of benefits.)</p> <p>The provider should proceed in one of the following ways:</p>

- **If the provider is assigned benefits**, the provider should bill commercial health insurance and proceed to Step 4.
- **If the member is assigned insurance benefits**, the provider may submit a claim (without billing commercial health insurance) using the appropriate other insurance indicator.

If the commercial health insurance reimburses the member, the provider may collect the payment from the member. If the provider receives reimbursement from BadgerCare Plus and the member, the provider is required to return the lesser amount to BadgerCare Plus.

Step 4. Bill Commercial Health Insurance and Follow Up

If commercial health insurance denies or partially reimburses the provider for the claim, the provider may proceed to Step 5.

If commercial health insurance does not respond within 45 days, the provider should follow up the original claim with an inquiry to commercial health insurance to determine the disposition of the claim. If commercial health insurance does not respond within 30 days of the inquiry, the provider may proceed to Step 5.

Step 5. Submit Claim to ForwardHealth

If only partial reimbursement is received, if the correct and complete claim is denied by commercial health insurance, or if commercial health insurance does not respond to the original and follow-up claims, the provider may submit a claim to ForwardHealth using the appropriate other insurance indicator. Commercial remittance information should not be attached to the claim.

Members Unable to Obtain Services Under Managed Care Plan

Sometimes a member's enrollment file shows commercial managed care coverage, but the member is unable to receive services from the managed care plan. Examples of such situations include the following:

- Children enrolled in a commercial managed care plan by a noncustodial parent if the custodial parent refuses to use the coverage.
- Members enrolled in a commercial managed care plan who reside outside the service area of the managed care plan.
- Members enrolled in a commercial managed care plan who enter a nursing facility that limits the member's access to managed care providers.

In these situations, BadgerCare Plus will pay for services covered by both BadgerCare Plus and the commercial managed care plan even though the services are obtained from providers outside the plan.

When submitting claims for these members, providers should do one of the following:

- Indicate "OI-Y" on paper claims.
- Refer to the Wisconsin [Provider Electronic Solutions Manual](#) or the appropriate [837 companion document](#) to determine the appropriate other insurance indicator for electronic claims.

Mental Health and Substance Abuse Services Requiring Other Health Insurance Billing

The following table lists mental health and substance abuses services that may require providers to bill other insurance sources before billing BadgerCare Plus.

Service	Bill Commercial Health Insurance?	Bill Medicare?
Adult Mental Health Day Treatment Services	Yes	Yes
Case Management for Mental Health/Substance Abuse Services	No	No
Central Nervous System Assessments/Tests	Yes	Yes
Child/Adolescent Day Treatment Services (HealthCheck "Other Services")	Yes	No
Clozapine Management Services	Yes	No
Community Support Program Services	Yes	No
Comprehensive Community Services	Yes	No
Crisis Intervention Services	Yes	No
Health and Behavior Assessment/Intervention	Yes	Yes
In-Home Mental Health/Substance Abuse Treatment Services for Children (HealthCheck "Other Services")	Yes	Yes
Narcotic Treatment Services	Yes	Yes
Outpatient Mental Health Services (Evaluation, Psychotherapy, Pharmacologic Management)	Yes	Yes
Outpatient Mental Health and/or Substance Abuse Services in the Home or Community for Adults	Yes	Yes
Outpatient Substance Abuse Services	Yes	Yes
Substance Abuse Day Treatment Services	Yes	Yes

Non-Reimbursable Commercial Managed Care Services

Providers are not reimbursed for the following:

- Services covered by a commercial managed care plan, except for coinsurance, copayment, or deductible.
- Services for which providers contract with a commercial managed care plan to receive a capitation payment for services.

Other Insurance Indicators

Other insurance indicators are used to report results of commercial health insurance billing and to report when existing insurance was not billed. Providers are required to use these indicators as applicable on claims submitted for members with commercial health insurance. The intentional misuse of other insurance indicators to obtain inappropriate reimbursement constitutes fraud.

Other insurance indicators identify the status and availability of commercial health insurance. The indicators allow providers to be reimbursed correctly when the following occur:

- Commercial health insurance exists, does not apply, or when, for some valid reason, the provider is unable to obtain such reimbursement by reasonable means.
- Commercial health insurance does not cover the service provided.
- Full or partial payment was made by commercial health insurance.

Providers should not use other insurance indicators when the following occur:

- Wisconsin's EVS indicates no commercial health insurance for the DOS.
- The service does not require other health insurance billing.

- Claim denials from other payers relating to NPI and related data should be resolved with that payer and not submitted to ForwardHealth. Payments made in these situations may be recouped.

Documentation Requirements

Providers are required to prepare and maintain truthful, accurate, complete, legible, and concise documentation of efforts to bill commercial health insurance sources to substantiate other insurance indicators used on any claim, according to [DHS 106.02\(9\)\(a\)](#), Wis. Admin. Code.

Services Not Requiring Commercial Health Insurance Billing

Providers are not required to bill commercial health insurance sources before submitting claims for the following:

- Case management services.
- Family planning services.
- PNCC services.
- Preventive pediatric services.
- SMV services.

Services Requiring Commercial Health Insurance Billing

If the EVS indicates the code "DEN" for "Other Coverage," the provider is required to bill dental services to commercial health insurance before submitting claims to ForwardHealth.

If the EVS indicates that the member has Wausau Health Protection Plan ("HPP"), BlueCross & BlueShield ("BLU"), Wisconsin Physicians Service ("WPS"), TriCare ("CHA"), or some other ("OTH") commercial health insurance, the provider is required to bill the following services to commercial health insurance before submitting claims to ForwardHealth:

- Ambulance services, if provided as emergency services.
- Anesthetist services.
- Audiology services, unless provided in a nursing home or SNF.
- Blood bank services.
- Chiropractic services.
- CSP services.
- Dental services.
- DME (rental or purchase), prosthetics, and hearing aids if the billed amount is over \$10.00 per item.
- Home health services (excluding PC services).
- Hospice services.
- Hospital services, including inpatient or outpatient.
- Independent nurse, nurse practitioner, or nurse midwife services.
- Laboratory services.
- Medicare-covered services for members who have Medicare and commercial health insurance.
- Mental health/substance abuse services, including services delivered by providers other than physicians, regardless of POS.
- PT, OT, and SLP services, unless provided in a nursing home or SNF.
- Physician assistant services.
- Physician services, including surgery, surgical assistance, anesthesiology, or any service to a hospital inpatient. However, physician services provided to a woman whose primary diagnosis indicates a high-risk pregnancy do not require commercial health insurance billing.
- Pharmacy services for members with verified drug coverage.

- Podiatry services.
- PDN services for ventilator-dependent members.
- Radiology services.
- RHC services.
- Skilled nursing home care, if any DOS is within 30 days of the date of admission. If benefits greater than 30 days are available, the nursing home is required to continue to bill for them until those benefits are exhausted.
- Vision services over \$50, unless provided in a home, nursing home, or SNF.

If the EVS indicates the code "**VIS**" for "Other Coverage", the provider is required to bill the following services to commercial health insurance before submitting claims to ForwardHealth:

- Ophthalmology services.
- Optometrist services.

If the EVS indicates the code "**HMO**" for "Other Coverage," the provider is required to bill the following services to commercial health insurance before submitting claims to ForwardHealth:

- Ambulance services, if provided as emergency services.
- Anesthetist services.
- Audiology services, unless provided in a nursing home or SNF.
- Blood bank services.
- Chiropractic services.
- CSP services.
- Dental services.
- DME (rental or purchase), prosthetics, and hearing aids if the billed amount is over \$10.00 per item.
- Home health services (excluding PC services).
- Hospice services.
- Hospital services, including inpatient or outpatient regardless of the type of hospital.
- Independent nurse, nurse practitioner, or nurse midwife services.
- Laboratory services.
- Medicare-covered services billed for a member who has both Medicare and commercial health insurance.
- Mental health/substance abuse services, including services delivered by providers other than physicians, regardless of POS.
- Pharmacy services for members with verified drug coverage.
- PT, OT, and SLP services, unless provided in a nursing home or SNF.
- Physician and physician assistant services.
- Podiatry services.
- PDN services for ventilator-dependent members.
- Radiology services.
- RHC services.
- Skilled nursing home care, if any DOS is within 30 days of the date of admission. If benefits greater than 30 days are available, the nursing home is required to continue to bill for them until those benefits are exhausted.
- Vision services over \$50, unless provided in a home, nursing home, or SNF.

If the EVS indicates Medicare Supplemental Plan Coverage ("**SUP**"), the provider is required to bill the following services to commercial health insurance before submitting claims to ForwardHealth:

- Alcohol, betadine, and/or iodine provided by a pharmacy or medical vendor.
- Ambulance services.
- Ambulatory service center services.
- Breast reconstruction services.
- Chiropractic services.
- Dental anesthesia services.
- Home health services (excluding PC services).
- Hospital services, including inpatient or outpatient.

- Medicare-covered services.
- Osteopath services.
- Physician services.
- Skilled nursing home care, if any DOS is within 100 days of the date of admission. If benefits greater than 100 days are available, the nursing home is required to continue to bill for them until those benefits are exhausted.

BadgerCare Plus has identified [services requiring Medicare billing](#).

Medicare

Definition of Medicare

Medicare is a health insurance program for people 65 years of age or older, for certain people with disabilities under age 65, and for people with ESRD. Medicare is a federal government program created under Title XVIII of the Social Security Act.

Medicare coverage is divided into four parts:

- Part A (i.e., Hospital Insurance). Part A helps to pay for medically necessary services, including inpatient hospital services, services provided in critical access hospitals (i.e., small facilities that give limited inpatient services and outpatient services to beneficiaries who reside in rural areas), services provided in skilled nursing facilities, hospice services, and some home health services.
- Part B (i.e., Supplemental Medical Insurance). Part B helps to pay for medically necessary services, including physician services, outpatient hospital services, and some other services that Part A does not cover (such as PT services, OT services, and some home health services).
- Part C (i.e., Medicare Advantage).
- Part D (i.e., drug benefit).

Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Other Coverage Information

After Reporting Discrepancies

After receiving an [Other Coverage Discrepancy Report](#), ForwardHealth confirms the information and updates the member files.

It may take up to two weeks to process and update the member's enrollment information. During that time, ForwardHealth verifies the insurance information submitted and adds, changes, or removes the member's other coverage information as appropriate. If verification contradicts the provider's information, a written explanation is sent to the provider. The provider should wait to submit claims until one of the following occurs:

- The provider verifies through Wisconsin's EVS that the member's other coverage information has been updated.
- The provider receives a written explanation.

Coverage Discrepancies

Maintaining complete and accurate insurance information may result in fewer claim denials. Providers are an important source of other coverage information as they are frequently the first to identify coverage discrepancies.

Insurance Disclosure Program

ForwardHealth receives policyholder files from most major commercial health insurance companies on a monthly basis. ForwardHealth then compares this information with member enrollment files. If a member has commercial health insurance, ForwardHealth revises the member's enrollment file with the most current information.

The insurance company is solely responsible for the accuracy of this data. If the insurance company provides information that is not current, ForwardHealth's files may be inaccurate.

Maintaining Accurate and Current Records

ForwardHealth uses many sources of information to keep accurate and current records of a member's other coverage, including the following:

- Insurance Disclosure program.
- Providers who submit an [Other Coverage Discrepancy Report](#) form.
- Member certifying agencies.
- Members.

The information about a member's other health insurance coverage in the member files may be incomplete or incorrect if ForwardHealth received inaccurate information from the other health insurance source or the member's certifying agency.

Reporting Discrepancies

Providers are encouraged to report discrepancies to ForwardHealth by submitting the [Other Coverage Discrepancy Report](#) form. Providers are asked to complete the form in the following situations:

- The provider is aware of other coverage information that is not indicated by Wisconsin's EVS.
- The provider received other coverage information that contradicts the information indicated by the EVS.
- A claim is denied because the EVS indicates commercial managed care coverage but the coverage is not available to the member (e.g., the member does not live in the plan's service area).

Providers should not use the Other Coverage Discrepancy Report form to update any information regarding a member's coverage in a state-contracted MCO.

When reporting discrepancies, providers should include photocopies of current insurance cards and any available documentation, such as remittance information and benefit coverage dates or denials.

Provider-Based Billing

Purpose of Provider-Based Billing

The purpose of provider-based billing is to reduce costs by ensuring that providers receive maximum reimbursement from other health insurance sources that are primary to BadgerCare Plus. For example, a provider-based billing claim is created when BadgerCare Plus pays a claim and later discovers that other coverage exists or was made retroactive. Since BadgerCare Plus benefits are secondary to those provided by most other health insurance sources, providers are required to seek reimbursement from the primary payer, as stated in [DHS 106.03\(7\)](#), Wis. Admin. Code.

Questions About Provider-Based Billing

For questions about provider-based billing claims that are within the 120-day limit, providers may call the Coordination of Benefits Unit at (608) 221-4746. Providers may fax the corresponding Provider-Based Billing Summary to (608) 221-4567 at the time of the telephone call.

For questions about provider-based billing claims that are *not* within the 120-day limit, providers may call [Provider Services](#).

Receiving Notification

When a provider-based billing claim is created, the provider will receive the following:

- A notification letter.
- A Provider-Based Billing Summary. The Summary lists each claim from which a provider-based billing claim was created. The summary also indicates the corresponding primary payer for each claim.
- Provider-based billing claim(s). For each claim indicated on the Provider-Based Billing Summary, the provider will receive a prepared provider-based billing claim. This claim may be used to bill the other health insurance source; the claim includes all of the other health insurance source's information that is available.

If a member has coverage through multiple other health insurance sources, the provider may receive additional Provider-Based Billing Summaries and provider-based billing claims for each other health insurance source that is on file.

Responding to ForwardHealth After 120 Days

If a response is not received within 120 days, the amount originally paid by BadgerCare Plus will be withheld from future payments. This is not a final action. To receive payment after the original payment has been withheld, providers are required to submit the required documentation to the appropriate address as indicated in the following tables. For DOS that are within claims submission deadlines, providers should refer to the first table. For DOS that are beyond claims submission deadlines, providers should refer to the second table.

Within Claims Submission Deadlines		
Scenario	Documentation Requirement	Submission Address

Responding to ForwardHealth Within 120 Days

Within 120 days of the date on the Provider-Based Billing Summary, the Provider-Based Billing Unit must receive documentation verifying that one of the following occurred:

- The provider discovers through the EVS that ForwardHealth has removed or ended the other health insurance coverage from the member's file.
- The provider verifies that the member's other coverage information reported by ForwardHealth is invalid.
- The other health insurance source reimbursed or partially reimbursed the provider-based billing claim.

- The other health insurance source denied the provider-based billing claim.
- The other health insurance source failed to respond to an initial *and* follow-up provider-based billing claim.

When responding to ForwardHealth within 120 days, providers are required to submit the required documentation to the appropriate address as indicated in the following table. If the provider's response to ForwardHealth does not include all of the required documentation, the information will be returned to the provider. The provider is required to send the complete information within the original 120-day limit.

Scenario	Documentation Requirement	Submission Address
The provider discovers through the EVS that ForwardHealth has removed or ended the other health insurance coverage from the member's file.	<ul style="list-style-type: none"> • The Provider-Based Billing Summary. • Indication that the EVS no longer reports the member's other coverage. 	ForwardHealth Provider-Based Billing PO Box 6220 Madison WI 53716-0220 Fax (608) 221-4567
The provider discovers that the member's other coverage information (i.e., enrollment dates) reported by the EVS is invalid.	<ul style="list-style-type: none"> • The Provider-Based Billing Summary. • One of the following: <ul style="list-style-type: none"> ◦ The name of the person with whom the provider spoke and the member's correct other coverage information. ◦ A printed page from an enrollment Web site containing the member's correct other coverage information. 	ForwardHealth Provider-Based Billing PO Box 6220 Madison WI 53716-0220 Fax (608) 221-4567
The other health insurance source reimburses or partially reimburses the provider-based billing claim.	<ul style="list-style-type: none"> • The Provider-Based Billing Summary. • A copy of the remittance information received from the other health insurance source. • The DOS, other health insurance source, billed amount, and procedure code indicated on the other insurer's remittance information must match the information on the Provider-Based Billing Summary. <p><i>Note:</i>In this situation, ForwardHealth will initiate an adjustment if the amount of the other health insurance payment does not exceed the allowed amount (even though an adjustment request should not be submitted). However, providers (except nursing home and hospital providers) may issue a cash refund. Providers who choose this option should include a refund check but should not use the Claim Refund form.</p>	ForwardHealth Provider-Based Billing PO Box 6220 Madison WI 53716-0220 Fax (608) 221-4567
The other health insurance source denies the provider-based billing claim.	<ul style="list-style-type: none"> • The Provider-Based Billing Summary. • Documentation of the denial, including any of the following: <ul style="list-style-type: none"> ◦ Remittance information from the other health insurance source. ◦ A letter from the other health insurance source indicating a policy termination date that precedes the DOS. ◦ Documentation indicating that the other health insurance source paid the member. ◦ A copy of the insurance card or other documentation from the other health insurance source that indicates the policy provides limited coverage such as pharmacy, dental, or Medicare supplemental coverage. • The DOS, other health insurance source, billed amount, and procedure code indicated on the documentation must match the information on the Provider-Based Billing Summary. 	ForwardHealth Provider-Based Billing PO Box 6220 Madison WI 53716-0220 Fax (608) 221-4567

The other health insurance source fails to respond to the initial <i>and</i> follow-up provider-based billing claim.	<ul style="list-style-type: none"> • The Provider-Based Billing Summary. • Indication that no response was received by the other health insurance source. • Indication of the dates that the initial and follow-up provider-based billing claims were submitted to the other health insurance source. 	ForwardHealth Provider-Based Billing PO Box 6220 Madison WI 53716-0220 Fax (608) 221-4567
--	--	---

Submitting Provider-Based Billing Claims

For each provider-based billing claim, the provider is required to send a claim to the appropriate other health insurance source. The provider may use the claim prepared by ForwardHealth or produce his or her own claim. If the other health insurance source requires information beyond what is indicated on the prepared claim, the provider should add that information to the claim. The providers should also attach additional documentation (e.g., Medicare's remittance information) if required by the other health insurance source.

Reimbursement for Services Provided for Accident Victims

Billing Options

Providers may choose to seek payment from either of the following:

- Civil liabilities (e.g., injuries from an automobile accident).
- Worker's compensation.

However, as stated in [DHS 106.03\(08\)](#), Wis. Admin. Code, BadgerCare Plus will not reimburse providers if they receive payment from either of these sources.

The provider may choose a different option for each DOS. For example, the decision to submit one claim to ForwardHealth does not mean that all claims pertaining to the member's accident must be submitted to ForwardHealth.

Points of Consideration

Providers should consider the time and costs involved when choosing whether to submit a claim to ForwardHealth or seek payment from a settlement.

Time

Providers are not required to seek payment from worker's compensation or civil liabilities, rather than seeking reimbursement from BadgerCare Plus, because of the time involved to settle these cases. While some worker's compensation cases and certain civil liability cases may be settled quickly, others may take several years before settlement is reached.

Costs

Providers may receive more than the allowed amount from the settlement; however, in some cases the settlement may not be enough to cover all costs involved.

Seeking Payment from Settlement

After choosing to seek payment from a settlement, the provider may *instead* submit the claim to ForwardHealth as long as it is submitted before the claims submission deadline. For example, the provider may instead choose to submit the claim to ForwardHealth because no reimbursement was received from the liability settlement or because a settlement has not yet been reached.

Submitting Claims to ForwardHealth

If the provider chooses to submit a claim to ForwardHealth, he or she may not seek further payment for that claim in any liability settlement that may follow. Once a claim is submitted to ForwardHealth, the provider may not decide to seek reimbursement for that claim in a liability settlement. Refunding payment and then seeking payment from a settlement may constitute a felony. If a settlement occurs, ForwardHealth retains the sole right to recover medical costs.

Providers are required to indicate when services are provided to an accident victim on claims submitted to ForwardHealth. If the member has other health insurance coverage, the provider is required to exhaust the other health insurance sources before submitting

the claim to ForwardHealth.

Covered and Noncovered Services

4

Archive Date:06/01/2009

Covered and Noncovered Services:Codes

Diagnosis Codes

All diagnosis codes indicated on claims (and PA requests when applicable) must be the most specific ICD-9-CM diagnosis code. Providers are responsible for keeping current with diagnosis code changes. Etiology and manifestation codes may not be used as a primary diagnosis.

The required use of valid diagnosis codes includes the use of the most specific diagnosis code. Valid, most specific diagnosis codes may have up to five digits. Claims submitted with three- or four-digit codes where four- and five-digit codes are available may be denied.

Covered Services and Requirements

Definition of Covered Services

A covered service is a service, item, or supply for which reimbursement is available when *all* program requirements are met. [DHS 101.03\(35\)](#) and [107](#), Wis. Admin. Code, contain more information about covered services.

Within the provision of mental health and substance abuse services, BadgerCare Plus encourages the concept of recovery for all persons who receive services. This includes consumer involvement in assessment, treatment planning, and outcomes. Also, BadgerCare Plus promotes the use of evidence-based and culturally competent practices.

Emergencies

Certain program requirements and reimbursement procedures are modified in emergency situations. Emergency services are defined in [DHS 101.03\(52\)](#), Wis. Admin. Code, as "those services that are necessary to prevent the death or serious impairment of the health of the individual." Emergency services are not reimbursed unless they are covered services.

Additional definitions and procedures for emergencies exist in other situations, such as dental and mental health.

Program requirements and reimbursement procedures may be modified in the following ways:

- PA or other program requirements may be waived in emergency situations.
- [Noncertified providers](#) may be reimbursed for emergency services.
- [Non-U.S. citizens](#) may be eligible for covered services in emergency situations.

Medical Necessity

Wisconsin Medicaid reimburses only for services that are medically necessary as defined under [DHS 101.03\(96m\)](#), Wis. Admin. Code. Wisconsin Medicaid may deny or recoup payment if a service fails to meet Medicaid medical necessity requirements.

Member Payment for Covered Services

Under state and federal laws, a Medicaid-certified provider may not collect payment from a member, or authorized person acting on behalf of the member, for covered services even if the services are covered but do not meet program requirements. Denial of a claim by does not necessarily render a member liable. However, a covered service for which PA was denied is treated as a noncovered service. (If a member chooses to receive an originally requested service instead of the service approved on a modified PA request, it is also treated as a noncovered service.) If a member requests a covered service for which PA was denied (or modified), the provider may collect payment from the member if [certain conditions](#) are met.

If a provider collects payment from a member, or an authorized person acting on behalf of the member, for a covered service, the provider may be subject to [program sanctions](#) including termination of Medicaid certification.

Physician Prescription

A physician's prescription is required for all mental health and substance abuse services with an exception for emergency services, including the crisis intervention benefit.

There are special circumstances where policy requirements may differ for specific services.

Program Requirements

For a covered service to meet program requirements, the service must be provided by a qualified Medicaid-certified provider to an enrolled member. In addition, the service must meet all applicable program requirements, including, but not limited to, medical necessity, PA, claims submission, prescription, and documentation requirements.

Services That Do Not Meet Program Requirements

As stated in [DHS 107.02\(2\)](#), Wis. Admin. Code, BadgerCare Plus may deny or recoup payment for covered services that fail to meet program requirements.

Examples of covered services that do not meet program requirements include the following:

- Services for which records or other documentation were not prepared or maintained.
- Services for which the provider fails to meet any or all of the requirements of [DHS 106.03](#), Wis.Admin. Code, including, but not limited to, the requirements regarding timely submission of claims.
- Services that fail to comply with requirements or state and federal statutes, rules, and regulations.
- Services that the DHS, the PRO review process, or BadgerCare Plus determines to be inappropriate, in excess of accepted standards of reasonableness or less costly alternative services, or of excessive frequency or duration.
- Services provided by a provider who fails or refuses to meet and maintain any of the certification requirements under [DHS 105](#), Wis. Admin. Code.
- Services provided by a provider who fails or refuses to provide access to records.
- Services provided inconsistent with an intermediate sanction or sanctions imposed by the DHS.

Telemedicine

Information for [DOS before January 1, 2009](#), is available.

Telemedicine services (also known as "Telehealth") are services provided from a remote location using a combination of interactive video, audio, and externally acquired images through a networking environment between a member (i.e., the originating site) and a Medicaid-certified provider at a remote location (i.e., distant site). The services must be of sufficient audio and visual fidelity and clarity as to be functionally equivalent to a face-to-face contact. Telemedicine services do not include telephone conversations or Internet-based communication between providers or between providers and members.

All applicable HIPAA confidentiality requirements apply to telemedicine encounters.

Reimbursable Telemedicine Services

The following additional individual providers are reimbursed for selected telemedicine-based services:

- Physicians and physician clinics.
- RHCs.
- FQHCs.
- Physician assistants.
- Nurse practitioners.
- Nurse midwives.
- Psychiatrists in private practice.
- Ph.D. psychologists in private practice.

These providers may be reimbursed, as appropriate, for the following services provided through telemedicine:

- Office or other outpatient services (CPT procedure codes 99201-99205, 99211-99215).
- Office or other outpatient consultations (CPT codes 99241-99245).
- Initial inpatient consultations (CPT codes 99251-99255).
- Outpatient mental health services (CPT codes 90801-90849, 90862, 90875, 90876, and 90887 and HCPCS code H0046).
- Health and behavior assessment/intervention (CPT codes 96150-96152, 96154-96155).
- ESRD-related services (CPT codes 90951-90952, 90954-90958, 90960-90961).
- Outpatient substance abuse services (HCPCS codes H0022, H0047, T1006).

Reimbursement for these services is subject to the same restrictions as face-to-face contacts (e.g., POS, allowable providers, multiple service limitations, PA).

Claims for services performed via telemedicine must include HCPCS modifier "GT" (via interactive audio and video telecommunication systems) with the appropriate procedure code and must be submitted on the 837P transaction or 1500 Health Insurance Claim Form paper claim form. Reimbursement is the same for these services whether they are performed face-to-face or through telemedicine.

Only one eligible provider may be reimbursed per member per DOS for a service provided through telemedicine unless it is medically necessary for the participation of more than one provider. Justification for the participation of the additional provider must be included in the member's medical record.

Separate services provided by separate specialists for the same member at different times on the same DOS may be reimbursed separately.

Services Provided by Ancillary Providers

Claims for services provided through telemedicine by ancillary providers should continue to be submitted under the supervising physician's NPI using the lowest appropriate level office or outpatient visit procedure code or other appropriate CPT code for the service performed. These services must be provided under the direct on-site supervision of a physician and documented in the same manner as face-to-face services. Coverage is limited to procedure codes 99211 or 99212, as appropriate.

Federally Qualified Health Centers and Rural Health Clinics

Telemedicine may be reported as an encounter on the cost settlement report for both RHCs and FQHCs when both of the following are true.

- The RHC or FQHC is the distant site.
- The member is an established patient of the RHC or FQHC at the time of the telemedicine service.

Members Located in Nursing Homes

Claims for telemedicine services where the originating site is a nursing home should be submitted with the appropriate level office visit or consultation procedure code.

Out-of-State Providers

Out-of-state providers, except border-status providers, are required to obtain PA before delivering telemedicine-based services to Wisconsin Medicaid members.

Documentation Requirements

All telemedicine services must be thoroughly documented in the member's medical record in the same way as if it were performed as

a face-to-face service.

Eligible Members

All members are eligible to receive services through telemedicine. Providers may not require the use of telemedicine as a condition of treating the member. Providers should develop their own methods of informed consent verifying that the member agrees to receive services via telemedicine.

Telemedicine and Enhanced Reimbursement

Providers may receive enhanced reimbursement for pediatric services (services for members 18 years of age and under) and HPSA-eligible services performed via telemedicine in the same manner as face-to-face contacts. As with face-to-face visits, HPSA-enhanced reimbursement is allowed when either the member resides in or the provider is located in a [HPSA-eligible ZIP code](#). Providers may submit claims for services performed through telemedicine that qualify for pediatric or HPSA-enhanced reimbursement with both modifier "GT" and the applicable pediatric or HPSA modifier.

Originating Site Facility Fee

An originating site may be reimbursed a facility fee. The originating site is a facility at which the member is located during the telemedicine-based service. It may be a physician's office, a hospital outpatient department, an inpatient facility, or any other appropriate POS with the requisite equipment and staffing necessary to facilitate a telemedicine service. The originating site may not be an emergency room.

Note: The originating site facility fee is not an RHC/FQHC service and, therefore, may not be reported as an encounter on the cost report. Any reimbursement for the originating site facility fee must be reported as a deductive value on the cost report.

Claim Submission

The originating site is required to submit claims for the facility fee with HCPCS code Q3014 (Telehealth originating site facility fee). These claims must be submitted on an 837P transaction or a 1500 Health Insurance Claim Form with a POS code appropriate to where the service was provided.

Outpatient Hospital Reimbursement

Wisconsin Medicaid will reimburse outpatient hospitals only the facility fee (Q3014) for the service. Wisconsin Medicaid will not separately reimburse an outpatient hospital the rate-per-visit for that member unless other covered outpatient hospital services are also provided beyond those included in the telemedicine service on the same DOS. Professional services provided in the outpatient hospital are separately reimbursable.

Store and Forward Services

"Store and forward" services are not separately reimbursable which are the asynchronous transmission of medical information to be reviewed at a later time by a physician or nurse practitioner at the distant site.

Mental Health and Substance Abuse Services for Which Telehealth Is and Is Not Allowed

The following table shows the services for which Telehealth and the "GT" modifier are allowed and are not allowed.

Service Area	Procedure Code	Telehealth Services Covered?

Adult Mental Health Day Treatment Services	H2012	For individual services only.
Case Management for Mental Health/Substance Abuse Services	-----	No
Central Nervous System Assessments/Tests	-----	No
Child/Adolescent Day Treatment Services (HealthCheck "Other Services")	H2012	For individual services only.
Clozapine Management	-----	No
Community Support Program Services	H0039	Yes
	H0039 with the following group modifiers: <ul style="list-style-type: none"> • U1 (Group professional) • U2 (Group, Masters) • U3 (Group, Ph.D.) • U4 (Group M.D./Advanced practice nurse prescriber with mental health specialty) 	No
Comprehensive Community Services	H2018	Yes
Crisis Intervention Services	S9484	Yes
	S9485 (per diem)	No
Health and Behavior Assessment/Intervention	96150-96152, 96154-96155	Yes
	96153	No
In-Home Mental Health/Substance Abuse Treatment Services for Children (HealthCheck "Other Services")	H0004, H0022, T1006	Yes
	99082	No
Narcotic Treatment Services	-----	No
Outpatient Mental Health Services (Evaluation, Psychotherapy, Pharmacologic Management)	90801, 90802, 90804, 90805, 90806, 90807, 90808, 90809, 90810, 90811, 90812, 90813, 90814, 90815, 90816, 90817, 90818, 90819, 90821, 90822, 90823, 90824, 90826, 90827, 90828, 90829, 90845, 90846, 90847, 90849, 90862, 90875, 90876, 90887, H0046	Yes
	90853, 90857, 90865, 90870, 90880, 90899	No
Outpatient Mental Health and/or Substance Abuse Services in the Home and Community for Adults	90801, 90802, 90804, 90805, 90806, 90807, 90808, 90809, 90810, 90811, 90812, 90813, 90814, 90815, 90845, 90846, 90847, 90849, 90862, 90875, 90876, 90887, H0022, T1006	Yes
	90853, 90857, 90880, 90899, H0005	No
Outpatient Substance Abuse Services	H0022, H0047, T1006	Yes
	H0005	No
Substance Abuse Day Treatment Services	H2012	For individual services only.

Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Noncovered Services

Benchmark Plan Noncovered Services

The following mental health and substance abuse services are not covered under the BadgerCare Plus Benchmark Plan:

- Community Support Program services.
- Comprehensive community services.
- Crisis intervention.
- In-home mental health and substance abuse services for children.
- Outpatient services in the home and community for adults.

Note: [Clozapine management](#) is a covered service under the Benchmark Plan but is not considered part of mental health and substance abuse services.

Definition of Noncovered Services

A noncovered service is a service, item, or supply for which reimbursement is not available. [DHS 101.03\(103\)](#) and [107](#), Wis. Admin. Code, contain more information about noncovered services. In addition, [DHS 107.03](#), Wis. Admin. Code, contains a general list of noncovered services.

Member Payment for Noncovered Services

A provider may collect payment from a member for noncovered services if [certain conditions](#) are met.

Providers may not collect payment from a member, or authorized person acting on behalf of the member, for certain noncovered services or activities provided in connection with covered services, including the following:

- Charges for missed appointments.
- Charges for telephone calls.
- Charges for time involved in completing necessary forms, claims, or reports.
- Translation services.

Missed Appointments

The federal CMS does not allow state Medicaid programs to permit providers to collect payment from a member, or authorized person acting on behalf of the member, for a missed appointment.

Avoiding Missed Appointments

ForwardHealth offers the following suggestions to help avoid missed appointments:

- Remind members of upcoming appointments (by telephone or postcard) prior to scheduled appointments.
- Encourage the member to call his or her local county or tribal agency if transportation is needed.
- If the appointment is made through the HealthCheck screening or targeted case management programs, encourage the staff from those programs to ensure that the scheduled appointments are kept.

Translation Services

Translation services are considered part of the provider's overhead cost and are not separately reimbursable. Providers may not collect payment from a member, or authorized person acting on behalf of the member, for translation services.

Providers should call the Affirmative Action and Civil Rights Compliance Officer at (608) 266-9372 for information about when translation services are required by federal law. Providers may also write to the following address:

AA/CRC Office
1 W Wilson St Rm 561
PO Box 7850
Madison WI 53707-7850

Managed Care:Claims

Appeals to BadgerCare Plus and Wisconsin Medicaid

The provider has 60 calendar days to file an appeal with BadgerCare Plus or Wisconsin Medicaid after the HMO or SSI HMO either does not respond in writing within 45 calendar days or if the provider is dissatisfied with the HMO's or SSI HMO's response.

BadgerCare Plus or Wisconsin Medicaid will not review appeals that were not first made to the HMO or SSI HMO. If a provider sends an appeal directly to BadgerCare Plus or Wisconsin Medicaid without first filing it with the HMO or SSI HMO, the appeal will be returned to the provider.

Appeals will only be reviewed for enrollees who were eligible for and who were enrolled in a BadgerCare Plus HMO or Medicaid SSI HMO on the date of service in question.

Appeals must be made in writing and must include:

- A letter, clearly marked "APPEAL," explaining why the claim should be paid or a completed [Managed Care Program Provider Appeal](#) form.
- A copy of the claim, clearly marked "APPEAL."
- A copy of the provider's letter to the HMO or SSI HMO.
- A copy of the HMO's or SSI HMO's response to the provider.
- Any documentation that supports the case.

The appeal will be reviewed and any additional information needed will be requested from the provider or the HMO or SSI HMO. Once all pertinent information is received, BadgerCare Plus or Wisconsin Medicaid has 45 calendar days to make a final decision.

The provider and the HMO or SSI HMO will be notified in writing of the final decision. If the decision is in favor of the provider, the HMO or SSI HMO is required to pay the provider within 45 calendar days of the final decision. The decision is final, and all parties must abide by the decision.

Appeals to HMOs and SSI HMOs

Providers are required to first file an appeal directly with the BadgerCare Plus HMO or Medicaid SSI HMO within 60 calendar days of receipt of the initial denial. Providers are required to include a letter explaining why the HMO or SSI HMO should pay the claim. The appeal should be sent to the address indicated on the HMO's or SSI HMO's denial notice.

The HMO or SSI HMO then has 45 calendar days to respond in writing to the appeal. The HMO or SSI HMO decides whether to pay the claim and sends the provider a letter stating the decision.

If the HMO or SSI HMO does not respond in writing within 45 calendar days, or if the provider is dissatisfied with the HMO's or SSI HMO's response, the provider may send a written appeal to ForwardHealth within 60 calendar days.

Claims Submission

BadgerCare Plus HMOs and Medicaid SSI HMOs have requirements for timely filing of claims, and providers are required to follow HMO and SSI HMO claims submission guidelines. Contact the enrollee's HMO or SSI HMO for organization-specific submission deadlines.

Extraordinary Claims

Extraordinary claims are BadgerCare Plus or Medicaid claims for a BadgerCare Plus HMO or Medicaid SSI HMO enrollee that have been denied by an HMO or SSI HMO but may be paid as fee-for-service claims.

The following are some examples of extraordinary claims situations:

- The enrollee was not enrolled in an HMO or SSI HMO at the time he or she was admitted to an inpatient hospital, but then enrolled in an HMO or SSI HMO during the hospital stay. In this case, all claims related to the stay (including physician claims) should be submitted to fee-for-service. These claims (including physician claims) must include admittance and discharge dates.
- The claims are for orthodontia/prosthodontia services that began before HMO or SSI HMO coverage. Include a record with the claim of when the bands were placed.

Submitting Extraordinary Claims

When submitting an extraordinary claim, include the following:

- A legible copy of the completed claim form, in accordance with billing guidelines.
- A letter detailing the problem, any claim denials, and any steps taken to correct the situation.

Submit extraordinary claims to:

ForwardHealth
 Managed Care Extraordinary Claims
 PO Box 6470
 Madison WI 53716-0470

Medicaid as Payer of Last Resort

Wisconsin Medicaid is the payer of last resort for most covered services, even when a member is enrolled in a BadgerCare Plus HMO or Medicaid SSI HMO. Before submitting claims to HMOs and SSI HMOs, providers are required to submit claims to other health insurance sources. Contact the enrollee's HMO or SSI HMO for more information about billing other health insurance sources.

Provider Appeals

When a BadgerCare Plus HMO or Medicaid SSI HMO denies a provider's claim, the HMO or SSI HMO is required to send the provider a notice informing him or her of the right to file an appeal.

An HMO or SSI HMO network or non-network provider may file an appeal to the HMO or SSI MCO when:

- A claim submitted to the HMO or SSI HMO is denied payment.
- The full amount of a submitted claim is not paid.

Providers are required to file an appeal with the HMO or SSI HMO *before* filing an appeal with ForwardHealth.

Covered and Noncovered Services

Covered Services

HMOs

Although BadgerCare Plus requires contracted HMOs to provide all medically necessary covered services, the following services may be provided by BadgerCare Plus HMOs at their discretion:

- Dental.
- Chiropractic.

If the HMO does not include these services in their benefit package, the enrollee receives the services on a fee-for-service basis.

SSI HMOs

Wisconsin Medicaid requires contracted Medicaid SSI HMOs to provide all medically necessary Medicaid-covered services. If the SSI HMO does not include services such as chiropractic or dental, the enrollee receives these services on a Medicaid fee-for-service basis.

Noncovered Services

The following are not covered by BadgerCare Plus HMOs or Medicaid SSI HMOs but are provided to enrollees on a fee-for-service basis:

- CSP benefits.
- Crisis intervention services.
- Environmental lead inspections.
- Milwaukee CCC services.
- Pharmacy services and some drug-related supplies.
- PNCC services.
- Provider-administered drugs, including all "J" codes, drug-related "Q" codes, procedure code S4993 (Contraceptive pills for birth control), and a limited number of related [administration codes](#).
- SBS.
- Targeted case management services.
- Transportation by common carrier (unless the HMO has made arrangements to provide this service as a benefit). Milwaukee HMOs and SSI HMOs are mandated to provide transportation for their enrollees.
- Directly observed therapy and monitoring for TB-only.

Enrollment

Disenrollment and Exemptions

In some situations, a member may be exempt from enrolling in a BadgerCare Plus HMO or Medicaid SSI HMO. Exempted members receive health care under fee-for-service. Exemptions allow members to complete a course of treatment with a provider who is not contracted with the member's HMO or SSI HMO. For example, in certain circumstances, women in high-risk pregnancies or women who are in the third trimester of pregnancy when they are enrolled in an HMO or SSI HMO *may* qualify for an exemption.

The [contracts](#) between the DHS and the HMO or SSI HMO provide more detail on the exemption and disenrollment requirements.

Enrollee Grievances

Enrollees have the right to file grievances about services or benefits provided by a BadgerCare Plus HMO or Medicaid SSI HMO. Enrollees also have the right to file a grievance when the HMO or SSI HMO refuses to provide a service. All HMOs and SSI HMOs are required to have written policies and procedures in place to handle enrollee grievances. Enrollees should be encouraged to work with their HMO's or SSI HMO's customer service department to resolve problems first.

If enrollees are unable to resolve problems by talking to their HMO or SSI HMO, or if they would prefer to speak with someone outside their HMO or SSI HMO, they should contact the [Enrollment Specialist](#) or the [Ombudsman Program](#).

The [contracts](#) between the DHS and the HMO or SSI HMO describes the responsibilities of the HMO or SSI HMO and the DHS regarding enrollee grievances.

Enrollment Eligibility

BadgerCare Plus HMOs

Members enrolled in the BadgerCare Plus Standard Plan and the BadgerCare Plus Benchmark Plan are eligible for enrollment in a BadgerCare Plus HMO. BadgerCare Plus Core Plan members are enrolled in BadgerCare Plus HMOs.

An individual who receives the FPW program, the TB-Only benefit, SeniorCare, or Wisconsin Well Woman Medicaid cannot be enrolled in a BadgerCare Plus HMO.

Information about a member's HMO enrollment status and commercial health insurance coverage may be verified by using Wisconsin's [EVS](#) or the ForwardHealth Portal.

SSI HMOs

Members of the following subprograms are eligible for enrollment in a Medicaid SSI HMO:

- Individuals ages 19 and older, who meet the SSI and SSI-related disability criteria.
- Dual eligibles for Medicare and Medicaid.

Individuals who are living in an institution, nursing home, or participating in a Home and Community-Based Waiver program are not eligible to enroll in an SSI MCO.

Enrollment Periods

HMOs

Members are sent enrollment packets that explain the BadgerCare Plus HMOs and the enrollment process and provide contact information. Once enrolled, enrollees may change their HMO assignment within the first 90 days of enrollment in an HMO (whether they chose the HMO or were auto-assigned). If an enrollee no longer meets the criteria, he or she will be disenrolled from the HMO.

SSI HMOs

Members are sent enrollment packets that explain the Medicaid SSI HMO's enrollment process and provide contract information. Once enrolled, enrollees may disenroll after a 60-day trial period and up to 120 days after enrollment and return to Medicaid fee-for-service if they choose.

Enrollment Specialist

The [Enrollment Specialist](#) provides objective enrollment, education, outreach, and advocacy services to BadgerCare Plus HMO and Medicaid SSI HMO enrollees. The Enrollment Specialist is a knowledgeable single point of contact for enrollees, solely dedicated to managed care issues. The Enrollment Specialist is not affiliated with any health care agency.

The Enrollment Specialist provides the following services to HMO and SSI HMO enrollees:

- Education regarding the correct use of HMO and SSI HMO benefits.
- Telephone and face-to-face support.
- Assistance with enrollment, disenrollment, and exemption procedures.

Member Enrollment

HMOs

BadgerCare Plus HMO enrollment is either mandatory or voluntary based on ZIP code-defined enrollment areas as follows:

- Mandatory enrollment — Enrollment is mandatory for eligible members who reside in ZIP code areas served by two or more BadgerCare Plus HMOs. Some members may meet criteria for exemption from BadgerCare Plus HMO enrollment.
- Voluntary enrollment — Enrollment is voluntary for members who reside in ZIP code areas served by only one BadgerCare Plus HMO.

Members living in areas where enrollment is mandatory are encouraged to choose their BadgerCare Plus HMO. Automatic assignment to a BadgerCare Plus HMO occurs if the member does not choose a BadgerCare Plus HMO. In general, all members of a member's immediate family eligible for enrollment must choose the same HMO.

Members in voluntary enrollment areas can choose whether or not to enroll in a BadgerCare Plus HMO. There is no automatic assignment for members who live within ZIP codes where enrollment is voluntary.

SSI HMOs

Medicaid SSI HMO enrollment is either mandatory or voluntary as follows:

- Mandatory enrollment — Most SSI and SSI-related members are required to enroll in an SSI HMO. A member may choose

the SSI HMO in which he or she wishes to enroll.

- Voluntary enrollment — Some SSI and SSI-related members may choose to enroll in an SSI HMO on a voluntary basis.

Ombudsman Program

The [Ombudsmen](#), or Ombuds, are resources for enrollees who have questions or concerns about their BadgerCare Plus HMO or Medicaid SSI HMO. Ombuds provide advocacy and assistance to help enrollees understand their rights and responsibilities in the grievance and appeal process.

BadgerCare Plus HMO/Medicaid SSI HMO Ombudsmen
PO Box 6470
Madison WI 53716-0470

Release of Billing or Medical Information

BadgerCare Plus supports BadgerCare Plus HMO and Medicaid SSI HMO enrollee rights regarding the confidentiality of health care records. BadgerCare Plus has [specific standards](#) regarding the release of an HMO or SSI HMO enrollee's billing information or medical claim records.

Managed Care Information

BadgerCare Plus HMO Program

An HMO is a system of health care providers that provides a comprehensive range of medical services to a group of enrollees. HMOs receive a fixed, prepaid amount per enrollee from BadgerCare Plus (called a capitation payment) to provide medically necessary services.

BadgerCare Plus HMOs are responsible for providing or arranging all contracted covered medically necessary services to enrollees. BadgerCare Plus members enrolled in state-contracted HMOs are entitled to at least the same benefits as fee-for-service members; however, HMOs may establish their own requirements regarding PA, claims submission, adjudication procedures, etc., which may differ from BadgerCare Plus fee-for-service policies and procedures. BadgerCare Plus HMO network providers should contact their HMO for more information about its policies and procedures.

Managed Care

Managed Care refers to the BadgerCare Plus HMO program, the Medicaid SSI HMO program, and the several special managed care programs available.

The primary goals of the managed care programs are:

- To improve the quality of member care by providing continuity of care and improved access.
- To reduce the cost of health care through better care management.

Managed Care Contracts

The contract between the DHS and the BadgerCare Plus HMO or Medicaid SSI HMO takes precedence over other ForwardHealth provider publications. Information contained in ForwardHealth publications is used by the DHS to resolve disputes regarding covered benefits that cannot be handled internally by HMOs and SSI HMOs. If there is a conflict, the HMO or SSI HMO contract prevails. If the contract does not specifically address a situation, Wisconsin Administrative Code ultimately prevails. HMO and SSI HMO contracts can be found on the Managed Care Organization area of the [ForwardHealth Portal](#).

SSI HMO Program

Medicaid SSI HMOs provide the same benefits as Medicaid fee-for-service (e.g. medical, dental, mental health/substance abuse, vision, and prescription drug coverage) at no cost to their enrollees through a care management model. Medicaid members and SSI-related Medicaid members in certain counties may be eligible to enroll in an SSI HMO.

SSI-related Medicaid members receive coverage from Wisconsin Medicaid because of a disability determined by the Disability Determination Bureau.

Member Enrollment

Members who meet the following criteria are eligible to enroll in an SSI HMO:

- Medicaid-eligible individuals living in a service area that has implemented an SSI managed care program.
- Individuals ages 19 and older.

- Individuals who are enrolled in Wisconsin Medicaid and SSI or receive SSI-related Medicaid.

Individuals who are living in an institution or nursing home or are participating in a home and community-based waiver program or FamilyCare are not eligible to enroll in an SSI HMO.

Ozaukee and Washington Counties

Most SSI and SSI-related Medicaid members who reside in Ozaukee and Washington counties are required to choose the HMO in which they wish to enroll. Dual eligibles (members receiving Medicare and Wisconsin Medicaid) are not required to enroll. After a 60-day trial period and up to 120 days after enrollment, enrollees may disenroll and return to Medicaid fee-for-service if they choose.

Southwestern Wisconsin Counties

SSI members and SSI-related Medicaid members who reside in Buffalo, Jackson, La Crosse, Monroe, Trempealeau, and Vernon counties may choose to receive coverage from the HMO or remain in Wisconsin Medicaid fee-for-service.

Continuity of Care

Special provisions are included in the contract for SSI HMOs for continuity of care for SSI members and SSI-related Medicaid members. These provisions include the following:

- Coverage of services provided by the member's current provider for the first 60 days of enrollment in the SSI program or until the first of the month following completion of an assessment and care plan, whichever comes later. The contracted provider should get a referral from the member's HMO after this.
- Honoring a PA that is currently approved by Wisconsin Medicaid. The PA must be honored for 60 days or until the month following the HMO's completion of the assessment and care plan, whichever comes later.
- Coverage of drugs that an SSI member is currently taking until a prescriber orders different drugs.

Special Managed Care Programs

Wisconsin Medicaid has several special managed care programs that provide services to individuals who are elderly and/or who have disabilities. These members may be eligible to enroll in voluntary regional managed care programs such as Family Care, the PACE, and the Family Care Partnership Program. Additional information about these special managed care programs may be obtained from the Managed Care Organization area of the [ForwardHealth Portal](#).

Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Prior Authorization

Prior Authorization Procedures

BadgerCare Plus HMOs and Medicaid SSI HMOs may develop PA guidelines that differ from fee-for-service guidelines. However, the application of such guidelines may not result in less coverage than fee-for-service. Contact the enrollee's HMO or SSI HMO for more information regarding PA procedures.

Provider Information

Copayments

Providers cannot charge Medicaid SSI HMO enrollees copayments for covered services except in cases where the Medicaid SSI HMO does not cover services such as dental, chiropractic, and pharmacy. When services are provided through fee-for-service or to members enrolled in a BadgerCare Plus HMO, copayments will apply.

Emergencies

Non-network providers may provide services to BadgerCare Plus HMO and Medicaid SSI HMO enrollees in an emergency without authorization or in urgent situations when authorized by the HMO or SSI HMO. The [contract](#) between the DHS and the HMO or SSI HMO defines an emergency situation and includes general payment requirements.

Unless the HMO or SSI HMO has a written agreement with the non-network provider, the HMO or SSI HMO is only liable to the extent fee-for-service would be liable for an emergency situation, as defined in 42 CFR s. 438.114. Billing procedures for emergencies may vary depending on the HMO or SSI HMO. For specific billing instructions, non-network providers should always contact the enrollee's HMO or SSI HMO.

Non-network Providers

Providers who do not have a contract with the enrollee's BadgerCare Plus HMO or Medicaid SSI HMO are referred to as non-network providers. (HMO and SSI HMO network providers agree to payment amounts and billing procedures in a contract with the HMO or SSI HMO.) Non-network providers are required to direct enrollees to HMO or SSI HMO network providers except in the following situations:

- When a non-network provider is treating an HMO or SSI HMO enrollee for an emergency medical condition as defined in the contract between the DHS and the HMO or SSI HMO.
- When the HMO or SSI HMO has authorized (in writing) an out-of-plan referral to a non-network provider.
- When the service is not provided under the HMO's or SSI HMO's contract with the DHS (such as dental, chiropractic, and pharmacy services).

Non-network providers may not serve BadgerCare Plus HMO or Medicaid SSI HMO enrollees as private-pay patients.

Out-of-Area Care

BadgerCare Plus HMOs and Medicaid SSI HMOs may cover medically necessary care provided to enrollees when they travel outside the HMO's or SSI HMO's service area. The HMO or SSI HMO is required to authorize the services before the services are provided, except in cases of [emergency](#). If the HMO or SSI HMO does not authorize the services, the enrollee may be held responsible for the cost of those services.

Provider Participation

Providers interested in participating in a BadgerCare Plus HMO or Medicaid SSI HMO or changing HMO or SSI HMO network affiliations should contact the HMO or SSI HMO for more information. Conditions and terms of participation in an HMO or SSI HMO are pursuant to specific contract agreements between HMOs or SSI HMOs and providers. An HMO or SSI HMO has the

right to choose whether or not to contract with any provider.

Referrals

Non-network providers may at times provide services to BadgerCare Plus HMO and Medicaid SSI HMO enrollees on a referral basis. Non-network providers are always required to contact the enrollee's HMO or SSI HMO. Before services are provided, the non-network provider and the HMO or SSI HMO should discuss and agree upon billing procedures and fees for all referrals. Non-network providers and HMOs or SSI HMOs should document the details of any referral in writing before services are provided.

Billing procedures for out-of-plan referrals may vary depending on the HMO or SSI HMO. For specific billing instructions, non-network providers should always contact the enrollee's HMO or SSI HMO.

Services Not Provided by HMOs or SSI HMOs

If an enrollee's BadgerCare Plus HMO's or Medicaid SSI HMO's benefit package does not include a covered service, such as chiropractic or dental services, any Medicaid-certified provider may provide the service to the enrollee and submit claims to fee-for-service.

Member Information

Member Information:Birth to 3 Program

Administration and Regulations

In Wisconsin, B-3 services are administered at the local level by county departments of community programs, human service departments, public health agencies, or any other public agency designated or contracted by the county board of supervisors. The DHS monitors, provides technical assistance, and offers other services to county B-3 agencies.

The enabling federal legislation for the B-3 Program is 34 CFR Part 303. The enabling state legislation is s. [51.44](#), Wis. Stats., and the regulations are found in ch. [DHS 90](#), Wis. Admin. Code.

Providers may contact the appropriate county B-3 agency for more information.

Enrollment Criteria

A child from birth up to (but not including) age 3 is eligible for B-3 services if the child meets one of the following criteria:

- The child has a diagnosed physical or mental condition that has a high probability of resulting in a developmental delay.
- The child has at least a 25 percent delay in one or more of the following areas of development:
 - Cognitive development.
 - Physical development, including vision and hearing.
 - Communication skills.
 - Social or emotional development.
 - Adaptive development, which includes self-help skills.
- The child has atypical development affecting his or her overall development, as determined by a qualified team using professionally acceptable procedures and informed clinical opinion.

BadgerCare Plus provides B-3 information because many children enrolled in the B-3 Program are also BadgerCare Plus members.

Individualized Family Service Plan

A B-3 member receives an IFSP developed by an interdisciplinary team that includes the child's family. The IFSP provides a description of the outcomes, strategies, supports, services appropriate to meet the needs of the child and family, and the natural environment settings where services will be provided. All B-3 services must be identified in the child's IFSP.

Requirements for Providers

Title 34 CFR Part 303 for B-3 services requires all health, social service, education, and tribal programs receiving federal funds, including Medicaid providers, to do the following:

- Identify children who may be eligible for B-3 services. These children must be referred to the appropriate county B-3 program within *two working days* of identification. This includes children with developmental delays, atypical development, disabilities, and children who are substantiated as abused or neglected. For example, if a provider's health exam or developmental screen indicates that a child may have a qualifying disability or developmental delay, the child must be referred to the county B-3 program for evaluation. (Providers are encouraged to explain the need for the B-3 referral to the child's parents or guardians.)
- Cooperate and participate with B-3 service coordination as indicated in the child's IFSP. B-3 services must be provided by providers who are employed by, or under agreement with, a B-3 agency to provide B-3 services.
- Deliver B-3 services in the child's natural environment, unless otherwise specified in the IFSP. The child's natural environment

includes the child's home and other community settings where children without disabilities participate. (Hospitals contracting with a county to provide therapy services in the child's natural environment must receive separate certification as a therapy group to be reimbursed for these therapy services.)

- Assist parents or guardians of children receiving B-3 services to maximize their child's development and participate fully in implementation of their child's IFSP. For example, an occupational therapist is required to work closely with the child's parents and caretakers to show them how to perform daily tasks in ways that maximize the child's potential for development.

Services

The B-3 Program covers the following types of services when they are included in the child's IFSP:

- Evaluation and assessment.
- Special instruction.
- OT.
- PT.
- SLP.
- Audiology.
- Psychology.
- Social work.
- Assistive technology.
- Transportation.
- Service coordination.
- Certain medical services for diagnosis and evaluation purposes.
- Certain health services to enable the child to benefit from early intervention services.
- Family training, counseling, and home visits.

Enrollment Categories

BadgerCare Expansion for Certain Pregnant Women

As a result of 2005 Wisconsin Act 25, the 2005-07 biennial budget, BadgerCare has expanded coverage to the following individuals:

- Pregnant non-U.S. citizens who are not qualified aliens but meet other eligibility criteria for BadgerCare.
- Pregnant individuals detained by legal process who meet other eligibility criteria for BadgerCare.

The BadgerCare Expansion for Certain Pregnant Women is designed to provide better birth outcomes.

Women are eligible for all covered services from the first of the month in which their pregnancy is verified or the first of the month in which the application for BadgerCare Plus is filed, whichever is later. Members are enrolled through the last day of the month in which they deliver or the pregnancy ends. Postpartum care is reimbursable *only* if provided as part of global obstetric care. Even though enrollment is based on pregnancy, these women are eligible for *all* covered services. (They are not limited to pregnancy-related services.)

These women are not presumptively eligible. Providers should refer them to the appropriate county/tribal social or human services agency where they can apply for this coverage.

Fee-for-Service

Pregnant non-U.S. citizens who are not qualified aliens and pregnant individuals detained by legal process receive care only on a fee-for-service basis. Providers are required to follow all program requirements (e.g., claims submission procedures, PA requirements) when providing services to these women.

Emergency Services for Non-U.S. Citizens

When BadgerCare Plus enrollment ends for pregnant non-U.S. citizens who are not qualified aliens, they receive coverage for emergency services. These women receive emergency coverage for 60 days after the pregnancy ends; this coverage continues through the end of the month in which the 60th day falls (e.g., a woman who delivers on June 20, 2006, would be enrolled through the end of August 2006).

BadgerCare Plus

BadgerCare Plus is a state-sponsored health care program that expands coverage of Wisconsin residents and ensures that all children in Wisconsin have access to affordable health care.

The key initiatives of BadgerCare Plus are:

- To ensure that all Wisconsin children have access to affordable health care.
- To ensure that 98 percent of Wisconsin residents have access to affordable health care.
- To streamline program administration and enrollment rules.
- To expand coverage and provide enhanced benefits for pregnant women.
- To promote prevention and healthy behaviors.

BadgerCare Plus expands enrollment in state-sponsored health care to the following:

- All uninsured children.
- More pregnant women.
- More parents and caretaker relatives.
- Parents with children in foster care who are working to reunify their families.
- Young adults exiting out-of-home care, such as foster care, because they have turned 18 years of age.
- Certain farmers and other self-employed parents and caretaker relatives.

Where available, all BadgerCare Plus members will be enrolled in BadgerCare Plus HMOs. In those areas of Wisconsin where HMOs are not available, services will be reimbursed on a fee-for-service basis.

Benefit Plans under BadgerCare Plus

BadgerCare Plus is comprised of two benefit plans, the BadgerCare Plus Standard Plan and the BadgerCare Plus Benchmark Plan. The services covered under the Standard Plan are the same as the Wisconsin Medicaid program. The Benchmark Plan is a more limited plan, modeled after commercial insurance.

BadgerCare Plus Standard Plan

The Standard Plan covers children, parents and caretaker relatives, young adults aging out of foster care, and pregnant women with incomes at or below 200 percent of the FPL.

BadgerCare Plus Benchmark Plan

The Benchmark Plan was adapted from Wisconsin's largest commercial, low-cost health care plan. The Benchmark Plan is for children and pregnant women with incomes above 200 percent of the FPL and certain self-employed parents, such as farmers with incomes above 200 percent of the FPL.

Express Enrollment for Children and Pregnant Women

EE for Pregnant Women Benefit is a limited benefit category that allows a pregnant woman to receive immediate pregnancy-related outpatient services while her application for full-benefit BadgerCare Plus is processed. Enrollment is not restricted based on the member's other health insurance coverage. Therefore, a pregnant woman who has other health insurance may be enrolled in the benefit.

To determine enrollment for EE for Pregnant Women, providers should use the income limits for 200 percent and 300 percent of the [FPL](#).

The EE for Children Benefit allows certain members under 18 years of age to receive BadgerCare Plus benefits under the BadgerCare Plus Standard Plan while an application for BadgerCare Plus is processed.

Fee-for-Service

Women and children who are temporarily enrolled in BadgerCare Plus through the EE process are not eligible for enrollment in an HMO until they are determined eligible for full benefit BadgerCare Plus by the county/tribal office.

Family Planning Waiver

The FPW is a limited benefit program that provides routine contraceptive-related services to low-income women age 15 through 44 who are otherwise not eligible for Wisconsin Medicaid or BadgerCare Plus. Members receiving FPW services must be receiving routine contraceptive-related services.

The goal of the FPW is to provide women with information and services to assist them in preventing pregnancy, making BadgerCare Plus enrollment due to pregnancy less likely. Providers should explain the purpose of the FPW to women and encourage them to contact their local county or tribal agency to determine their enrollment options if they are not interested in receiving, or do not wish to receive, contraceptive services.

Members enrolled in the FPW receive routine services to prevent or delay pregnancy. In addition, FPW members may receive certain reproductive health services if the services are determined medically necessary during contraceptive-related FPW services. Only services *clearly* related to contraceptive management are covered under the FPW.

Providers should inform women about other service options and provide referrals for care not covered by the FPW.

FPW members are not eligible for other services that are covered under full-benefit Medicaid and BadgerCare Plus (e.g., PT services, dental services). Even if a medical condition is discovered during a contraceptive-related FPW service, treatment for the condition is not covered under the FPW unless the treatment is identified in the list of [allowable procedure codes](#) for FPW services. They are also not eligible for other family planning services that are covered under full-benefit Wisconsin Medicaid and BadgerCare Plus (e.g., mammograms and hysterectomies). If a medical condition, other than an STD, is discovered during contraceptive-related services, treatment for the medical condition is not covered under the FPW.

Colposcopies and treatment for STDs are only covered through the FPW if they are determined medically necessary during routine contraceptive-related services. A colposcopy is a covered service when an abnormal result is received from a pap test, prior to the colposcopy, while the member is in the FPW program and receiving contraceptive-related services.

FPW members diagnosed with cervical cancer, precancerous conditions of the cervix, or breast cancer may be eligible for Wisconsin Well Woman Medicaid. Providers should assist eligible members with the enrollment process for Well Woman Medicaid.

Providers should inform women about other service options and provide referrals for care not covered by FPW.

Temporary Enrollment for the Family Planning Waiver

Women whose providers are submitting an initial FPW application on their behalf and who meet the enrollment criteria may receive routine contraceptive-related services immediately through TE for the FPW for up to three months. Services covered under the TE for the FPW are the same as those covered under the FPW and must be clearly related to routine contraceptive management.

To determine enrollment for the FPW, providers should use the income limit for 200 percent of the [FPL](#).

TE for the FPW providers may issue white paper TE for BadgerCare Plus FPW Plan temporary identification cards for women to use until they receive a ForwardHealth identification card. Providers should remind women that the benefit is temporary, despite their receiving a ForwardHealth card.

ForwardHealth and ForwardHealth interChange

ForwardHealth brings together many DHS health care programs with the goal to create efficiencies for providers and to improve health outcomes for members. ForwardHealth interChange is the DHS claims processing system that supports multiple state health care programs and Web services, including:

- BadgerCare Plus.
- BadgerCare Plus and Medicaid Managed care programs.
- SeniorCare.
- WCDP.
- WIR.
- Wisconsin Medicaid.
- Wisconsin Well Woman Medicaid.

- WWWP.

ForwardHealth interChange is supported by the state's fiscal agent, EDS.

Limited Benefit Categories Overview

Certain members may be enrolled in a limited benefit category. These limited benefit categories include the following:

- BadgerCare Plus Expansion for Certain Pregnant Women.
- EE for Children.
- EE for Pregnant Women.
- FPW, including the PE for the FPW.
- QDWI.
- QI-1.
- QMB Only.
- SLMB.
- TB-Only Benefit.

Members may be enrolled in full-benefit Medicaid or BadgerCare Plus and also be enrolled in certain limited benefit programs, including QDWI, QI-1, QMB Only, and SLMB. In those cases, a member has full Medicaid or BadgerCare Plus coverage in addition to limited coverage for Medicare expenses.

Members enrolled in BadgerCare Plus Expansion for Certain Pregnant Women, FPW, EE for Children, EE for Pregnant Women, or the TB-Only Benefit cannot be enrolled in full-benefit Medicaid or BadgerCare Plus. These members receive benefits through the limited benefit category.

Providers should note that a member may be enrolled in more than one limited benefit category. For example, a member may be enrolled in the FPW and the TB-Only Benefit.

Providers are strongly encouraged to verify dates of enrollment and other coverage information using the EVS to determine whether a member is in a limited benefit category, receives full-benefit Medicaid or BadgerCare Plus, or both.

Providers are responsible for knowing which services are covered under a limited benefit category. If a member of a limited benefit category requests a service that is not covered under the limited benefit category, the provider may collect payment from the member if certain [conditions](#) are met.

Medicaid

Medicaid is a joint federal/state program established in 1965 under Title XIX of the Social Security Act to pay for medical services for selected groups of people who meet the program's financial requirements.

The purpose of Medicaid is to provide reimbursement for and assure the availability of appropriate medical care to persons who meet the criteria for Medicaid. Wisconsin Medicaid is also known as the Medical Assistance Program, WMAP, MA, Title XIX, or T19.

A Medicaid member is any individual entitled to benefits under Title XIX of the Social Security Act and under the Medical Assistance State Plan as defined in ch. [49](#), Wis. Stats.

Wisconsin Medicaid enrollment is determined on the basis of financial need and other factors. A citizen of the United States or a "qualified immigrant" who meets low-income financial requirements may be enrolled in Wisconsin Medicaid if he or she is in one of the following categories:

- Age 65 and older.
- Blind.
- Disabled.

Some needy and low-income people become eligible for Wisconsin Medicaid by qualifying for programs such as:

- Katie Beckett.
- Medicaid Purchase Plan.
- [Subsidized adoption](#) and foster care programs.
- SSI.
- WWWP.

Providers may advise these individuals or their representatives to contact their [certifying agency](#) for more information. The following agencies certify people for Wisconsin Medicaid enrollment:

- Local county or tribal agencies.
- Medicaid outstation sites.
- SSA offices.

In limited circumstances, some state agencies also certify individuals for Wisconsin Medicaid.

Medicaid fee-for-service members receive services through the traditional health care payment system under which providers receive a payment for each unit of service provided. Some Medicaid members receive services through state-contracted MCOs.

Qualified Disabled Working Individual Members

QDWI members are a limited benefit category of Medicaid members. They receive payment of Medicare monthly premiums for Part A.

QDWI members are certified by their local county or tribal agency. To qualify, QDWI members are required to meet the following qualifications:

- Have income under 200 percent of the FPL.
- Be entitled to, but not necessarily enrolled in, Medicare Part A.
- Have income or assets too high to qualify for QMB Only and SLMB.

Qualified Medicare Beneficiary-Only Members

QMB-Only members are a limited benefit category of Medicaid members. They receive payment of the following:

- Medicare monthly premiums for Part A, Part B, or both.
- Coinsurance, copayment, and deductible for Medicare-allowed services.

QMB-Only members are certified by their local county or tribal agency. QMB-Only members are required to meet the following qualifications:

- Have an income under 100 percent of the FPL.
- Be entitled to, but not necessarily enrolled in, Medicare Part A.

Qualifying Individual 1 Members

QI-1 members are a limited benefit category of Medicaid members. They receive payment of Medicare monthly premiums for Part B.

QI-1 members are certified by their local county or tribal agency. To qualify, QI-1 members are required to meet the following qualifications:

- Have income between 120 and 135 percent of the FPL.
- Be entitled to, but not necessarily enrolled in, Medicare Part A.

Specified Low-Income Medicare Beneficiaries

SLMB members are a limited benefit category of Medicaid members. They receive payment of Medicare monthly premiums for Part B.

SLMB members are certified by their local county or tribal agency. To qualify, SLMB members are required to meet the following qualifications:

- Have an income under 120 percent of the FPL.
- Be entitled to, but not necessarily enrolled in, Medicare Part A.

Tuberculosis-Related Services-Only Benefit

The [TB-Only Benefit](#) is a limited benefit category that allows individuals with TB infection or disease to receive covered TB-related outpatient services.

Wisconsin Well Woman Medicaid

Wisconsin Well Woman Medicaid provides full Medicaid benefits to underinsured or uninsured women ages 35 to 64 who have been screened and diagnosed by WWWP or the FPW, meet all other enrollment requirements, and are in need of treatment for any of the following:

- Breast cancer.
- Cervical cancer.
- Precancerous conditions of the cervix.

Services provided to women who are enrolled in Well Woman Medicaid are reimbursed through Medicaid fee-for-service.

Enrollment Responsibilities

General Information

Members have certain responsibilities per [DHS 104.02](#), Wis. Admin. Code, and the [Medicaid Enrollment and Benefits](#) booklet or the [BadgerCare Plus Enrollment and Benefits](#) booklet.

Loss of Enrollment — Financial Liability

Some covered services consist of a series of sequential treatment steps, meaning more than one office visit is required to complete treatment.

In most cases, if a member loses enrollment midway through treatment, BadgerCare Plus will *not* reimburse services (including prior authorized services) after enrollment has lapsed.

Members are financially responsible for any services received after their enrollment has been terminated. If the member wishes to continue treatment, it is a decision between the provider and the member whether the service should be given and how the services will be paid. The provider may collect payment from the member if the member accepts responsibility for payment of a service and certain [conditions](#) are met.

To avoid misunderstandings, it is recommended that providers remind members that they are financially responsible for any continued care after enrollment ends.

To avoid potential reimbursement problems that can arise when a member loses enrollment midway through treatment, the provider is encouraged to verify the member's enrollment using the [EVS](#) or the ForwardHealth Portal prior to providing each service, even if an approved PA request is obtained for the service.

Member Cooperation

Members are responsible for giving providers full and accurate information necessary for the correct submission of claims. If a member has other health insurance, it is the member's obligation to give full and accurate information to providers regarding the insurance.

Members Should Present Card

It is important that providers determine a member's enrollment and other insurance coverage *prior to* each DOS that services are provided. Pursuant to [DHS 104.02\(2\)](#), Wis. Admin. Code, a member should inform providers that he or she is enrolled in BadgerCare Plus or Wisconsin Medicaid and should present a current ForwardHealth identification card before receiving services.

Note: Due to the nature of their specialty, certain providers — such as anesthesiologists, radiologists, DME suppliers, independent laboratories, and ambulances — are not always able to see a member's ForwardHealth identification card because they might not have direct contact with the member prior to providing the service. In these circumstances, it is still the provider's responsibility to obtain member enrollment information.

Prior Identification of Enrollment

Except in emergencies that preclude prior identification, members are required to inform providers that they are receiving benefits and must present their ForwardHealth identification card before receiving care. If a [member forgets his or her ForwardHealth card](#), providers may verify enrollment without it.

Reporting Changes to Caseworkers

Members are required to report certain changes to their caseworker at their certifying agency. These changes include, but are not limited to, the following:

- A new address or a move out of state.
- A change in income.
- A change in family size, including pregnancy.
- A change in other health insurance coverage.
- Employment status.
- A change in assets for members who are over 65 years of age, blind, or disabled.

Enrollment Rights

Appealing Enrollment Determinations

Applicants and members have the right to appeal certain decisions relating to BadgerCare Plus or Medicaid enrollment. An applicant, a member, or authorized person acting on behalf of the applicant or member, or former member may file the appeal with the DHA.

Pursuant to [HA 3.03](#), Wis. Admin. Code, an applicant, member, or former member may appeal any adverse action or decision by an agency or department that affects their benefits. Examples of decisions that may be appealed include, but are not limited to, the following:

- Individual was denied the right to apply.
- Application for BadgerCare Plus or Wisconsin Medicaid was denied.
- Application for BadgerCare Plus or Wisconsin Medicaid was not acted upon promptly.
- Enrollment was unfairly discontinued, terminated, suspended, or reduced.

In the case when enrollment is cancelled or terminated, the date the member, or authorized person acting on behalf of the member, files an appeal with the DHA determines what continuing coverage, if any, the member will receive until the hearing decision is made. The following scenarios describe the coverage allowed for a member who files an appeal:

- If a member files an appeal before his or her enrollment ends, coverage will continue pending the hearing decision.
- If a member files an appeal within 45 days after his or her enrollment ends, a hearing is allowed but coverage is not reinstated.

If the member files an appeal more than 45 days after his or her enrollment ends, a hearing is not allowed. Members may file an appeal by submitting a [Request for Fair Hearing form](#).

Claims for Appeal Reversals

If a claim is denied due to termination of enrollment, a hearing decision that reverses that determination will allow the claim to be resubmitted and paid. The provider is required to obtain a copy of the appeal decision from the member, attach the copy to the previously denied claim, and submit both to ForwardHealth at the following address:

ForwardHealth
Specialized Research
Ste 50
6406 Bridge Rd
Madison WI 53784-0050

If a provider has not yet submitted a claim, the provider is required to submit a copy of the hearing decision along with a paper claim to Specialized Research.

As a reminder, claims [submission deadlines](#) still apply even to those claims with hearing decisions.

Freedom of Choice

Members may receive covered services from *any* willing Medicaid-certified provider, unless they are enrolled in a state-contracted MCO or assigned to the [Member Lock-In Program](#).

General Information

Members are entitled to certain rights per [DHS 103](#), Wis. Admin. Code.

Notification of Discontinued Benefits

When the DHS intends to discontinue, suspend, or reduce a member's benefits, or reduce or eliminate coverage of services for a general class of members, the DHS sends a written notice to members. This notice is required to be provided at least 10 days before the effective date of the action.

Prompt Decisions on Enrollment

Individuals applying for BadgerCare Plus or Wisconsin Medicaid have the right to prompt decisions on their applications. Enrollment decisions are made within 60 days of the date the application was signed for those with disabilities and within 30 days for all other applicants.

Requesting Retroactive Enrollment

An applicant has the right to request [retroactive enrollment](#) when applying for BadgerCare Plus or Wisconsin Medicaid. Enrollment may be backdated to the first of the month three months prior to the date of application for eligible members. Retroactive enrollment does not apply to QMB-Only members.

Identification Cards

ForwardHealth Identification Cards

Each enrolled member receives an identification card. Possession of a program identification card does not guarantee enrollment. It is possible that a member will present a card during a lapse in enrollment; therefore, it is essential that providers verify enrollment before providing services. Members are told to keep their cards even though they may have lapses in enrollment.

ForwardHealth Identification Card Features

The [ForwardHealth identification card](#) includes the member's name, 10-digit member ID, magnetic stripe, signature panel, and the Member Services telephone number. The card also has a unique, 16-digit card number on the front for internal program use.

The ForwardHealth card does not need to be signed to be valid; however, adult members are encouraged to sign their cards. Providers may use the signature as another means of identification.

The toll-free number on the back of each of the cards is for member use only. The address on the back of each card is used to return a lost card to ForwardHealth if it is found.

If a provider finds discrepancies with the identification number or name between what is indicated on the ForwardHealth card and the provider's file, the provider should verify enrollment with Wisconsin's EVS.

Identification Number Changes

Some providers may question whether services should be provided if a member's 10-digit identification number on his or her ForwardHealth card does not match the EVS response. If the EVS indicates the member is enrolled, services should be provided.

A member's identification number may change, and the EVS will reflect that change. However, ForwardHealth does not automatically send a replacement ForwardHealth card with the new identification number to the member. ForwardHealth cross-references the old and new identification numbers so a provider may submit claims with either number. The member may request a replacement ForwardHealth card that indicates the new number.

Member Name Changes

If a member's name on the ForwardHealth card is different than the response given from Wisconsin's EVS, providers should use the name from the EVS response. When a name change is reported and on file, a new card will automatically be sent to the member.

Deactivated Cards

When any member identification card has been replaced for any reason, the previous identification card is deactivated. If a member presents a deactivated card, providers should encourage the member to discard the deactivated card and use only the new card.

Although a member identification card may be deactivated, the member ID is valid and the member still may be enrolled in a ForwardHealth program.

If a provider swipes a ForwardHealth card using a magnetic stripe card reader and finds that it has been deactivated, the provider may request a second form of identification if he or she does not know the member. After the member's identity has been verified, providers may verify a member's enrollment by using one of the EVS methods such as [AVR](#).

Defective Cards

If a provider uses a card reader for a ForwardHealth card and the magnetic stripe is defective, the provider should encourage the member to call Member Services at the number listed on the back of the member's card to request a new card.

If a member presents a ForwardHealth card with a defective magnetic stripe, providers may verify the member's enrollment by using an alternate enrollment verification method. Providers may also verify a member's enrollment by entering the member ID or 16-digit card number on a touch pad, if available, or by calling [WiCall](#) or [Provider Services](#).

Lost Cards

If a member needs a replacement ForwardHealth card, he or she may call Member Services to request a new one.

If a member lost his or her ForwardHealth card or never received one, the member may call [Member Services](#) to request a new one.

Managed Care Organization Enrollment Changes

Members do not receive a new ForwardHealth card if they are enrolled in a state-contracted MCO or change from one MCO to another. Providers should verify enrollment with the EVS every time they see a member to ensure they have the most current managed care enrollment information.

Temporary Enrollment for BadgerCare Plus Family Planning Waiver Plan Temporary Cards

Qualified providers may issue white paper TE for BadgerCare Plus FPW Plan identification cards for women to use temporarily until they receive a ForwardHealth identification card. The identification card is included with the TE for BadgerCare Plus FPW Plan Application.

The TE for the FPW identification cards have the following message printed on them: "BadgerCare Plus Temporary Identification Card for Temporary Enrollment for the Family Planning Waiver Plan." Providers should accept the white TE for the FPW identification cards as proof of enrollment for the dates provided on the cards and are encouraged to keep a photocopy of the card.

Temporary Express Enrollment Cards

There are two types of temporary EE identification cards. One is issued for pregnant women and the other for children that are enrolled in BadgerCare Plus through EE. The EE cards are valid for 14 days. [Samples](#) of temporary EE cards for children and pregnant women are available.

Providers may assist pregnant women with filling out an application for temporary ambulatory prenatal care benefits (formerly known as PE) through the online EE process. Express Enrollment identification cards are included on the bottom portion of the enrollment notice that is printed out and provided to the member after the on-line enrollment process is completed.

The paper application may also be used to apply for temporary ambulatory prenatal benefits for pregnant women. The beige paper identification card is attached to the last page of the application and provided to the woman after she completes the enrollment process. A [sample](#) of an EE temporary card from the back of the EE application is available.

The online EE process is also available for adults to apply for full BadgerCare Plus benefits for children. EE identification cards are included on the bottom portion of the enrollment notice that is printed out and provided to the member after the online enrollment process is completed. This temporary identification card is different, since providers may see more than one child listed if multiple children in one household are enrolled through EE. However; each child will receive his or her own ForwardHealth card after the

application is submitted.

Each member who is enrolled through EE will receive a ForwardHealth card usually within three business days after the EE application is submitted and approved. To ensure children and pregnant women receive needed services in a timely manner, providers should accept the printed paper EE cards for children and either the printed paper EE card or the beige identification cards for pregnant women as proof of enrollment for the dates provided on the cards. Providers may use Wisconsin's EVS to verify enrollment for dates of service after those printed on the card. Providers are encouraged to keep a photocopy of the card.

Information is available for [dates of service before April 1, 2009](#).

Temporary ForwardHealth Identification Cards

All Medicaid certifying agencies have the authority to issue [green paper temporary identification cards](#) to applicants who meet enrollment requirements. Temporary cards are usually issued only when an applicant is in need of medical services prior to receiving the ForwardHealth card. Providers should accept temporary cards as proof of enrollment. Eligible applicants may receive covered services for the dates shown on the card.

Providers are encouraged to keep a photocopy of the temporary card and should delay submitting claims for one week from the enrollment start date until the enrollment information is transmitted to ForwardHealth.

ForwardHealth accepts properly completed and submitted claims for covered services provided to applicants possessing a temporary card as long as the DOS is within the dates shown on the card.

If a claim is denied with an enrollment-related explanation, even though the provider verified the member's enrollment before providing the service, a [good faith claim](#) may be submitted.

Types of Identification Cards

ForwardHealth members receive an identification card upon initial eligibility determination. Identification cards may be in any of the following formats:

- White plastic ForwardHealth cards.
- Green paper temporary cards.
- Paper printout identification cards for EE for children and pregnant women and beige PE cards for pregnant women who are enrolled in BadgerCare Plus through EE.
- White paper PE for the FPW program cards.

Misuse and Abuse of Benefits

Examples of Member Abuse or Misuse

Examples of member abuse or misuse are included in [DHS 104.02\(5\)](#), Wis. Admin. Code.

Member Lock-In Program

If ForwardHealth determines that a member is abusing BadgerCare Plus or Medicaid services, the member may be required to designate a health care provider under the Member Lock-In Program. (A member has the right to appeal this action.) Members are required to designate, in any or all categories of health care, a Medicaid-certified provider of their choice. If a member fails to choose a provider, ForwardHealth may designate one based on claims data.

ForwardHealth notifies the member's chosen health care provider by letter. Another letter is also sent to the member. The provider has the option to decline to act as the selected health care provider for the member.

A member in the Lock-In Program who has already designated a provider can only receive the locked-in services from his or her designated provider. A provider who is *not* the designated provider of a Lock-In Program member for the locked-in services should not perform services for that member unless a referral is in place from the Lock-In provider.

Claims for restricted, nonemergency services performed by a provider who is not the designated provider are reviewed by ForwardHealth and may be denied.

Providers may obtain Lock-In information by using any of the enrollment verification methods. To obtain the name of the designated Lock-In provider, call [Provider Services](#).

Providers May Make Referrals

The designated Lock-In provider may make referrals to other providers of medical services. ForwardHealth supplies Lock-In Program providers with referral forms that should be used when it is necessary to refer the member to another provider.

Reimbursement is made if the referral can be documented as medically necessary and the services are covered.

Providers may receive reimbursement for emergency services given without a referral to a locked-in member if the claim is accompanied by a full explanation of the emergency circumstances.

The designated provider is required to maintain all appropriate documentation in the member's medical records.

Notifying ForwardHealth

Providers are required to notify ForwardHealth if they have reason to believe that a person is misusing or abusing BadgerCare Plus or Medicaid benefits or the ForwardHealth identification card. Section [49.49](#), Wis. Stats., defines actions that represent member misuse or abuse of benefits and the resulting sanctions that may be imposed. Providers are under no obligation to inform the member that they are doing so. A provider may not confiscate a ForwardHealth card from a member in question.

If a provider suspects that a member is abusing his or her benefits or misusing his or her ForwardHealth card, providers are required to notify ForwardHealth by calling [Provider Services](#) or by writing to the following office:

Division of Health Care Access and Accountability
Bureau of Program Integrity
PO Box 309
Madison WI 53701-0309

ForwardHealth monitors member records and can impose sanctions on those who misuse or abuse their benefits. For more information on member misuse and abuse and the resulting sanctions, refer to s. 49.49, Wis. Stats.

Providers May Refuse to Provide Services

Providers may refuse to provide services to a BadgerCare Plus or Medicaid member in situations when there is reason to believe that the person presenting the ForwardHealth identification card is misusing or abusing it.

Members who abuse or misuse BadgerCare Plus or Wisconsin Medicaid benefits or their ForwardHealth card may have their benefits terminated or be subject to limitations under the Member Lock-In Program or to criminal prosecution.

Requesting Additional Proof of Identity

Providers may request additional proof of identity from a member if they suspect fraudulent use of a ForwardHealth identification card. If another form of identification is not available, providers can compare a person's signature with the signature on the back of the ForwardHealth identification card if it is signed. (adult members are encouraged to sign the back of their cards; however, it is not mandatory for members to do so.)

Verifying member identity, as well as enrollment, can help providers detect instances of fraudulent ForwardHealth card use.

Special Enrollment Circumstances

Medicaid Members from Other States

Wisconsin Medicaid does not pay for services provided to members enrolled in other state Medicaid programs. Providers are advised to contact [other state Medicaid programs](#) to determine whether the service sought is a covered service under that state's Medicaid program.

Members Traveling Out of State

When a member travels out of state but is within the United States (including its territories), Canada, or Mexico, BadgerCare Plus covers medical services in any of the following circumstances:

- An emergency illness or accident.
- When the member's health would be endangered if treatment were postponed.
- When the member's health would be endangered if travel to Wisconsin were undertaken.
- When PA has been granted to the out-of-state provider for provision of a nonemergency service.
- When there are coinsurance, copayment, or deductible amounts remaining after Medicare payment or approval for dual eligibles.

Note: Some providers located in a state that borders Wisconsin may be Wisconsin Medicaid certified as a [border-status provider](#) if the provider notifies ForwardHealth in writing that it is common practice for members in a particular area of Wisconsin to seek his or her medical services. Border-status providers follow the same policies as Wisconsin providers.

Non-U.S. Citizens — Emergency Services

Certain non-U.S. citizens who are not qualified aliens are eligible for BadgerCare Plus services only in cases of acute emergency medical conditions. Providers should use the appropriate ICD-9-CM diagnosis code to document the nature of the emergency.

An emergency medical condition is a medical condition manifesting itself by acute symptoms of such severity that one could reasonably expect the absence of immediate medical attention to result in the following:

- Placing the person's health in serious jeopardy.
- Serious impairment to bodily functions.
- Serious dysfunction of any bodily organ or part.

Due to federal regulations, BadgerCare Plus does not cover services for non-U.S. citizens who are not qualified aliens related to routine prenatal or postpartum care, major organ transplants (e.g., heart, liver), or ongoing treatment for chronic conditions where there is no evidence of an acute emergent state. For the purposes of this policy, all labor and delivery is considered an emergency service.

Note: Babies born to certain non-qualifying immigrants are eligible for Medicaid enrollment under the CEN option. However, babies born to women with incomes over 300 percent of the FPL are not eligible for CEN status. The baby may still qualify for BadgerCare Plus. These mothers should report the birth to the local agencies within ten calendar days.

A provider who gives emergency care to a non-U.S. citizen should refer him or her to the local county or tribal agency or ForwardHealth outpost site for a determination of BadgerCare Plus enrollment. Providers may complete the [Certification of Emergency for Non-U.S. Citizens form](#), for clients to take to the local county or tribal agency in their county of residence where the

BadgerCare Plus enrollment decision is made.

Providers should be aware that a client's enrollment does not guarantee that the services provided will be reimbursed by BadgerCare Plus.

Information for [DOS before January 1, 2009](#), is available.

Out-of-State Youth Program

The OSY program is responsible for health care services provided to Wisconsin children placed outside the state in foster and subsidized adoption situations. These children are eligible for coverage. The objective is to assure that these children receive quality medical care.

Out-of-state providers not located in border-status-eligible communities may qualify as border-status providers if they deliver services as part of the OSY program. However, providers who have border status as part of the OSY program are reimbursed only for services provided to the specific foster care or subsidized adopted child. In order to receive reimbursement for services provided to other members, the provider is required to follow rules for out-of-state noncertified providers.

For subsidized adoptions, benefits are usually determined through the adoption assistance agreement and are provided by the state where the child lives. However, some states will not provide coverage to children with state-only funded adoption assistance. In these cases, Wisconsin will continue to provide coverage.

OSY providers are subject to the same regulations and policies as other certified border-status providers. For more information about the OSY program, call [Provider Services](#) or write to ForwardHealth at the following address:

ForwardHealth
Out-of-State Youth
Ste 50
6406 Bridge Rd
Madison WI 53784-0050

Persons Detained by Legal Process

Most individuals detained by legal process are *not* eligible for BadgerCare Plus or Wisconsin Medicaid benefits. Only those individuals who qualify for the [BadgerCare Plus Expansion for Certain Pregnant Women](#) may receive benefits.

"Detained by legal process" means a person who is incarcerated (including some Huber Law prisoners) because of law violation or alleged law violation, which includes misdemeanors, felonies, delinquent acts, and day-release prisoners. The justice system oversees health care-related needs for individuals detained by legal process who do not qualify for the BadgerCare Plus Expansion for Certain Pregnant Women.

Retroactive Enrollment

Retroactive enrollment occurs when an individual has applied for BadgerCare Plus or Medicaid and enrollment is granted with an effective date prior to the date the enrollment determination was made. A member's enrollment may be backdated to allow retroactive coverage for medical bills incurred prior to the date of application.

The retroactive enrollment period may be backdated up to three months prior to the month of application if all enrollment requirements were met during the period. Enrollment may be backdated more than three months if there were delays in determining enrollment or if court orders, fair hearings, or appeals were involved.

Reimbursing Members in Cases of Retroactive Enrollment

When a member receives retroactive enrollment, he or she has the right to request the return of payments made to a Medicaid-certified provider for a covered service during the period of retroactive enrollment, according to [DHS 104.01\(11\)](#), Wis. Admin. Code. A Medicaid-certified provider is required to submit claims to Medicaid for covered services provided to a member during periods of retroactive enrollment. Medicaid cannot directly refund the member.

If a service(s) that requires PA was performed during the member's period of retroactive enrollment, the provider is required to submit a PA request and receive approval from Medicaid *before* submitting a claim.

If a provider receives reimbursement from Medicaid for services provided to a retroactively enrolled member and the member has paid for the service, the provider is required to reimburse the member or authorized person acting on behalf of the member (e.g., local General Relief agency) the full amount that the member paid for the service.

If a claim cannot be filed within 365 days of the DOS due to a delay in the determination of a member's retroactive enrollment, the provider is required to submit the claim to Timely Filing within 180 days of the date the retroactive enrollment is entered into Wisconsin's EVS (if the services provided during the period of retroactive enrollment were covered).

Spendedown to Meet Financial Enrollment Requirements

Occasionally, an individual with significant medical bills meets all enrollment requirements except those pertaining to income. These individuals are required to "spendedown" their income to meet financial enrollment requirements.

The certifying agency calculates the individual's spenddown (or deductible) amount, tracks all medical costs the individual incurs, and determines when the medical costs have satisfied the spenddown amount. (A payment for a medical service does not have to be made by the individual to be counted toward satisfying the spenddown amount.)

When the individual meets the spenddown amount, the certifying agency notifies ForwardHealth and the provider of the last service that the individual is eligible beginning on the date that the spenddown amount was satisfied.

If the individual's last medical bill is greater than the amount needed to satisfy the spenddown amount, the certifying agency notifies the affected provider by indicating the following:

- The individual is eligible for benefits as of the DOS on the last bill.
- A claim for the service(s) on the last bill should be submitted to ForwardHealth. (The claim should indicate the full cost of the service.)
- The portion of the last bill that the individual must pay to the provider.

The certifying agency also informs ForwardHealth of the individual's enrollment and identifies the following:

- The DOS of the final charges counted toward satisfying the spenddown amount.
- The provider number of the provider of the last service.
- The spenddown amount remaining to be satisfied.

When the provider submits the claim, the spenddown amount will automatically be deducted from the provider's reimbursement for the claim. The spenddown amount is indicated in the Member's Share element on the [Medicaid Remaining Deductible Update form](#) sent to providers by the member's certifying agency. The provider's reimbursement is then reduced by the amount of the member's obligation.

Prior Authorization

7

Archive Date:06/01/2009

Prior Authorization:Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Reimbursement

8

Archive Date:06/01/2009

Reimbursement:Amounts

Acceptance of Payment

The amounts allowed as payment for covered services must be accepted as payment in full. Therefore, total payment for the service (i.e., any amount paid by other health insurance sources, any BadgerCare Plus or Medicaid copayment or spenddown amounts paid by the member, and any amount paid by BadgerCare Plus) may not exceed the BadgerCare Plus-allowed amount. As a result, providers may not collect payment from a member, or authorized person acting on behalf of the member, for the difference between their usual and customary charge and the BadgerCare Plus-allowed amount for a service (i.e., balance billing).

Other health insurance payments may exceed the BadgerCare Plus-allowed amount if no additional payment is received from the member or BadgerCare Plus.

Billing Service and Clearinghouse Contracts

According to [DHS 106.03\(5\)\(c\)2](#), Wis. Admin. Code, contracts with outside billing services or clearinghouses may not be based on commission in which compensation for the service is dependent on reimbursement from BadgerCare Plus. This means compensation must be unrelated, directly or indirectly, to the amount of reimbursement or the number of claims and is not dependent upon the actual collection of payment.

Fee Schedules

[Maximum allowable fee](#) information is available on the ForwardHealth Portal in the following forms:

- Interactive fee schedule.
- Downloadable fee schedule in TXT files.

Certain fee schedules are interactive. Interactive fee schedules provide coverage information as well as maximum allowable fees for all reimbursable procedure codes. The downloadable TXT files are free of charge and provide basic maximum allowable fee information for BadgerCare Plus by provider service area.

A provider may request a paper copy of a fee schedule by calling [Provider Services](#).

Providers may call Provider Services in the following cases:

- Internet access is not available.
- There is uncertainty as to which fee schedule should be used.
- The appropriate fee schedule cannot be found on the Portal.
- To determine coverage or maximum allowable fee of procedure codes not appearing on a fee schedule.

Maximum Allowable Fees

Maximum allowable fees are established for most covered services. Maximum allowable fees are based on various factors, including a review of usual and customary charges submitted, the Wisconsin State Legislature's Medicaid budgetary constraints, and other relevant economic limitations. Maximum allowable fees may be adjusted to reflect reimbursement limits or limits on the availability of federal funding as specified in federal law.

Providers are reimbursed at the lesser of their billed amount and the maximum allowable fee for the procedure.

Collecting Payment From Members

Conditions That Must Be Met

A member may request a noncovered service, a covered service for which PA was denied (or modified), or a service that is not covered under the member's limited benefit category. The charge for the service may be collected from the member if the following conditions are met *prior* to the delivery of that service:

- The member accepts responsibility for payment.
- The provider and member make payment arrangements for the service.

Providers are strongly encouraged to obtain a *written* statement in advance documenting that the member has accepted responsibility for the payment of the service.

Furthermore, the service must be separate or distinct from a related, covered service. For example, a vision provider may provide a member with eyeglasses but then, upon the member's request, provide and charge the member for anti-glare coating, which is a noncovered service. Charging the member is permissible in this situation because the anti-glare coating is a separate service and can be added to the lenses at a later time.

Cost Sharing

According to federal regulations, providers cannot hold a member responsible for any commercial or Medicare cost-sharing amount such as coinsurance, copayment, or deductible. Therefore, a provider may not collect payment from a member, or authorized person acting on behalf of the member, for copayments required by other health insurance sources. Instead, the provider should collect *only* the copayment amount from the member.

Situations When Member Payment Is Allowed

Providers may not collect payment from a member, or authorized person acting on behalf of the member, *except* for the following:

- Required member [copayments](#) for certain services.
- Commercial insurance payments made to the member.
- [Spendedown](#).
- Charges for a [private room](#) in a nursing home or hospital.
- Noncovered services if certain conditions are met.
- Covered services for which PA was denied (or an originally requested service for which a PA request was modified) if certain conditions are met. These services are treated as noncovered services.
- Services provided to a member in a limited benefit category when the services are not covered under the limited benefit and if certain conditions are met.

If a provider inappropriately collects payment from a member, or authorized person acting on behalf of the member, that provider may be subject to program sanctions including termination of Medicaid certification.

Copayment

Exemptions

Wisconsin Medicaid Exemptions

According to [DHS 104.01\(12\)](#), Wis. Admin. Code, providers are prohibited from collecting copayment from the following Wisconsin Medicaid members:

- Members under 18 years of age with incomes at or below 100 percent of the FPL. (For HealthCheck services, members under 19 years old are exempt.)
- Members under 18 years of age who are members of a federally recognized tribe regardless of income.
- Members enrolled in Medicaid because they are in foster care regardless of age.
- Members enrolled in Medicaid through subsidized adoption regardless of age.
- Members enrolled in Medicaid through the Katie Beckett program regardless of age.
- Nursing home residents.
- Members enrolled in Medicaid SSI HMOs or Medicaid special managed care programs receiving managed care-covered services.
- Pregnant women.

The following services do not require copayment:

- Case management services.
- Crisis intervention services.
- CSP services.
- Emergency services.
- Family planning services, including sterilizations.
- Home care services.
- Hospice care services.
- Immunizations.
- Independent laboratory services.
- Injections.
- PDN and PDN services for ventilator-dependent members.
- SBS.
- Substance abuse day treatment services.
- Surgical assistance.

BadgerCare Plus Standard Plan Exemptions

Providers are prohibited from collecting copayment from the following BadgerCare Plus Standard Plan members:

- Members in nursing homes.
- Members under 18 years old who are members of a federally recognized tribe regardless of income.
- Members under 18 years old with incomes at or below 100 percent of the FPL.
- Pregnant women.

The following services do not require copayment:

- Case management services.

- Crisis intervention services.
- CSP services.
- Emergency services.
- Family planning services, including sterilizations.
- Home care services.
- Hospice care services.
- Immunizations.
- Independent laboratory services.
- Injections.
- PDN and PDN services for ventilator-dependent members.
- SBS.
- Substance abuse day treatment services.
- Surgical assistance.

Limitations

Providers should verify that they are collecting the correct copayment for services as some services have monthly or annual copayment limits. Providers may not collect member copayments in amounts that exceed copayment limits.

Refund/Collection

If a provider collects a copayment before providing a service and BadgerCare Plus does not reimburse the provider for any part of the service, the provider is required to return or credit the entire copayment amount to the member.

If BadgerCare Plus deducts less copayment than the member paid, the provider is required to return or credit the remainder to the member. If BadgerCare Plus deducts more copayment than the member paid, the provider may collect the remaining amount from the member.

Requirements

Federal law permits states to charge members a copayment for certain covered services. Providers are required to request copayments from members. Providers may not deny services to a Wisconsin Medicaid or BadgerCare Plus Standard Plan member who fails to make a copayment; however, providers may deny services to a BadgerCare Plus Benchmark Plan, BadgerCare Plus Core Plan, or aBadgerCare Plus Core Plan member who fails to make a copayment.

Chapter [49.45\(18\)](#), Wis. Stats., requires providers to make a reasonable attempt to collect copayment from the member unless the provider determines that the cost of collecting the copayment exceeds the amount to be collected.

Payer of Last Resort

Instances When Medicaid Is Not Payer of Last Resort

Wisconsin Medicaid or BadgerCare Plus are *not* the payer of last resort for members who receive coverage from certain governmental programs, such as:

- B-3.
- Crime Victim Compensation Fund.
- GA.
- HCBS waiver programs.
- IDEA.
- Indian Health Service.
- Maternal and Child Health Services.
- WCDP.
 - Adult Cystic Fibrosis.
 - Chronic Renal Disease.
 - Hemophilia Home Care.

Providers should ask members if they have coverage from these other governmental programs.

If the member becomes retroactively enrolled in Wisconsin Medicaid or BadgerCare Plus, providers who have already been reimbursed by one of these government programs may be required to submit the claims to ForwardHealth and refund the payment from the government program.

Other Health Insurance Sources

BadgerCare Plus reimburses only that portion of the allowed cost remaining after a member's other health insurance sources have been exhausted. Other health insurance sources include the following:

- [Commercial fee-for-service plans.](#)
- [Commercial managed care plans.](#)
- Medicare supplements (e.g., Medigap).
- Medicare.
- Medicare Advantage.
- TriCare.
- CHAMPVA.
- Other governmental benefits.

Payer of Last Resort

Except for a few instances, Wisconsin Medicaid or BadgerCare Plus are the payer of last resort for any covered services. Therefore, the provider is required to make a reasonable effort to exhaust all existing other health insurance sources before submitting claims to ForwardHealth or to a state-contracted MCO.

Primary and Secondary Payers

The terms "primary payer" and "secondary payer" indicate the relative order in which insurance sources are responsible for paying claims.

In general, commercial health insurance is primary to Medicare, and Medicare is primary to Wisconsin Medicaid and BadgerCare Plus. Therefore, Wisconsin Medicaid and BadgerCare Plus are secondary to Medicare, and Medicare is secondary to commercial health insurance.

Reimbursement Not Available

Reimbursement Not Available Through a Factor

BadgerCare Plus will not reimburse providers through a factor, either directly or by virtue of a power of attorney given to the factor by the provider. A factor is an organization (e.g., a collection agency) or person who advances money to a provider for the purchase or transfer of the provider's accounts receivable. The term "factor" does not include business representatives, such as billing services, clearinghouses, or accounting firms, which render statements and receive payments in the name of the provider.

Services Not Separately Reimbursable

If reimbursement for a service is included in the reimbursement for the primary procedure or service, it is not separately reimbursable. For example, routine venipuncture is not separately reimbursable, but it is included in the reimbursement for the laboratory procedure or the laboratory test preparation and handling fee. Also, DME delivery charges are included in the reimbursement for DME items.

Resources

Resources:Contact Information

Member Services

Providers should refer ForwardHealth members with questions to [Member Services](#). The telephone number for Member Services is for member use only.

Professional Relations Representatives

Professional Relations representatives, also known as field representatives, answer complex billing and claims processing questions. Field representatives are located throughout the state to offer detailed assistance to all ForwardHealth providers and all ForwardHealth programs.

Providers are encouraged to initially obtain information through the ForwardHealth Portal, WiCall, and Provider Services. If these attempts are not successful, field representatives may be contacted for the following types of inquiries:

- Claims, including discrepancies regarding enrollment verification and claim processing.
- Online PA requests.
- PES software.
- Education and information for newly certified providers and staff.
- Participation in professional association meetings.
- Previous attempts to resolve claims processing problems through normal channels (e.g., telephone or written correspondence) have been unsuccessful. Providers are reminded that all claims and adjustments need to be submitted within 365 days from the claims submission deadline.
- They are referred by a Provider Services telephone correspondent.
- They need assistance with a complex issue requiring extensive explanation.

Field representatives primarily work outside their offices to provide on-site service; therefore, providers should be prepared to leave a complete message when contacting field representatives, including all pertinent information related to the inquiry.

Member inquiries should not be directed to field representatives. Providers should refer members to Member Services.

Information to Have Ready

Providers or their representatives should have the following information ready when they call:

- Name or alternate contact.
- County and city where services are provided.
- Name of facility or provider whom they are representing.
- NPI or provider number.
- Telephone number, including area code.
- A concise statement outlining concern.
- Days and times when available.

For questions about a specific claim, providers should also include the following information:

- Member's name.
- Member identification number.
- Claim number.

- DOS.

Professional Relations Representatives Listed by Region

Professional Relations representatives are available to assist providers in all areas of Wisconsin.

Region/Name	Counties		
South Central Wisconsin Jude Benish, (608) 836-9428	Columbia Dane Dodge	Green Lake Jefferson Marquette	
Northeast Wisconsin Lori Hock, (920) 634-6450	Brown Calumet Door Florence Forest Kewaunee Langlade Lincoln	Manitowoc Marathon Marinette Menominee Oconto Oneida Outagamie	Portage Shawano Sheboygan Vilas Waupaca Wausahra Winnebago
Southwest Wisconsin Cindy Drury, (608) 929-4030	Adams Crawford Fond du Lac Grant Green Iowa Juneau	Kenosha La Crosse LaFayette Monroe Ozaukee Racine Richland	Rock Sauk Vernon Walworth Washington Waukesha
Milwaukee County Teresa Miller or Maria Schwartz, (262) 695-1915	Milwaukee		
Northwest Wisconsin Denise Kruswicki, (715) 694-2114	Ashland Barron Bayfield Buffalo Burnett Chippewa Clark Douglas	Dunn Eau Claire Iron Jackson Pepin Pierce Polk Price	Rusk St. Croix Sawyer Taylor Trempealeau Washburn Wood
North Central Wisconsin Joan Buntin, (715) 675-3190	Assistance with Web PA and PES software representative support for Northwest, North Central, and Northeast Wisconsin.		
Southeast Wisconsin Vicky Murphy, (608) 756-1422	Assistance with Web PA and PES software representative support for Southwest, South Central, and Southeast Wisconsin, and Milwaukee County.		

Provider Services

Providers should call [Provider Services](#) to answer enrollment, policy, and billing questions. Members should call [Member Services](#) for information. Members should *not* be referred to Provider Services.

The Provider Services Call Center provides service-specific assistance to Medicaid, BadgerCare Plus, WCDP, and WWWP providers.

Ways Provider Services Can Help

The Provider Services Call Center is organized to include program-specific and service-specific assistance to providers. The Provider Services call center supplements the ForwardHealth Portal and WiCall by providing information on the following:

- Billing and claim submissions.
- Certification.
- COB (e.g., verifying a member's other health insurance coverage).
- Assistance with completing forms.
- Assistance with remittance information and claim denials.
- Policy clarification.
- PA status.
- Verifying covered services.

Information to Have Ready

When contacting or transferring from WiCall to the call center, callers will be prompted to enter their NPI or provider ID. Additionally, to facilitate service, providers are recommended to have all pertinent information related to their inquiry on hand when contacting the call center, including:

- Provider name and NPI or provider ID.
- Member name and member identification number.
- Claim number.
- PA number.
- DOS.
- Amount billed.
- RA.
- Procedure code of the service in question.
- Reference to any provider publications that address the inquiry.

Call Center Correspondent Team

The ForwardHealth call center correspondents are organized to respond to telephone calls from providers. Correspondents offer assistance and answer inquiries specific to the program (i.e., Medicaid, WCDP, or WWWP) or to the service area (i.e., pharmacy services, hospital services) in which they are designated.

Call Center Menu Options and Inquiries

Providers contacting Provider Services are prompted to select from the following menu options:

- WCDP and WWWP (for inquiries from all providers regarding WCDP or WWWP).
- Dental (for all inquiries regarding dental services).
- Medicaid or SeniorCare Pharmacy (for pharmacy providers) or STAT-PA for STAT-PA inquiries, including inquiries from pharmacies, DME providers for orthopedic shoes, and HealthCheck providers for environmental lead inspections.
- Medicaid and BadgerCare Plus institutional services (for inquiries from providers who provide hospital, nursing home, home health, personal care, ESRD, and hospice services or NIP).

- Medicaid and BadgerCare Plus professional services (for inquiries from all other providers not mentioned in the previous menu prompts).

Walk-in Appointments

Walk-in appointments offer face-to-face assistance for providers at the Provider Services office. Providers are encouraged to contact the Provider Services Call Center to schedule a walk-in appointment.

Written Inquiries

Providers may contact Provider Services through the Portal by selecting the "Contact Us" link. Provider Services will respond to the inquiry by the preferred method of response indicated within five business days. All information is transmitted via a secure connection to protect personal health information.

Providers may submit written inquiries to ForwardHealth by mail using the [Written Correspondence Inquiry](#) form. The Written Correspondence Inquiry form may be photocopied or downloaded via a link from the Portal. Written correspondence should be sent to the following address:

ForwardHealth
Provider Services Written Correspondence
6406 Bridge Rd
Madison WI 53784-0005

Providers are encouraged to use the other resources before mailing a written request to ForwardHealth. Provider Services will respond to written inquiries in writing unless otherwise specified.

Provider Suggestions

The DHCAA is interested in improving its program for providers and members. Providers who would like to suggest a revision of any policy or procedure stated in provider publications or who wish to suggest new policies are encouraged to submit recommendations on the [Provider Suggestion](#) form.

Resources Reference Guide

The [Provider Services and Resources Reference Guide](#) lists services and resources available to providers and members with contact information and hours of availability.

Electronic Data Interchange

Companion Documents

Purpose of Companion Documents

ForwardHealth [companion documents](#) provide trading partners with useful technical information on ForwardHealth's standards for nationally recognized electronic transactions.

The information in companion documents applies to BadgerCare Plus, Medicaid, SeniorCare, WCDP, and WWWP. Companion documents are intended for information technology and systems staff who code billing systems or software.

The companion documents complement the federal HIPAA Implementation Guides and highlight information that trading partners need to successfully exchange electronic transactions with ForwardHealth, including general topics such as the following:

- Methods of exchanging electronic information (e.g., exchange interfaces, transaction administration, and data preparation).
- Instructions for constructing the technical component of submitting or receiving electronic transactions (e.g., claims, RA, and enrollment inquiries).

Companion documents do *not* include program requirements, but help those who create the electronic formats for electronic data exchange.

Companion documents cover the following specific subjects:

- Getting started (e.g., identification information, testing, and exchange preparation).
- Transaction administration (e.g., tracking claims submissions, contacting the [EDI Helpdesk](#)).
- Transaction formats.

Revisions to Companion Documents

Companion documents may be updated as a result of changes to federal requirements. When this occurs, ForwardHealth will do the following:

- Post the revised companion document on the ForwardHealth Portal.
- Post a message on the banner page of the RA.
- Send an e-mail to trading partners.

Trading partners are encouraged to periodically check for the revised companion documents on the Portal. If trading partners do not follow the revisions identified in the companion document, transactions may not process successfully (e.g., claims may deny or process incorrectly).

A revision log located at the front of the revised companion document lists the changes that have been made. The date on the companion document reflects the last date the companion document was revised. In addition, the version number located in the footer of the first page is changed with each revision.

Data Exchange Methods

The following data exchange methods are supported by the [EDI Department](#):

- Remote access server dial-up, using a personal computer with a modem, browser, and encryption software.
- Secure Web, using an Internet Service Provider and a personal computer with a modem, browser, and encryption software.
- Real-time, by which trading partners exchange the NCPDP 5.1 (pharmacies only), 270/271, or 276/277 transactions via an approved clearinghouse.

The EDI Department supports the exchange of the transactions for BadgerCare Plus, Medicaid, SeniorCare, WCDP, and WWWP.

Electronic Data Interchange Helpdesk

The [EDI Helpdesk](#) assists anyone interested in becoming a trading partner with getting started and provides ongoing support pertaining to electronic transactions. Providers, billing services, and clearinghouses are encouraged to contact the EDI Helpdesk for test packets and/or technical questions.

Providers with policy questions should call [Provider Services](#).

Electronic Transactions

Trading partners may submit claims and adjustment requests, inquire about member enrollment, claim status, and ForwardHealth payment advice by exchanging electronic transactions.

Through the EDI Department, trading partners may exchange the following electronic transactions:

- 270/271. The 270 is the electronic transaction for inquiring about a member's enrollment. The 271 is received in response to the inquiry.
- 276/277. The 276 is the electronic transaction for checking claim status. The 277 is received in response.
- 835. The electronic transaction for receiving remittance information.
- 837. The electronic transaction for submitting claims and adjustment requests.
- 997. The electronic transaction for reporting whether a transaction is accepted or rejected.
- TA1 Interchange Acknowledgment. The electronic transaction for reporting a transaction that is rejected for interchange level errors.
- NCPDP 5.1 Telecommunication Standard for Retail Pharmacy Claims. The real-time POS electronic transaction for submitting pharmacy claims.

Provider Electronic Solutions Software

ForwardHealth offers electronic billing software at no cost to providers. The PES software allows providers to submit 837 transactions and download the 997 and the 835 transactions. To obtain PES software, providers may download it from the [ForwardHealth Portal](#) or may request it from the [EDI Helpdesk](#).

Trading Partner Profile

A [TPP](#) must be completed and signed for each billing provider number that will be used to exchange electronic transactions.

In addition, billing providers who do not use a third party to exchange electronic transactions, billing services, and clearinghouses are required to complete a TPP.

To determine whether a TPP is required, providers should refer to the following:

- Billing providers who do not use a third party to exchange electronic transactions, including providers who use the PES software, are required to complete the TPP.

- Billing providers who use a third party (billing services and clearinghouses) to exchange electronic transactions are required to submit a TPP.
- Billing services and clearinghouses, including those that use PES software, that are authorized by providers to exchange electronic transactions on a provider's behalf, are required to submit a TPP.

Providers who change billing services and clearinghouses or become a trading partner should keep their information updated by contacting the [EDI Helpdesk](#).

Trading Partners

ForwardHealth exchanges nationally recognized electronic transactions with trading partners. A "trading partner" is defined as a covered entity that exchanges electronic health care transactions. The following covered entities are considered trading partners:

- Providers who exchange electronic transactions directly with ForwardHealth.
- Billing services and clearinghouses that exchange electronic transactions directly with ForwardHealth on behalf of a billing provider.

Enrollment Verification

270/271 Transactions

The [270/271](#) transactions allow for batch enrollment verification, including information for the current benefit month and previous 365 days, through a secure Internet connection. The 270 is the electronic transaction for inquiring about a member's enrollment. The 271 is received in response to the inquiry.

For those providers who are federally required to have an NPI, an NPI is required on the 270/271 transactions. The NPI indicated on the 270 is verified to ensure it is associated with a valid certification on file with ForwardHealth. The 271 response will report the NPI that was indicated on the 270.

For those providers exempt from NPI, a provider ID is required on the 270/271 transactions. The provider ID indicated on the 270 is verified to ensure it is associated with a valid certification on file with ForwardHealth. The 271 response will report the provider ID that was indicated on the 270.

An Overview

Providers should always verify a member's enrollment before providing services, both to determine enrollment for the current date (since a member's enrollment status may change) and to discover any limitations to the member's coverage. Each enrollment verification method allows providers to verify the following prior to services being rendered:

- A member's enrollment in a ForwardHealth program(s).
- State-contracted MCO enrollment.
- Medicare enrollment.
- Limited benefits categories.
- Any other commercial health insurance coverage.
- Exemption from copayments for BadgerCare Plus members.

Commercial Enrollment Verification Vendors

ForwardHealth has agreements with several commercial enrollment verification vendors to offer enrollment verification technology to ForwardHealth providers. Commercial enrollment verification vendors have up-to-date access to the ForwardHealth enrollment files to ensure that providers have access to the most current enrollment information. Providers may access Wisconsin's EVS to verify member enrollment through one or more of the following methods available from commercial enrollment verification vendors:

- Magnetic stripe card readers.
- Personal computer software.
- Internet.

Vendors sell magnetic stripe card readers, personal computer software, Internet access, and other services. They also provide ongoing maintenance, operations, and upgrades of their systems. Providers are responsible for the costs of using these enrollment verification methods.

Note: Providers are *not* required to purchase services from a commercial enrollment verification vendor. For more information on other ways to verify member enrollment or for questions about ForwardHealth identification cards, contact [Provider Services](#).

Refer to the [ForwardHealth Portal](#) for a list of commercial enrollment verification vendors that provide these services.

The real-time enrollment verification methods allow providers to print a paper copy of the member's enrollment information, including a transaction number, for their records. Providers should retain this number or the printout as proof that an inquiry was made.

Magnetic Stripe Card Readers

The magnetic stripe card readers resemble credit card readers. Some ForwardHealth identification cards have a magnetic stripe and signature panel on the back, and a unique, 16-digit card number on the front. The 16-digit card number is valid only for use with a magnetic card reader.

Providers receive current member enrollment information after passing the ForwardHealth card through the reader or entering the member identification number or card number into a keypad and entering the DOS about which they are inquiring.

Personal Computer Software

Personal computer software can be integrated into a provider's current computer system by using a modem and can access the same information as the magnetic stripe card readers.

Internet Access

Some enrollment verification vendors provide real-time access to enrollment from the EVS through the Internet.

Copayment Information

If a member is enrolled in BadgerCare Plus and is exempted from paying copayments for services, providers will receive the following response to an enrollment query from all methods of enrollment verification:

- The name of the benefit plan.
- The member's enrollment dates.
- The message, "No Copay."

If a member is enrolled in BadgerCare Plus and is required to pay copayments, providers will be given the name of the benefit plan in which the member is enrolled and the member's enrollment dates for the benefit plan only.

Enrollment Verification System

Member enrollment issues are the primary reason claims are denied. To reduce claim denials, providers should *always* verify a member's enrollment before providing services, both to determine enrollment for the current date (since a member's enrollment status may change) and to discover any limitations to the member's coverage. Providers may want to verify the member's enrollment a second time before submitting a claim to find out whether the member's enrollment information has changed since the appointment.

Providers can access Wisconsin's EVS to receive the most current enrollment information through the following methods:

- ForwardHealth Portal.
- [WiCall, Wisconsin's AVR system](#).
- Commercial enrollment verification vendors.
- 270/271 transactions.
- [Provider Services](#).

Providers cannot charge a member, or authorized person acting on behalf of the member, for verifying his or her enrollment.

The EVS does not indicate other government programs that are secondary to Wisconsin Medicaid.

Enrollment Verification on the Portal

The secure ForwardHealth Portal offers real-time member enrollment verification for all ForwardHealth programs. Providers will be able to use this tool to determine:

- The benefit plan(s) in which the member is enrolled.
- If the member is enrolled in a state-contracted managed care program (for Medicaid and BadgerCare Plus members).
- If the member has any other coverage, such as Medicare or commercial health insurance.
- If the member is exempted from copayments (BadgerCare Plus members only).

To access enrollment verification via the ForwardHealth Portal, providers will need to do the following:

- Go to the ForwardHealth Portal.
- Establish a provider account.
- Log into the secure Portal.
- Click on the menu item for enrollment verification.

Providers will receive a unique transaction number for each enrollment verification inquiry. Providers may access a history of their enrollment inquiries using the Portal, which will list the date the inquiry was made and the enrollment information that was given on the date that the inquiry was made. For a more permanent record of inquiries, providers are advised to use the "print screen" function to save a paper copy of enrollment verification inquiries for their records or document the transaction number at the beginning of the response, for tracking or research purposes. This feature allows providers to access enrollment verification history when researching claim denials due to enrollment issues.

The Provider Portal is available 24 hours a day, seven days a week.

Entering Dates of Service

Enrollment information is provided based on a "From" DOS and a "To" DOS that the provider enters when making the enrollment inquiry. For enrollment inquiries, a "From" DOS is the earliest date for which the provider is requesting enrollment information and the "To" DOS is the latest date for which the provider is requesting enrollment information.

Providers should use the following guidelines for entering DOS when verifying enrollment for Wisconsin Medicaid, BadgerCare Plus, SeniorCare, or WCDP members:

- The "From" DOS may be up to one year prior to the current date.
- If the date of the request is prior to the 20th of the current month, then providers may enter a "From" DOS and "To" DOS up to the end of the current calendar month.
- If the date of the request is on or after the 20th of the current month, then providers may enter a "From" DOS and "To" DOS up to the end of the following calendar month.

For example, if the date of the request was November 15, 2008, the provider could request dates up to and including November 30, 2008. If the date of the request was November 25, 2008, the provider could request dates up to and including December 31, 2008.

Member Forgets ForwardHealth Identification Card

Even if a member does not present a ForwardHealth identification card, a provider can use Wisconsin's EVS to verify enrollment, otherwise, the provider may choose not to provide the service(s) until a member brings in a ForwardHealth card.

A provider may use a combination of the member's name, date of birth, ForwardHealth identification number, or SSN with a "0" at the end to access enrollment information through the EVS.

A provider may call [Provider Services](#) with the member's full name and date of birth to obtain the member's enrollment information if the member's identification number or SSN is not known.

Member Identification Card Does Not Guarantee Enrollment

Most members receive a member identification card, but possession of a program identification card does not guarantee enrollment. Periodically, members may become ineligible for enrollment, only to re-enroll at a later date. Members are told to keep their cards even though they may have gaps in enrollment periods. It is possible that a member will present a card when he or she is not enrolled; therefore, it is essential that providers verify enrollment before providing services. To reduce claim denials, it is important that providers verify the following information prior to each DOS that services are provided:

- If a member is enrolled in any ForwardHealth program, including benefit plan limitations.
- If a member is enrolled in a managed care organization.
- If a member is in primary provider lock-in status.
- If a member has Medicare or other insurance coverage.

Responses Are Based on Financial Payer

When making an enrollment inquiry through Wisconsin's EVS, the returned response will provide information on the member's enrollment in benefit plans based on financial payers.

There are three financial payers under ForwardHealth:

- Medicaid (Medicaid is the financial payer for Wisconsin Medicaid, BadgerCare Plus, and SeniorCare).
- WCDP.
- WWWP.

Within each financial payer are benefit plans. Each member is enrolled under at least one of the three financial payers, and under each financial payer, is enrolled in at least one benefit plan. An individual member may be enrolled under more than one financial payer. (For instance, a member with chronic renal disease may have health care coverage under the BadgerCare Plus Standard Plan and the WCDP Chronic Renal Disease Program. The member is enrolled under two financial payers, Medicaid and WCDP.) Alternatively, a member may have multiple benefits under a single financial payer. (For example, a member may be covered by the TB-Only Benefit and the FPW at the same time, both of which are administered by Medicaid.)

Forms

An Overview

ForwardHealth requires providers to use a variety of forms for PA, claims processing, and documenting special circumstances.

Fillable Forms

Most forms may be obtained from the [Forms](#) page of the ForwardHealth Portal.

Forms on the Portal are available as fillable PDF files, which can be viewed with Adobe Reader® computer software. Providers may also complete and print fillable PDF files using Adobe Reader®.

To complete a fillable PDF, follow these steps:

- Select a specific form.
- Save the form to the computer.
- Use the "Tab" key to move from field to field.

Note: The Portal provides instructions on how to obtain Adobe Reader® at no charge from the Adobe® Web site. Adobe Reader® only allows providers to view and print completed PDFs. It does not allow users to save completed fillable PDFs to their computer; however, if Adobe Acrobat® is purchased, providers may save completed PDFs to their computer. Refer to the [Adobe® Web site](#) for more information about fillable PDFs.

Selected forms are also available in fillable Microsoft® Word format on the Portal. The fillable Microsoft® Word format allows providers to complete and print the form using Microsoft® Word. To complete a fillable Microsoft® Word form, follow these steps:

- Select a specific form.
- Save the form to the computer.
- Use the "Tab" key to move from field to field.

Note: Providers may save fillable Microsoft® Word documents to their computer by choosing "Save As" from the "File" menu, creating a file name, and selecting "Save" on their desktop.

Telephone or Mail Requests

Providers who do not have Internet access or who need forms that are not available on the ForwardHealth Portal may obtain them by doing either of the following:

- Requesting a paper copy of the form by calling [Provider Services](#). Questions about forms may also be directed to Provider Services.
- Submitting a written request and mailing it to ForwardHealth. Include a return address, the name of the form, and the form number and send the request to the following address:

ForwardHealth
Form Reorder
6406 Bridge Rd

Madison WI 53784-0003

Mental Health and Substance Abuse Policies and Procedures

Publications Related to Policies and Procedures for Community Support Program Services

Service-specific *Updates* have *not* been incorporated into the Online Handbook for any of the mental health and substance abuse service areas, including community support program services. Service-specific information from the *Updates* for these service areas will be incorporated in 2009.

The following service-specific publications include information on policies and procedures related to community support program services:

- Community Support Program Services — July 2006 ([2006-54](#)).
- Clozapine and Clozapine Management Services Under BadgerCare Plus — January 2008 ([2008-03](#)).
- Mental Health and Substance Abuse Services Under BadgerCare Plus — January 2008 ([2008-05](#)).
- Drug Coverage for Members Enrolled in the BadgerCare Plus Benchmark Plan — April 2008 ([2008-29](#)).
- ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Community Support Programs — June 2008 ([2008-48](#)).
- Clozapine and Clozapine Management Services Covered Under the BadgerCare Plus Core Plan for Childless Adults — December 2008 ([2008-205](#)).

Portal

Claims and Adjustments Using the ForwardHealth Portal

Providers can [track the status](#) of their submitted claims, [submit individual claims](#), and determine what claims are in "pay" status on the Portal. Providers have the ability to [search for and view](#) the status of all their finalized claims, regardless of how they were submitted (i.e., paper, electronic, clearinghouse). If a claim contains an error, providers can correct it on the Portal and resubmit it to ForwardHealth.

Providers can submit an individual claim through DDE through the secure Portal.

Cost Share Reports for Long-Term Managed Care Organizations

Individual cost share reports for long-term care MCOs that provide Family Care, Family Care Partnership, and PACE services are available via the secure area of the ForwardHealth Portal and can be downloaded as an Excel file.

Creating a Provider Account

Each provider needs to designate one individual as an administrator of the ForwardHealth Portal account. This user establishes the administrative account once his or her PIN is received. The administrative user is responsible for this provider account and is able to add accounts for other users (clerks) within his or her organization and assign security roles to clerks that have been established. To establish an administrative account after receiving a PIN, the administrative user is required to follow these steps:

1. Go to the ForwardHealth Portal.
2. Click the **Providers** button.
3. Click **Logging in for the first time?**.
4. Enter the Login ID and PIN. The Login ID is the provider's NPI or provider number.
5. Click **Setup Account**.
6. At the Account Setup screen, enter the user's information in the required fields.
7. Read the security agreement and click the checkbox to indicate agreement with its contents.
8. Click **Submit** when complete.

Once in the secure Provider area of the Portal, the provider may conduct business online with ForwardHealth via a secure connection. Providers may also perform the following administrative functions from the Provider area of the Portal:

- Establish accounts and define access levels for clerks.
- Add other organizations to the account.
- Switch organizations.

A user's guide containing detailed instructions for performing these functions can be found on the Portal.

Designating a Trading Partner to Receive 835 Health Care Claim Payment/Advice Transactions

Providers must designate a trading partner to receive their 835 transaction for ForwardHealth interChange.

Providers who wish to submit their 835 designation via the Portal are required to create and establish a provider account to have access to the secure area of the Portal.

To designate a trading partner to receive 835 transactions, providers must first complete the following steps:

- Access the Portal and log into their secure account by clicking the Provider link/button.
- Click on the Designate 835 Receiver link on the right-hand side of the secure home page.
- Enter the identification number of the trading partner that is to receive the 835 in the Trading Partner ID field.
- Click Save.

Providers who are unable to use the Portal to designate a trading partner to receive 835 transactions may call the [EDI Helpdesk](#) or submit a [paper](#) form.

Electronic Communications

The secure Portal contains a one-way message center where providers can receive electronic notifications and provider publications from ForwardHealth. All new messages display on the provider's main page within the secure Portal.

Enrollment Verification

The secure Portal offers real time member [enrollment verification](#) for all ForwardHealth programs. Providers are able to use this tool to determine:

- The health care program(s) in which the member is enrolled.
- Whether or not the member is enrolled in a state-contracted MCO.
- Whether or not the member has any third-party liability, such as Medicare or commercial health insurance.

Using the Portal to check enrollment may be more effective than calling [WiCall](#) or the EVS (although both are available).

Providers are assigned a unique enrollment verification number for each inquiry. Providers can also use the "print screen" function to print a paper copy of enrollment verification inquiries for their records.

ForwardHealth Portal

Providers, members, trading partners, managed care programs, and partners have access to public *and* secure information through the ForwardHealth Portal.

The Portal has the following areas:

- Providers (public and secure).
- Trading Partners.
- Members.
- MCO.
- Partners.

The secure Portal allows providers to conduct business and exchange electronic transactions with ForwardHealth. The public Portal contains general information accessible to all users. Members can access general health care program information and apply for benefits [online](#).

ForwardHealth Portal Helpdesk

Providers and trading partners may call the [ForwardHealth Portal Helpdesk](#) with technical questions on Portal functions, including their Portal accounts, registrations, passwords, and submissions through the Portal.

Inquiries to ForwardHealth Via the Portal

Providers are able to contact Provider Services through the ForwardHealth Portal by clicking the [Contact](#) link and entering the relevant inquiry information, including selecting the preferred method of response (i.e., telephone call or e-mail). Provider Services will respond to the inquiry by the preferred method of response indicated within five business days.

Internet Connection Speed

ForwardHealth recommends providers have an Internet connection that will provide an upload speed of at least 768 Kbps and a download speed of at least 128 Kbps in order to efficiently conduct business with ForwardHealth via the Portal.

For [PES](#) users, ForwardHealth recommends an Internet connection that will provide a download speed of at least 128 Kbps for downloading PES software and software updates from the Portal.

These download speeds are generally not available through a dial-up connection.

Logging in to the Provider Area of the Portal

Once an administrative user's or other user's account is set up, he or she may log in to the Provider area of the Portal to conduct business. To log in, the user is required to click the "Provider" link or button, then enter his or her username and password and click "Go" in the Login to Secure Site box at the right side of the screen.

Managed Care Organization Portal

Information and Functions Through the Portal

The [MCO area](#) of the ForwardHealth Portal allows state-contracted MCOs to conduct business with ForwardHealth. The Public MCO page offers easy access to key MCO information and Web tools. A log-in is required to access the secure area of the Portal to submit or retrieve account and member information which may be sensitive.

The following information is available through the Portal:

- Certified Provider Listing of all Medicaid-certified providers.
- Coordination of Benefits Extract/Insurance Carrier Master List information updated quarterly.
- Data Warehouse, which is linked from the Portal to Business Objects. The Business Objects function allows for access to MCO data for long term care MCOs.
- Electronic messages.
- Enrollment verification by entering a member ID or SSN with date of birth and a "from DOS" and a "to DOS" range. A transaction number is assigned to track the request.
- Member search function for retrieving member information such as medical status code, and managed care and Medicare information.
- Provider search function for retrieving provider information such as address, telephone number, provider ID, and taxonomy code (if applicable), and provider type and specialty.
- HealthCheck information.

- MCO contact information.
- Technical contact information. Entries may be added via the Portal.

Managed Care Organization Portal Reports

The following reports are generated to MCOs through their account on the ForwardHealth MCO Portal:

- Capitation Payment Listing Report.
- Cost Share Report (long-term MCOs only).
- Enrollment Reports.

MCOs are required to establish a Portal account in order to receive reports from ForwardHealth.

Capitation Payment Listing Report

The Capitation Payment Listing Report provides "payee" MCOs with a detailed listing of the members for whom they receive capitation payments. ForwardHealth interChange creates adjustment transaction information weekly and regular capitation transaction information monthly. The weekly batch report includes regular and adjustment capitation transactions. MCOs have the option of receiving both the Capitation Payment Listing Report and the 820 Payroll Deducted and Other Group Premium Payment for Insurance Products transactions.

Initial Enrollment Roster Report

The Initial Enrollment Roster Report is generated according to the annual schedules detailing the number of new and continuing members enrolled in the MCO and those disenrolled before the next enrollment month.

Final Enrollment Roster Report

The Final Enrollment Roster Report is generated the last business day of each month and includes members who have had a change in status since the initial report and new members who were enrolled after the Initial Enrollment Roster Report was generated.

Other Reports

Additional reports are available for BadgerCare Plus HMOs, SSI HMOs, and long-term MCOs. Some are available via the Portal and some in the secure FTP.

Members ForwardHealth Portal

Members can access ForwardHealth information by going to the ForwardHealth Portal. Members can search through a directory of providers by entering a ZIP code, city, or county. Members can also access all member-related ForwardHealth applications and forms. Members can use [ACCESS](#) to check availability, apply for benefits, check current benefits, and report any changes.

Obtaining a Personal Identification Number

To establish an account on the Portal, providers are required to obtain a PIN. The PIN is a unique, nine-digit number assigned by ForwardHealth interChange for the sole purpose of allowing a provider to establish a Portal account. It is used in conjunction with the provider's login ID. Once the Portal account is established, the provider will be prompted to create a username and password for the account, which will subsequently be used to log in to the Portal.

A provider may need to request more than one PIN if he or she is a provider for more than one program or has more than one type of provider certification. A separate PIN will be needed for each provider certification. Health care providers will need to supply their NPI and corresponding taxonomy code when requesting an account. Non-healthcare providers will need to supply their unique provider number.

Providers may request a PIN by following these steps:

1. Go to the [Portal](#).
2. Click on the "Providers" link or button.
3. Click the "Request Portal Access" link from the Quick Links box on the right side of the screen.
4. At the Request Portal Access screen, enter the following information:
 - a. Health care providers are required to enter their NPI and click "Search" to display a listing of ForwardHealth certifications. Select the correct certification for the account. The taxonomy code, ZIP+4 code, and financial payer for that certification will be automatically populated. Enter the SSN or TIN.
 - b. Non-healthcare providers are required to enter their provider number, financial payer, and SSN or TIN. (This option should only be used by non-healthcare providers who are exempt from NPI requirements).

The financial payer is one of the following:

- Medicaid (Medicaid is the financial payer for Wisconsin Medicaid, BadgerCare Plus, and Senior Care).
 - SSI.
 - WCDP.
 - The WWWP.
- c. Click **Submit**.
 - d. Once the Portal Access Request is successfully completed, ForwardHealth will send a letter with the provider's PIN to the address on file.

Online Handbook

The Online Handbook allows providers access to all policy and billing information for Wisconsin Medicaid, BadgerCare Plus, SeniorCare, and WCDP in one centralized place. A secure Portal account is not required to use the Online Handbook as it is available to all Portal visitors.

Revisions to policy information are incorporated immediately after policy changes have been issued in *ForwardHealth Updates*. The Online Handbook also includes an archive section so providers can research past changes.

The Online Handbook, which is available through the public area of the Portal, is designed to sort information based on user-entered criteria, such as program and provider type. It is organized into section and chapters. Sections within each handbook may include the following:

- Certification.
- Claims.
- Coordination of Benefits.
- Managed Care.
- Member Information.
- Prior Authorization.
- Reimbursement.
- Resources.

Each section consists of separate chapters (e.g, claims submission, procedure codes), which contain further detailed information.

Advanced Search Function

The Online Handbook has an advanced search function, which allows providers to search for a specific word or phrase within a user type, program, service area, or throughout the entire Online Handbook.

Providers can access the advanced search function by following these steps:

1. Go to the [Portal](#).
2. Click the "Online Handbooks" link in the upper left "Providers" box.
3. Complete the two drop-down selections at the right to narrow the search by program and service area, if applicable. This is not needed if providers wish to search the entire Online Handbook.
4. Click "Advanced Search" to open the advanced search options.
5. Enter the word or phrase you would like to search.
6. Select "Search within the options selected above" or "Search all handbooks, programs and service areas."
7. Click the "Search" button.

Archive Area

The Archive Information area of the Online Handbook allows providers to view old *Updates* and previous versions of the Online Handbook.

Providers can access the archive information area by following these steps:

1. Go to the [Portal](#).
2. Click the "Online Handbooks" link in the upper left "Providers" box.
3. Select a program and service area. (Both of these fields are required.)
4. Click on the "Updates and Handbooks" link.

Other Business Enhancements on the Portal

The secure Provider area of the Portal enables providers to do the following:

- View RAs.
- Designate which trading partner is eligible to receive the provider's 835.
- Update and maintain provider file information. Providers will have the choice to indicate separate addresses for different business functions.

Portal Account Administrators

Portal administrators are responsible for requesting, creating, and managing accounts to access these features for their organization.

There must be one administrator assigned for each Portal account and all users established for that account. The responsibilities of the Portal administrator include:

- Ensuring the security and integrity of all user accounts (clerk administrators and clerks) created and associated with their Portal account.
- Ensuring clerks or clerk administrators are given the appropriate authorizations they need to perform their functions for the provider, trading partner, or MCO.
- Ensuring that clerks or clerk administrator accounts are removed/deleted promptly when the user leaves the organization.
- Ensuring that the transactions submitted are valid and recognized by ForwardHealth.
- Ensuring that all users they establish know and follow security and guidelines as required by HIPAA. As Portal administrators establish their Portal account and create accounts for others to access private information, administrators are reminded that all users must comply with HIPAA. The HIPAA privacy and security rules require that the confidentiality, integrity, and availability

of PHI are maintained at all times. The HIPAA Privacy Rule provides guidelines governing the disclosure of PHI. The HIPAA Security Rule delineates the security measures to be implemented for the protection of electronic PHI. If Portal administrators have any questions concerning the protection of PHI, visit the Portal for additional information.

Portal administrators have access to all secure functions for their Portal account.

Establish an Administrator Account

All Portal accounts require an administrator account. The administrator is a selected individual who has overall responsibility for management of the account. Therefore, he or she has complete access to all functions within the specific secure area of his or her Portal and are permitted to add, remove, and manage other individual roles.

Portal Clerk Administrators

A Portal administrator may choose to delegate some of the authority and responsibility for setting up and managing the users within their Portal account. If so, the Portal administrator may establish a clerk administrator. An administrator or clerk administrator can create, modify, manage or remove clerks for a Portal account. When a clerk is created, the administrator or clerk administrator must grant permissions to the clerks to ensure they have the appropriate access to the functions they will perform. A clerk administrator can only grant permissions that they themselves have. For example, if an administrator gives a clerk administrator permission only for enrollment verification, then the clerk administrator can only establish clerks with enrollment verification permissions.

Even if a Portal administrator chooses to create a clerk administrator and delegate the ability to add, modify, and remove users from the same account, the Portal administrator is still responsible for ensuring the integrity and security of the Portal account.

Portal Clerks

The administrator (or the clerk administrator if the administrator has granted them authorization) may set up clerks within their Portal account. Clerks may be assigned one or many roles (i.e., claims, PA, enrollment verification). Clerks do not have the ability to establish, modify, or remove other accounts.

Once a clerk account is set up, the clerk account does not have to be established again for a separate Portal account. Clerks can easily be assigned a role for different Portal accounts (i.e., different ForwardHealth certifications). To perform work under a different Portal account for which they have been granted authorization, a clerk can use the "switch org" function and toggle between the Portal accounts to which they have access. Clerks may be granted different authorization in each Portal account (i.e., they may do enrollment verification for one Portal account, and HealthCheck inquires for another).

Public Area of the Provider Portal

The public Provider area of the Portal offers a variety of important business features and functions that will greatly assist in daily business activities with ForwardHealth programs.

Maximum Allowable Fee Schedules

Within the Portal, all [fee schedules](#) for Medicaid, BadgerCare Plus, and WCDP are interactive and searchable. Providers can enter the DOS, along with other information such as procedure code, category of supplies, or provider type, to find the maximum allowable fee. Providers can also download all fee schedules.

Online Handbook

The Online Handbook is the single source for *all* policy and billing information for ForwardHealth located in one centralized place.

The Online Handbook is designed to sort information based on user-entered criteria, such as program and provider type.

Revisions to information are incorporated immediately after policy changes have been issued in *Updates*. The Online Handbook also includes an archive section, so providers can research past policy changes.

Training

Providers can register for all scheduled trainings and view online trainings via the [Portal Training page](#), which contains an up-to-date calendar of all available training. Additionally, providers can view [Webcasts](#) of select trainings.

Contacting Provider Services

Providers and other Portal users will have an additional option for contacting Provider Services through the Contact link on the Portal. Providers can enter the relevant inquiry information, including selecting the preferred method of response (i.e., telephone call or e-mail) the provider wishes to receive back from Provider Services. Provider Services will respond to the inquiry within five business days. Information will be submitted via a secure connection.

Online Certification

Providers can speed up the certification process for Medicaid by completing a [provider certification application](#) via the Portal. Providers can then track their application by entering their ATN given to them on completion of the application.

Other Business Enhancements Available on the Portal

The public Provider area of the Portal also includes the following features:

- A "[What's New?](#)" section for providers that links to the latest provider publication summaries and other new information posted to the Provider area of the Portal.
- Home page for the provider. Providers have administrative control over their Portal homepage and can grant other employees access to specified areas of the Portal, such as claims and PA.
- [E-mail subscription](#) service for *Updates*. Providers can sign up to receive notifications of new provider publications via e-mail. Users are able to select, by program and service area, which publication notifications they would like to receive.
- A [forms library](#).

Secure Area of the Provider Portal

Providers can accomplish many processes via the Portal, including submitting, adjusting, and correcting claims, submitting and amending PA requests, and verifying enrollment.

Claims and Adjustments Using the Portal

Providers can track the status of their submitted claims, submit individual claims, correct errors on claims, and determine what claims are in "pay" status on the Portal. Providers have the ability to search for and view the status of all of their finalized claims, regardless of how they were submitted (i.e., paper, electronic, clearinghouse). If a claim contains an error, providers can correct it on the Portal and resubmit it to ForwardHealth.

Providers can submit an individual claim or adjust a claim via DDE through the secure Portal.

Submitting Prior Authorization and Amendment Requests Via the Portal

Nearly all service areas can submit PAs via the Portal. Providers can do the following:

- Correct errors on PAs or amendment requests via the Portal, regardless of how the PA was originally submitted.
- View all recently submitted and finalized PA and amendment requests.
- View the latest provider review and decision letters.
- Receive messages about PA and amendment requests that have been adjudicated or returned for provider review.

Electronic Communications

The secure Portal contains a one-way message center where providers can receive electronic notifications and provider publications from ForwardHealth. All new messages display on the provider's main page within the secure Portal.

Enrollment Verification

The secure Portal offers real-time member [enrollment verification](#) for all ForwardHealth programs. Providers are able to use this tool to determine:

- The health care program(s) in which the member is enrolled.
- Whether or not the member is enrolled in a state-contracted MCO.
- Whether or not the member has any third-party liability, such as Medicare or commercial health insurance.

Using the Portal to check enrollment may be more efficient than calling the AVR system or the EVS (although both are available).

Providers will be assigned a unique enrollment verification number for each inquiry. Providers can also use the "print screen" function to print a paper copy of enrollment verification inquiries for their records.

Other Business Enhancements Available on the Portal

The secure Provider area of the Portal also enables providers to do the following:

- View [RAs](#).
- [Designate](#) which trading partner is eligible to receive the provider's 835.
- Update and maintain [provider file](#) information. Providers will have the choice to indicate separate addresses for different business functions.

System and Browser Requirements

The following table lists the recommended system and browser requirements for using the Portal. PES users should note that the Windows-based requirements noted in the table apply; PES cannot be run on Apple-based systems.

Recommended System Requirements	Recommended Browser Requirements
Windows-Based Systems	
Computer with at least a 500Mhz processor, 256 MB of RAM, and 100MB of free disk space	Microsoft Internet Explorer v. 6.0 or higher, or Firefox v. 1.5 or higher
Windows XP or higher operating system	Firefox v. 1.5 or higher
Apple-Based Systems	

Computer running a PowerPC G4 or Intel processor, 512 MB of RAM, and 150MB of free disk space	Safari, or Firefox v. 1.5 or higher
Mac OS X 10.2.x or higher operating system	

Trading Partner Portal

The following information is available on the public [Trading Partner](#) area of the Portal:

- Trading partner [testing packets](#).
- [Trading Partner Profile](#) submission.
- [PES](#) software and upgrade information.
- EDI [companion documents](#).

In the secure Trading Partner area of the Portal, trading partners can exchange electronic transactions with ForwardHealth.

Updates

Full-Text Publications Available

Providers may request full-text versions of *ForwardHealth Updates* to be mailed to them by calling [Provider Services](#).

General Information

ForwardHealth Updates are the first source of provider information. *Updates* announce the latest information on policy and coverage changes, PA submission requirements, claims submission requirements, and training announcements.

All providers receive the *ForwardHealth Update Summary* on a monthly basis. The *Update Summary* contains an overview of *Updates* published that month.

Revisions to policy information are incorporated immediately after policy changes have been issued in *Updates*. The Online Handbook also includes an archive section so providers can research past changes.

Providers may obtain copies of *Updates* listed in the *Update Summary* from the ForwardHealth Portal. A Web address that directly links providers to a list of each month's *Updates* is listed in the *Update Summary*. Providers may then print specific articles to keep on paper as well as navigate to other Medicaid information available on the Portal.

Providers without Internet access may call [Provider Services](#) to request a paper copy of an *Update*. To expedite the call, correspondents will ask providers for the *Update* number. Providers should allow seven to 10 business days for delivery.

Multiple Ways to Access ForwardHealth Publications

Providers may choose to receive notification on paper via U.S. mail or through a new e-mail subscription service. Providers who have established a ForwardHealth Portal account will automatically receive notification of *ForwardHealth Updates* and the monthly *ForwardHealth Update Summary* in their Portal message box. Providers will receive notification via their Portal accounts or e-mail subscription much sooner than on paper. Certain providers may choose not to receive *Updates* and the monthly *Update Summary*.

ForwardHealth Portal Account

Providers who establish a Portal account will not receive the *Update Summary* on paper through the U.S. mail. Providers are still bound to the program's rules, policies, and regulations even if they do not receive the *Update Summary* through the mail.

Mail

ForwardHealth will mail the monthly *Update Summary* to providers who do not have a Portal account.

E-mail Subscription Service

Providers and other interested parties may sign up on the Portal to receive e-mail notifications of new provider publications. Users are able to select, by program (Wisconsin Medicaid, BadgerCare Plus, or WCDP) and provider type (e.g., physician, hospital, DME vendor), and which publication notifications they would like to receive. Any number of staff or other interested parties from an organization may sign up for an e-mail subscription. Providers who sign up for an e-mail subscription will continue to receive paper copies of the monthly *Update Summary*.

Users may sign up for an e-mail subscription by following these steps:

1. Go to the Portal.
2. Click on the "Providers" link or button.
3. Click the "Subscribe to Provider Notifications" link from the Quick Links box on the right side of the screen.
4. Register by supplying e-mail address.

Users may register for additional electronic subscriptions by adding service areas listed under "Available Subscriptions" on the right side of the subscriptions page.

WiCall

Enrollment Inquiries

WiCall is an [AVR](#) system that allows providers with touch-tone telephones direct access to enrollment information. A [WiCall Quick Reference Guide for Enrollment Inquiries](#) is available.

Information from WiCall will be returned in the following order if applicable to the member's current enrollment:

- Transaction number: A number will be given as a transaction confirmation that providers should keep for their records.
- Benefit enrollment: All benefit plans the member is enrolled in on the DOS or within the [DOS range selected for the financial payer](#).
- County Code: The member's county code will be provided if available. The county code is a two-digit code between 01 and 72 that represents the county in which member resides. If the enrollment response reflects that the member resides in a designated HPSA on the DOS or within the DOS range selected, HPSA information will be given.
- MCO: All information about state-contracted MCO enrollment, including MCO names and telephone numbers (that exists on the DOS or within the DOS range selected), will be listed. This information is applicable to Medicaid and BadgerCare Plus members only.
- Hospice: If the member is enrolled in the hospice benefit on the DOS or within the DOS range that the provider selected, the hospice information will be given. This information is applicable to Medicaid and BadgerCare Plus members only.
- Lock-in: Information about member lock-in that exists on the DOS or within the DOS range selected will be provided. This information is applicable to Medicaid, BadgerCare Plus, and SeniorCare members only.
- Medicare: All information about Medicare coverage, including type of coverage and Medicare number, if available, that exists on the DOS or within the DOS range selected will be listed.
- Other Commercial Insurance Coverage: All information about commercial coverage, including carrier names and telephone numbers, if available, that exists on the DOS or within the DOS range selected will be listed.
- Transaction Completed: After the member's enrollment information has been given using the financial payer that was selected, providers will be given the following options:
 - To hear the information again.
 - To request enrollment information for the same member using a different financial payer.
 - To hear another member's enrollment information using the same financial payer.
 - To hear another member's enrollment information using a different financial payer.
 - To return to the main menu.

WiCall is available 24 hours a day, seven days a week. If for some reason the system is unavailable, providers may call [Provider Services](#).

Transaction Number

The AVR system issues a transaction number every time a provider verifies enrollment, even when an individual is *not* enrolled in BadgerCare Plus or Wisconsin Medicaid. The provider should retain this transaction number. It is proof that an inquiry was made about the member's enrollment. If a provider thinks a claim was denied in error, the provider can reference the transaction number to ForwardHealth to confirm the enrollment response that was actually given.

Entering Letters into WiCall

For some WiCall inquiries, health care providers are required to enter their taxonomy code with their NPI. Because taxonomy codes are a combination of numbers and letters, telephone key pad combinations, shown in the table below, allow providers to successfully enter taxonomy code letters for WiCall functions (e.g., press *21 to enter an "A," press *72 to enter an "R").

Letter	Key Combination	Letter	Key Combination
A	*21	N	*62
B	*22	O	*63
C	*23	P	*71
D	*31	Q	*11
E	*32	R	*72
F	*33	S	*73
G	*41	T	*81
H	*42	U	*82
I	*43	V	*83
J	*51	W	*91
K	*52	X	*92
L	*53	Y	*93
M	*61	Z	*12

Additionally, providers may select option 9 and press "#" for an automated voice explanation of how to enter letters in WiCall.

Information Available Via WiCall

WiCall, ForwardHealth's AVR system, gathers inquiry information from callers through voice prompts and accesses ForwardHealth interChange to retrieve and "speak" back the following ForwardHealth information:

- Claim status.
- Enrollment verification.
- PA status.
- Provider CheckWrite information.

Providers are prompted to enter NPI or provider ID and in some cases, NPI-related data, to retrieve query information.

In all inquiry scenarios, WiCall offers the following options after information is retrieved and reported back to the caller:

- Repeat the information.
- Make another inquiry of the same type.
- Return to the main menu.
- Repeat the options.

Claim Status

Providers may check the status of a specific claim by selecting the applicable program ("financial payer" option, i.e., Wisconsin Medicaid, WCDP, or WWWP) by entering their provider ID, member identification number, DOS, and the amount billed.

Note: Claim information for BadgerCare Plus and SeniorCare is available by selecting the Medicaid option.

Enrollment Verification

Providers may request enrollment status by entering their provider ID and the member ID. If the member ID is unknown, providers may enter the member's date of birth and SSN. Additionally, the provider is prompted to enter the "From DOS" and the "To DOS"

for the inquiry. The "From DOS" information is available up to one year back from the current date. The provider is also informed if the member is not subject to copayments.

Each time a provider verifies member enrollment, the enrollment verification is saved and assigned a transaction number as transaction confirmation. Providers should note the transaction number for their records.

Prior Authorization Status

Except in certain instances, providers may obtain the status of PA requests for Medicaid and WCDP via WiCall by entering their provider ID and the applicable PA number. If the provider does not know the PA number, there is an option to bypass entering the PA number and the caller will be prompted to enter other PA information such as member ID and type of service (i.e., NDC/procedure code, revenue code, or ICD-9-CM diagnosis code.) When a match is found, WiCall reports back the PA status information, including the PA number for future reference, and the applicable program.

Information on past PAs is retained indefinitely. Paper PAs require a maximum of 20 working days from receipt to be processed and incorporated into WiCall's PA status information.

Note: PA information for BadgerCare Plus and SeniorCare is available by selecting the Medicaid option.

Quick Reference Guide

The WiCall [AVR Quick Reference Guide](#) displays the information available for WiCall inquiries.
