Hospice reimbursement rate increase

Wisconsin Medicaid hospice service reimbursement rates will increase effective for dates of service on and after April 1, 2001.

Hospice rates increase

As stated in the Wisconsin Medicaid certification application for hospice providers, the federal government establishes contracted hourly and per diem rates for all covered hospice services. These rates are based on federal fiscal years. Wisconsin Medicaid is notified by the federal government of any and all rate changes for the Medicaid hospice benefit.

Section 321 of the Federal Benefits Improvement and Protection Act (BIPA) of 2000 amended the Social Security Act by increasing Medicare hospice rates for Fiscal Year 2001 effective April 1, 2001. This increase necessitated a recalculation of Wisconsin Medicaid hospice rates. The Attachment of this *Update* gives the new Medicaid hospice rates which are effective for dates of service on and after April 1, 2001.

Wisconsin Medicaid will not automatically adjust claims submitted and reimbursed at the old reimbursement rate for services provided on and after April 1, 2001. Providers who submitted such claims can submit adjustments to these claims. Wisconsin Medicaid cannot alter provider claims. Refer to the All-Provider Handbook for instructions about submitting adjustment requests.

This *Update* contains Medicaid fee-for-service policy and applies to providers of services to recipients on fee-for-service Medicaid only. For Medicaid HMO or managed care policy, contact the appropriate managed care organization. Wisconsin Medicaid HMOs are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.
