## HIPAA training scheduled to begin May 2003

Wisconsin Medicaid will conduct Health Insurance Portability and Accountability Act of 1996 (HIPAA) training sessions for Medicaid-certified providers beginning May 2003. Additional information on the training sessions, including registration information, is located on the Medicaid Web site at [www.dhfs.state.wi.us/medicaid/](http://www.dhfs.state.wi.us/medicaid/). Providers are encouraged to register as soon as possible. A subsequent *Wisconsin Medicaid and BadgerCare Update* article containing more details regarding the training sessions will be published in March 2003.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.
