## Drug coverage limitations for SeniorCare participants

Effective for dates of service (DOS) on and after September 1, 2003, prescription drug products of drug manufacturers that have not signed a separate SeniorCare rebate agreement with the Wisconsin Department of Health and Family Services (DHFS) will no longer be covered for SeniorCare participants with incomes greater than 200% of the Federal Poverty Level (FPL). This *Wisconsin Medicaid and BadgerCare Update* contains information about the change in coverage and includes a list identifying the drug manufacturers that will continue to provide drugs for these SeniorCare participants.

### Changes in drug coverage

Effective for dates of service on and after September 1, 2003, drugs for manufacturers who have not signed a separate SeniorCare rebate agreement with the Wisconsin Department of Health and Family Services (DHFS) will no longer be covered for SeniorCare participants with incomes greater than 200% of the Federal Poverty Level (FPL). Participants with income greater than 200% of the FPL are included in levels 2b and 3 of the SeniorCare levels of participation. Refer to Attachment 1 of this *Wisconsin Medicaid and BadgerCare Update* for complete descriptions of participant levels effective with any new SeniorCare benefit period beginning on or after

September 1, 2003. A future *Update* will provide further information about SeniorCare levels of participation.

### State rebate agreements

Existing *federal* Medicaid rebate agreements with drug manufacturers do not cover drugs for SeniorCare participants with incomes greater than 200% of the FPL. For these participants, s. 49.688(6), Wis. Stats., requires SeniorCare to cover drugs from only those manufacturers who have signed a separate SeniorCare rebate agreement with the DHFS. As a result, drugs supplied by manufacturers who have declined to enter into a separate SeniorCare rebate agreement will not be covered for participants with incomes greater than 200% of the FPL (participant levels 2b and 3), effective for dates of service on and after September 1, 2003.

*Note:* SeniorCare participants in levels 1 and 2a (incomes less than 200% of the FPL) will not be affected by this change in coverage.

### Participating drug manufacturers

Attachment 2 lists all drug manufacturers that have signed federal Medicaid rebate agreements. For these drug manufacturers, Attachment 2 indicates those who have also signed a separate SeniorCare rebate agreement as of August 1, 2003.

This list is also available on the Wisconsin Medicaid Web site at [www.dhfs.state.wi.us/medicaid/](http://www.dhfs.state.wi.us/medicaid/) in the Data Tables section of the Pharmacy Handbook and on the SeniorCare Web site at

[www.dhfs.state.wi.us/seniorcare/index.htm](http://www.dhfs.state.wi.us/seniorcare/index.htm).

After August 1, 2003, the list will be updated on a quarterly basis with any additional drug manufacturers who choose to sign a separate SeniorCare rebate agreement.

### **Availability of covered drugs**

When a drug manufacturer's products are not covered for a participant because the manufacturer has not signed a separate SeniorCare rebate agreement, providers who submit claims for a noncovered drug will receive the explanation of benefits (EOB) code "245" with the message, "A separate SeniorCare Drug Rebate Agreement is Not on File. This Drug Code is not a benefit for this Participant."

To aid the participant in maximizing their benefits, providers are encouraged to check the Wisconsin Medicaid or SeniorCare Web sites for other covered manufacturers of the drug. If a covered manufacturer for the drug exists and the participant's pharmacy does not carry the drug, providers may choose to either stock the drug or refer the participant to another pharmacy that does stock the drug. A pharmacy should not tell a participant that a drug is not covered if it is available through another manufacturer.

Pharmacies will be mailed a report of their SeniorCare participants who have recently

received a prescription that will no longer be covered on September 1, 2003. The report will assist pharmacies in finding acceptable, covered substitute drugs for their participants.

### **Availability of noncovered drugs**

A participant in level 2b or 3 may make the decision to purchase a drug, even though the drug is not covered by SeniorCare. Should the participant choose to do this, the pharmacy may bill the participant for the entire cost of that drug.

Providers and participants should understand the following under these circumstances:

- The entire cost of the noncovered drug becomes the participant's responsibility.
- If the participant is in the spenddown or deductible period, any amount paid for noncovered drugs will not be applied to their spenddown or deductible.

### *Prior authorization*

Prior authorization is not an option to obtain coverage for drugs from manufacturers without a separate, signed SeniorCare rebate agreement for participants in levels 2b and 3.

**P**rior authorization is not an option to obtain coverage for drugs from manufacturers without a separate, signed SeniorCare rebate agreement for participants in levels 2b and 3.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Wisconsin Medicaid, BadgerCare, and SeniorCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.

### Participating drug manufacturers

The Manufacturer Table on the following pages lists all drug manufacturers that have signed federal Medicaid rebate agreements. Those manufacturers that have signed a separate SeniorCare rebate agreement with the Department of Health and Family Services as of August 1, 2003, are indicated by a “Y” next to their name in the SeniorCare (SC) column of the table. This list will also be provided on the Wisconsin Medicaid Web site at [www.dhfs.state.wi.us/medicaid/](http://www.dhfs.state.wi.us/medicaid/) in the Data Tables section of the Pharmacy Handbook and on the SeniorCare Web site at [www.dhfs.state.wi.us/seniorcare/index.htm](http://www.dhfs.state.wi.us/seniorcare/index.htm). Additional drug manufacturers that sign a separate SeniorCare rebate agreement after August 1, 2003, will be updated in the Data Tables on a quarterly basis.
