Changes to claims for organ acquisition services

Effective immediately, inpatient hospital providers are required to submit all claims for organ acquisition services with revenue code 0810 instead of Wisconsin Medicaid local procedure codes, regardless of the date of service.

Claims for organ acquisition services

Effective immediately, all claims for organ acquisition services should be submitted to Wisconsin Medicaid with revenue code 0810 instead of Wisconsin Medicaid local procedure codes W9111-W9115. This is a change to what was stated in the August 2003 *Wisconsin Medicaid and BadgerCare Update* (2003-113), titled “Effective dates for claims submission and prior authorization changes as a result of HIPAA for hospital services.”

Reminder — Prior authorization requests for organ acquisition services

For approved and modified prior authorization (PA) requests currently in effect with grant dates before October 1, 2003, Wisconsin Medicaid identified and converted local procedure codes for organ acquisition services to revenue code 0810. Effective immediately, providers must use revenue code 0810 for claims related to PA regardless of the grant date on the PA request.

Information regarding Medicaid HMOs

This *Update* contains Medicaid fee-for-service information and applies to providers of services to recipients who have fee-for-service Medicaid. Since HIPAA impacts all health care payers, it is important to know that HIPAA changes will also have an impact on Medicaid HMOs. For questions related to Medicaid HMOs or managed care HIPAA-related changes, contact the appropriate managed care organization.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.
