Repayment Process Billing Deadline

Due to the implementation problems with Medicare Part D, on January 13, 2006, Wisconsin Medicaid implemented temporary procedures for reimbursing providers for the cost of drugs provided to dual eligibles.

The federal government is reimbursing Wisconsin 100 percent of the drug cost for claims with dates of service (DOS) between January 13, 2006, and March 31, 2006. A deadline has been established by the federal government for Wisconsin to request reimbursement for claims paid by the State with these DOS that should have been paid by Medicare Part D.

Medicaid claims with DOS between January 13, 2006, and March 31, 2006, that require use of the Medicare Part D Attestation form, HCF 1094 (Dated 01/06), must be received by Wisconsin Medicaid no later than June 15, 2006.

Paper drug claims and the Medicare Part D Attestation form may be mailed to the following address:

Wisconsin Medicaid
Pharmacy Special Handling Unit
Ste 20
6406 Bridge Rd
Madison WI 53784-0020

Remember to account for mailing delays to ensure claims are received by Wisconsin Medicaid no later than June 15, 2006.
