New UB-04 (CMS 1450) Claim Instructions for Hospice Services

Wisconsin Medicaid will begin accepting the new UB-04 (CMS 1450) claim form for UB claims received on and after March 1, 2007. Wisconsin Medicaid will continue to accept the UB-92.

Wisconsin Medicaid will begin accepting the new UB-04 (CMS 1450) claim form for UB claims received on and after March 1, 2007.

Wisconsin Medicaid will continue to accept the UB-92; however, the National Uniform Billing Committee will supply only the new UB-04 claim form as of May 23, 2007.

New UB-04 Claim Form Completion Instructions

Providers should use the instructions in Attachment 1 of this *Wisconsin Medicaid and BadgerCare Update* when submitting UB-04 claim forms to Wisconsin Medicaid. Use these claim form completion instructions, not the form locator descriptions on the claim form, to avoid claim denial or inaccurate claim payment. Attachment 2 includes a sample UB-04 claim form.

Providers who are using the UB-92 claim form should continue to use their most recently published UB-92 claim form instructions.

Important Changes with the UB-04

Providers should note the following changes to the claim form completion instructions for the UB-04:

- Signature and date, indicated on the UB-92 in Form Locator 85, is not on the UB-04. Each provider is solely responsible for the truthfulness, accuracy, timeliness and completeness of claims relating to reimbursement for services submitted to Medicaid.
- The sum of all the charges on a claim is now indicated on Detail Line 23 in the field following the word "TOTALS." Providers no longer indicate a claim's total charge with revenue code "0001" in Form Locator 42 and the sum in Form Locator 47.
- For Form Locator 76 on the UB-04, the biller is required to indicate a provider identification qualifier (refer to Attachment 1) before indicating the provider's identification number. The qualifier identifies the type of identification number being indicated (e.g., a Medicaid provider number, a license number).

Information Regarding Medicaid HMOs

This *Update* contains Medicaid fee-for-service policy and applies to providers of services to recipients on fee-for-service Medicaid only. For Medicaid HMO or managed care policy, contact the appropriate managed care organization. Wisconsin Medicaid HMOs are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *Wisconsin Medicaid and BadgerCare Update* is the first source of program policy and billing information for providers.

Although the *Update* refers to Medicaid recipients, all information applies to BadgerCare recipients also.

Wisconsin Medicaid and BadgerCare are administered by the Division of Health Care Financing, Wisconsin Department of Health and Family Services, P.O. Box 309, Madison, WI 53701-0309.

Commercial Health Insurance Billing Information

Commercial health insurance coverage must be billed prior to billing Wisconsin Medicaid, unless the service does not require commercial health insurance billing as determined by Wisconsin Medicaid.

When the recipient has dental (“DEN”), Medicare Cost (“MCC”), Medicare + Choice (“MPC”) insurance only, or has no commercial health insurance, do not indicate an other insurance (OI) explanation code in Form Locator 80.

When the recipient has Wausau Health Protection Plan (“HPP”), BlueCross & BlueShield (“BLU”), Wisconsin Physicians Service (“WPS”), Medicare Supplement (“SUP”), TriCare (“CHA”), vision only (“VIS”), a health maintenance organization (“HMO”), or some other (“OTH”) commercial health insurance, *and* the service requires commercial health insurance billing, then one of the following three other insurance (OI) explanation codes *must* be indicated in Form Locator 80. The description is not required, nor is the policyholder, plan name, group number, etc.

Code	Description
OI-P	PAID in part or in full by commercial health insurance or commercial HMO. In Form Locator 54 of this claim form, indicate the amount paid by commercial health insurance to the provider or to the insured.
OI-D	DENIED by commercial health insurance or commercial HMO following submission of a correct and complete claim, or payment was applied towards the coinsurance and deductible. Do not use this code unless the claim was actually billed to the commercial health insurer.
OI-Y	YES, the recipient has commercial health insurance or commercial HMO coverage, but it was not billed for reasons including, but not limited to the following: <ul style="list-style-type: none">✓ The recipient denied coverage or will not cooperate.✓ The provider knows the service in question is not covered by the carrier.✓ The recipient's commercial health insurance failed to respond to initial and follow-up claims.✓ Benefits are not assignable or cannot get assignment.✓ Benefits are exhausted.

Note: The provider may not use OI-D or OI-Y if the recipient is covered by a commercial HMO and the HMO denied payment because an otherwise covered service was not rendered by a designated provider. Services covered by a commercial HMO are not reimbursable by Wisconsin Medicaid except for the copayment and deductible amounts. Providers who receive a capitation payment from the commercial HMO may not submit claims to Wisconsin Medicaid for services that are included in the capitation payment.

Medicare Information

Use Form Locator 80 for Medicare information. Submit claims to Medicare before billing Wisconsin Medicaid.

Do not indicate a Medicare disclaimer code when one or more of the following statements is true:

- Medicare never covers the procedure in any circumstance.
- Wisconsin Medicaid indicates the recipient does not have any Medicare coverage for the service provided. For example, the service is covered by Medicare Part A, but the recipient does not have Medicare Part A.
- Wisconsin Medicaid indicates the provider is not Medicare certified.

Note: Home health agencies, medical equipment vendors, pharmacies, and physician services providers must be Medicare certified to perform Medicare-covered services for dual eligibles.

- Medicare has allowed the charges. In this case, attach Medicare remittance information, but do not indicate on the claim form the amount Medicare paid.

If none of the above is true, a Medicare disclaimer code is necessary. The following Medicare disclaimer codes may be used when appropriate.

Code	Description
M-5	<p>Provider is not Medicare certified.
