ForwardHealth Announces Changes to Paper and Electronic Claims Submission for Nursing Home Services

This *ForwardHealth Update* announces changes to paper and electronic claim submission for nursing home services, effective October 2008, with the implementation of the ForwardHealth interChange system and the adoption of National Provider Identifiers.

This *Update* includes a sample UB-04 Claim Form and revised completion instructions, and the revised Adjustment/Reconsideration Request, F-13046 (10/08), with completion instructions.

A separate *Update* will give providers a calendar of important dates related to implementation.

Information in this *Update* applies to providers who provide services for BadgerCare Plus and Medicaid members, including Family Care members.

Implementation of ForwardHealth interChange

In October 2008, the Department of Health Services (DHS) will implement ForwardHealth interChange, which replaces Wisconsin's existing Medicaid Management Information System (MMIS).

ForwardHealth interChange will be supported as part of the State's new fiscal agent contract with EDS. With ForwardHealth interChange, providers and trading partners will have more ways to verify member

enrollment and submit electronic claims, adjustments, and prior authorization (PA) requests through the secure ForwardHealth Portal. Refer to the March 2008 *ForwardHealth Update* (2008-24), titled "Introducing ForwardHealth interChange, a New Web-Based Information System for State Health Care Programs," for an overview of the implementation and a more detailed outline of the many business process enhancements and added benefits the new system and fiscal agent contract will provide.

With the implementation of the ForwardHealth interChange system, important changes will be made to paper and electronic claims submission procedures that are detailed in this *Update*. These changes are not policy or coverage related.

Providers may use any of the following methods to submit claims after the October 2008 implementation of ForwardHealth interChange:

- Electronic, using one of the following:
 - ✓ Online claim submission through the ForwardHealth Portal. This is a **new** claim submission option available with the implementation of ForwardHealth interChange.
 - ✓ Health Insurance Portability and Accountability Act of 1996 (HIPAA)-compliant

claim transaction submissions through Electronic Data Interchange.

- ✓ Provider Electronic Solutions (PES) software.
- Paper, using the UB-04 Claim Form.

The PES software will be updated to accommodate changes due to ForwardHealth interChange and National Provider Identifier (NPI) implementation; a revision to the PES Manual will be furnished for PES users.

Claim Changes for Nursing Home Services

With the implementation of the ForwardHealth interChange system, the following changes will result for nursing home services.

Reimbursement

ForwardHealth may reimburse a greater amount than what was billed for nursing home accommodations if the provider billed less than the provider rate.

Medicare Crossover Claims

Nursing home providers may note on their remittance information that their crossover claims will no longer be consolidated into one detail. To adjust a nursing home claim, the provider is required to attach the entire original claim, including all revenue codes and amounts, and the Medicare Remittance Advice (RA) to the Adjustment/Reconsideration Request form, F-13046 (10/08). Refer to the July 2008 *Update* (2008-123), titled “Submitting Paper Attachments with Electronic Claims.”

Value Code and Amount

When billing days under the Value Amounts form locators on the UB-04 form (Form Locators 39-41 a-d), nursing home providers are required to indicate the number of days using “00” to the right of the decimal. Only full days should be entered. Fractions of days are not allowed. For example, to indicate one covered day, providers would enter value code “80” and “1.00” in the

value amounts field; to indicate 12 days, providers would enter “12.00.”

General Changes for Claims Submission

Unless otherwise indicated, the following information applies to both paper and electronic claims submission for providers who provide services for BadgerCare Plus and Medicaid members.

Note: Providers should only use these instructions for claims received following implementation of ForwardHealth interChange. Following these procedures prior to implementation will result in the claim being denied.

Elimination of Prior Authorization Number on Claims

Providers will no longer be required to indicate a PA number on claims. ForwardHealth interChange will match the claim to the appropriate PA request. ForwardHealth’s paper RA and the 835 Health Care Claim Payment/Advice will report to the provider the PA number used to process the claim. If a PA number is indicated on a claim, it will not be used and it will have no effect on processing the claim.

Elimination of M-5 Medicare Disclaimer Code

The ForwardHealth interChange system will be able to determine whether a provider is Medicare certified on the date of service (DOS). Therefore, Medicare disclaimer code “M-5” (Provider is not Medicare certified) has been eliminated. The only allowable Medicare disclaimer codes in the ForwardHealth interChange system will consist of “M-7” (Medicare disallowed or denied payment) and “M-8” (Noncovered Medicare service). Providers should note that if the “M-5” disclaimer code is indicated on the claim, the claim will be denied.

Revision of Good Faith Claims Process

A good faith claim may be submitted when a claim is denied due to a discrepancy between the member's enrollment file and the member's actual enrollment. If a member presents a temporary card or an Express Enrollment (EE) card, BadgerCare Plus encourages providers to check the member's enrollment and, if the enrollment is not on file yet, make a photocopy of the member's temporary card or EE card. If Wisconsin's Enrollment Verification System (EVS) indicates that the member is not enrolled in BadgerCare Plus, providers should check enrollment again in two days or wait one week to submit a claim to BadgerCare Plus. If the EVS indicates that the member still is not enrolled after two days, or if the claim is denied with an enrollment-related Explanation of Benefits code, providers should contact Provider Services at (800) 947-9627 for assistance.

Performing Provider Changing to Rendering Provider

ForwardHealth has adopted the HIPAA term "rendering provider" in place of "performing provider" to align with HIPAA terminology.

Provider Identifiers

The referring provider's NPI is required on claims. The claim will be denied if the referring provider's NPI is not indicated or if the NPI is invalid.

UB-04 Claim Form Changes

Following the implementation of ForwardHealth interChange, providers will be required to use the UB-04 Claim Form with the instructions included in this *Update*. Claims received on the UB-92 Claim Form after implementation will be returned to the provider unprocessed.

Refer to Attachments 1-3 for completion instructions and samples of the UB-04 Claim Form for nursing home services.

Note: Providers should only use these instructions for claims received following ForwardHealth interChange implementation. Following these procedures prior to implementation will result in the claim being denied.

Revenue Codes on UB-04 Claims

Providers are reminded that they are required to indicate a four-digit revenue code on UB-04 claims requiring a revenue code. Claims that have invalid revenue codes will be denied.

Entering Dates on UB-04 Claims

Providers should enter the "from" DOS in Form Locator 45 using the MMDDYY format and enter the "to" DOS in Form Locator 49 using the DD format. Providers should no longer enter dates in Form Locator 43.

Valid Diagnosis Codes Required

Providers are reminded that claims submitted on the UB-04 Claim Form will be monitored for the most specific *International Classification of Diseases, Ninth Revision, - Clinical Modification* diagnosis codes for all diagnoses. The required use of valid diagnosis codes includes the use of the most specific diagnosis codes. Valid, most specific diagnosis codes may have up to five digits. Claims submitted with three- or four-digit codes where four- and five-digit codes are available will be denied.

Detail Quantity

Providers are required to enter a quantity in Form Locator 46. ForwardHealth will not assume a quantity of one if Form Locator 46 is left blank. If the detail quantity is missing in Form Locator 46 on UB-04 claims, the detail will deny.

Adjustment/Reconsideration Request Changes

Providers will be required to use the revised Adjustment/Reconsideration Request, F-13046 (10/08). The Adjustment/Reconsideration Request was revised to be able to be used by all ForwardHealth providers to

request an adjustment of an allowed claim (a paid or partially paid claim). An adjustment or reconsideration request received in any other format will be returned to the provider unprocessed.

Refer to Attachments 4 and 5 for the revised Adjustment/Reconsideration Request Completion Instructions, F-13046A (10/08), and the Adjustment/Reconsideration Request.

Signature and Date for Medicare Crossovers on 1500 Health Insurance Claim Forms

A provider signature and date is now required on all provider-submitted claims, including all Medicare crossover claims submitted by providers on the 1500 Health Insurance Claim Form for professional services and processed after ForwardHealth interChange implementation. The words “signature on file” will no longer be acceptable. Provider-submitted crossover claims without a signature or date will be denied or be subject to recoupment.

Information Regarding Managed Care

This *Update* contains fee-for-service policy and applies to services members receive on a fee-for-service basis. For managed care policy, contact the appropriate managed care organization. HMOs are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *ForwardHealth Update* is the first source of program policy and billing information for providers.

Wisconsin Medicaid, BadgerCare Plus, SeniorCare, and Wisconsin Chronic Disease Program are administered by the Division of Health Care Access and Accountability, Wisconsin Department of Health Services (DHS). Wisconsin Well Woman Program is administered by the Division of Public Health, Wisconsin DHS.

Refer to the Online Handbook in the Provider area of the ForwardHealth Portal at www.forwardhealth.wi.gov/ for more information about verifying enrollment.

Note: Each provider is solely responsible for the truthfulness, accuracy, timeliness, and completeness of claims relating to reimbursement for services submitted to ForwardHealth.

Commercial health insurance coverage must be billed prior to billing ForwardHealth, unless the service does not require commercial health insurance billing as determined by ForwardHealth.

When the member has dental (“DEN”), Medicare Cost (“MCC”), Medicare + Choice (“MPC”) insurance only, or has no commercial health insurance, do not indicate an other insurance (OI) explanation code in Form Locator 80.

When the member has Wausau Health Protection Plan (“HPP”), BlueCross & BlueShield (“BLU”), Wisconsin Physicians Service (“WPS”), Medicare Supplement (“SUP”), TriCare (“CHA”), vision only (“VIS”), a health maintenance organization (“HMO”), or some other (“OTH”) commercial health insurance, *and* the service requires commercial health insurance billing, then one of the following three other insurance (OI) explanation codes *must* be indicated in Form Locator 80. The description is not required, nor is the policyholder, plan name, group number, etc.

Code	Description
OI-P	PAID in part or in full by commercial health insurance or commercial HMO. In Form Locator 54 of this claim form, indicate the amount paid by commercial health insurance to the provider or to the insured.
OI-D	DENIED by commercial health insurance or commercial HMO following submission of a correct and complete claim, or payment was applied towards the coinsurance and deductible. Do not use this code unless the claim was actually billed to the commercial health insurer.
OI-Y	YES, the member has commercial health insurance or commercial HMO coverage, but it was not billed for reasons including, but not limited to the following: <ul style="list-style-type: none"> • The member denied coverage or will not cooperate. • The provider knows the service in question is not covered by the carrier. • The member’s commercial health insurance failed to respond to initial and follow-up claims. • Benefits are not assignable or cannot get assignment. • Benefits are exhausted.

Note: The provider may not use OI-D or OI-Y if the member is covered by a commercial HMO and the HMO denied payment because an otherwise covered service was not rendered by a designated provider. Services covered by a commercial HMO are not reimbursable by ForwardHealth except for the copayment and deductible amounts. Providers who receive a capitation payment from the commercial HMO may not submit claims to ForwardHealth for services that are included in the capitation payment.

Medicare Information

Use Form Locator 80 for Medicare information. Submit claims to Medicare before billing ForwardHealth.

Do not indicate a Medicare disclaimer code when one or more of the following statements is true:

- Medicare never covers the procedure in any circumstance.
- ForwardHealth indicates the member does not have any Medicare coverage for the service provided. For example, the service is covered by Medicare Part A, but the member does not have Medicare Part A.

- ForwardHealth indicates the provider is not Medicare certified.

Note: Home health agencies, medical equipment vendors, pharmacies, and physician services providers must be Medicare certified to perform Medicare-covered services for dual eligibles.

- Medicare has allowed the charges. In this case, attach Medicare remittance information, but do not indicate on the claim form the amount Medicare paid.

If none of the above is true, a Medicare disclaimer code is necessary. The following Medicare disclaimer codes may be used when appropriate.

Code	Description
M-7	<p>Medicare disallowed or denied payment. This code applies when Medicare denies the claim for reasons related to policy (not billing errors), or the member's lifetime benefit, spell of illness, or yearly allotment of available benefits is exhausted. Use M-7 in the following instances.</p> <p><i>For Medicare Part A, use M-7 in the following instances (all three criteria must be met):</i></p> <ul style="list-style-type: none"> • The provider is identified in ForwardHealth files as certified for Medicare Part A. • The member is eligible for Medicare Part A. • The service is covered by Medicare Part A but is denied by Medicare Part A due to frequency limitations, diagnosis restrictions, or the service is not payable due to benefits being exhausted. <p><i>For Medicare Part B, use M-7 in the following instances (all three criteria must be met):</i></p> <ul style="list-style-type: none"> • The provider is identified in ForwardHealth files as certified for Medicare Part B. • The member is eligible for Medicare Part B. • The service is covered by Medicare Part B but is denied by Medicare Part B due to frequency limitations, diagnosis restrictions, or the service is not payable due to benefits being exhausted.
M-8	<p>Noncovered Medicare service. This code may be used when Medicare was not billed because the service is not covered in this circumstance. Use M-8 in the following instances.</p> <p><i>For Medicare Part A, use M-8 in the following instances (all three criteria must be met):</i></p> <ul style="list-style-type: none"> • The provider is identified in ForwardHealth files as certified for Medicare Part A. • The member is eligible for Medicare Part A. • The service is usually covered by Medicare Part A but not in this circumstance (e.g., member's diagnosis). <p><i>For Medicare Part B, use M-8 in the following instances (all three criteria must be met):</i></p> <ul style="list-style-type: none"> • The provider is identified in ForwardHealth files as certified for Medicare Part B. • The member is eligible for Medicare Part B. • The service is usually covered by Medicare Part B but not in this circumstance (e.g., member's diagnosis).

FORWARDHEALTH ADJUSTMENT / RECONSIDERATION REQUEST COMPLETION INSTRUCTIONS

ForwardHealth requires certain information to enable the programs to authorize and pay for medical services provided to eligible members.

ForwardHealth members are required to give providers full, correct, and truthful information for the submission of correct and complete claims for reimbursement. This information should include, but is not limited to, information concerning enrollment status, accurate name, address, and member identification number (HFS 104.02[4], Wis. Admin. Code).

Under s. 49.45(4), Wis. Stats., personally identifiable information about program applicants and members is confidential and is used for purposes directly related to ForwardHealth administration such as determining eligibility of the applicant, processing prior authorization (PA) requests, or processing provider claims for reimbursement. Failure to supply the information requested by the form may result in denial of PA or payment for the service.

The Adjustment/Reconsideration Request, F-13046, is used by ForwardHealth to request an adjustment of an allowed claim (a paid or partially paid claim). Providers may request an adjustment when claim data need to be changed or corrected. After the changes are made to the original claim, the adjusted claim is processed.

Providers cannot adjust a totally denied claim. A claim that was totally denied must be resubmitted after the necessary corrections have been made.

Questions about adjustments and other procedures or policies may be directed to Provider Services at (800) 947-9627.

The Adjustment/Reconsideration Request is reviewed by ForwardHealth based on the information provided. Providers may photocopy the Adjustment/Reconsideration Request for their own use. Providers should be as specific as possible when describing how the original claim is to be changed. Providers may also attach a copy of the corrected claim.

The provider is required to maintain a copy of this form for his or her records.

The provider should mail the Adjustment/Reconsideration Request to the appropriate mailing address:
