

Affected Programs: BadgerCare Plus, Medicaid

To: Audiologists, Hearing Instrument Specialists, Speech and Hearing Clinics, HMOs and Other Managed Care Programs

Changes to Contracted Hearing Aids Effective in July 2008

Effective for hearing aids dispensed on and after July 1, 2008, new contract agreements were signed for volume purchase hearing aids. This *ForwardHealth Update* provides information about changes to hearing aid models and the prices of hearing aid models that are available through the volume purchase contract.

The Division of Health Care Access and Accountability (DHCAA) signed new volume purchase contracts with hearing aid manufacturers effective for hearing aids dispensed on and after July 1, 2008. The volume purchase contracts for hearing aids are part of the volume purchase program for durable medical equipment. Available models and purchase rates have changed under the new volume purchase contract, but policies and procedures for hearing aids have not changed.

Providers are reminded that hearing aids are covered for members enrolled in the BadgerCare Plus Standard Plan and Wisconsin Medicaid. The BadgerCare Plus Benchmark Plan does not cover hearing aids.

Hearing Aid Manufacturers

Providers may purchase hearing aids from the manufacturers who have entered a contract with the DHCAA. Refer to Attachment 1 of this *ForwardHealth Update* for manufacturers who have signed a volume

purchase contract and have at least one model available through this contract.

Hearing Aid Models and Purchase Rates Available

Refer to Attachment 2 for an updated list of procedure codes, procedure code descriptions, manufacturers, hearing aid models, purchase rates, and repair rates covered by the volume purchase contract. New purchase rates were established by the manufacturers for each hearing aid model available through the volume purchase contract in 2008. Effective immediately, providers are required to indicate the contracted purchase rates listed in Attachment 2 on claims and prior authorization (PA) requests. Providers are reminded that PA is required for the purchase of any hearing aid.

Changes to Procedure Codes for Hearing Aids

The following Healthcare Common Procedure Coding System (HCPCS) procedure codes have been added to the volume purchase contract as of July 1, 2008:

- V5050 (Hearing aid, monaural; in the ear).
- V5120 (Binaural, body).
- V5130 (Binaural, in the ear).

The following HCPCS codes are not included under the volume purchase contract as of July 1, 2008:

- V5080 (Glasses; bone conduction).
- V5254 (Hearing aid, digital, monaural, CIC).
- V5255 (Hearing aid, digital, monaural, ITC).
- V5258 (Hearing aid, digital, binaural, CIC).
- V5259 (Hearing aid, digital, binaural, ITC).

The codes included in the volume purchase contract for hearing aids may be subject to change from year to year, depending on the hearing aid models that are available.

Note: Retroactive adjustments have been made to claims submitted for hearing aid procedure codes from July 1, 2008, to the present, when applicable.

Policies and Procedures for Hearing Aids

Contracted Hearing Aids

Other policies and procedures regarding contracted hearing aids have not changed. Providers should refer to the Online Handbook's hearing policies for more information regarding shipping, repairs, warranties, trial periods, replacements, and PA requirements for hearing aids.

Non-Contracted Hearing Aids

Policies and procedures for non-contracted hearing aids are not changing at this time. Providers should refer to hearing policies in the Online Handbook for information about non-contracted hearing aids.

Information Regarding Managed Care

This *Update* contains fee-for-service policy and applies to services members receive on a fee-for-service basis only. For managed care policy, contact the appropriate managed care organization. Managed care organizations are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *ForwardHealth Update* is the first source of program policy and billing information for providers.

Wisconsin Medicaid, BadgerCare Plus, SeniorCare, and Wisconsin Chronic Disease Program are administered by the Division of Health Care Access and Accountability, Wisconsin Department of Health Services (DHS). The Wisconsin Well Woman Program is administered by the Division of Public Health, Wisconsin DHS.

For questions, call Provider Services at (800) 947-9627 or visit our Web site at www.forwardhealth.wi.gov/.

ATTACHMENT 2

Contracted Hearing Aid Models

Modifiers for Contracted Hearing Aid Models

The following modifiers are allowable for contracted hearing aid models.

Modifier	Description
LT	Left side
RR*	Rental
RT	Right side

*The maximum allowable fee for all rentals is \$27.34 per 30-day period. All rented hearing instruments require prior authorization (PA). BadgerCare Plus does not reimburse providers for dispensing fees for rental hearing instruments.

Contracted Hearing Aid Models

BadgerCare Plus will approve only medically necessary hearing aid models available through a volume purchase contract. The following procedure codes are allowable for the corresponding hearing aid models. Many of the manufacturers and models listed in this table are registered or trademarked by the manufacturer. All new hearing aid orders have a two-year manufacturer warranty.

V5030 — Hearing aid, monaural; body worn, air conduction (Applicable modifiers: LT, RR, RT)				
Manufacturer and Style	Model	Purchase Rate	Repair Rate	Repair Warranty
Oticon, Inc.	P11P	\$275.00	\$75.00	6 months
	P11P with cord	\$283.00		
	P11P with single air conduction receiver	\$300.00		
	P11P with Y-cord	\$290.00		
Rexton	Fusion PP+ with straight cord and 1 air conduction receiver	\$168.00	\$80.00	12 months

V5040 — Hearing aid, monaural; body worn, bone conduction (Applicable modifiers: LT, RR, RT)				
Manufacturer and Style	Model	Purchase Rate	Repair Rate	Repair Warranty
Oticon, Inc.	P11P	\$275.00	\$0.00	6 months
	P11P with cord	\$283.00		
	P11P with single air conduction receiver	\$350.00		
	P11P with Y-cord	\$290.00		
Rexton	Fusion PP + straight or Y-cord with 2 air conduction receivers	\$203.00	\$80.00	12 months

V5050 — Hearing aid, monaural; ITE (Applicable modifiers: LT, RR, RT) (For binaural, use V5130 [Applicable modifier: RR])					
Manufacturer and Style	Model	Purchase Rate for Monaural	Purchase Rate for Binaural	Repair Rate Per Unit	Repair Warranty
