

**Update**  
**October 2010**

**No. 2010-89**

**Affected Programs:** BadgerCare Plus, Medicaid

**To:** Audiologists, Hearing Instrument Specialists, Speech and Hearing Clinics, HMOs and Other Managed Care Programs

## **Revised Hearing Aid Contract Models and Pricing Effective in September 2010**

Effective for hearing aids dispensed on and after September 1, 2010, manufacturers made annual revisions to the available volume purchase hearing aids. This *ForwardHealth Update* provides information about the hearing aid model changes and prices for the models that are now available through the volume purchase contract.

The Division of Health Care Access and Accountability (DHCAA) has implemented manufacturer revisions on the volume purchase hearing aid contracts, effective for hearing aids dispensed on and after September 1, 2010. The volume purchase contracts for hearing aids are part of the volume purchase program for durable medical equipment. Some models and purchase rates have changed under the volume purchase contract, but policies and procedures for hearing aids have not changed.

Providers are reminded that hearing aids are covered for members enrolled in Wisconsin Medicaid and the BadgerCare Plus Standard Plan, and for members 17 years of age and younger enrolled in the BadgerCare Plus Benchmark Plan.

### **Hearing Aid Manufacturers**

Providers may only purchase hearing aids from the manufacturers who have entered a contract with the DHCAA. Refer to Attachment 1 of this *ForwardHealth Update* for manufacturers who have signed a volume purchase

contract and have at least one model available through this contract.

### **Hearing Aid Models and Purchase Rates Available**

Refer to Attachment 2 for an updated list of procedure codes, procedure code descriptions, manufacturers, hearing aid models, purchase rates, and repair rates covered by the volume purchase contract. New purchase rates were established by the manufacturers for each hearing aid model available through the volume purchase contract. Effective immediately, providers are required to indicate the contracted purchase rate for the hearing aids listed in Attachment 2, not their usual and customary charge, on claims and prior authorization (PA) requests. Providers are reminded that PA is required for the purchase of any hearing aid.

### **Policies and Procedures for Hearing Aids**

#### ***Contracted Hearing Aids***

Other policies and procedures regarding contracted hearing aids have not changed. Providers should refer to hearing policies in the Online Handbook for more information regarding shipping, repairs, warranties, trial periods, replacements, and PA requirements for hearing aids.

#### ***Noncontracted Hearing Aids***

Policies and procedures for noncontracted hearing aids are not changing at this time. Providers should refer to hearing

policies in the Online Handbook for information about noncontracted hearing aids.

## **Information Regarding Managed Care Organizations**

This *Update* contains fee-for-service policy and applies to services members receive on a fee-for-service basis only. For managed care policy, contact the appropriate managed care organization. Managed care organizations are required to provide at least the same benefits as those provided under fee-for-service arrangements.

The *ForwardHealth Update* is the first source of program policy and billing information for providers.

Wisconsin Medicaid, BadgerCare Plus, SeniorCare, and Wisconsin Chronic Disease Program are administered by the Division of Health Care Access and Accountability, Wisconsin Department of Health Services (DHS). The Wisconsin Well Woman Program is administered by the Division of Public Health, Wisconsin DHS.

## Contracted Hearing Aid Models

The following modifiers are allowable for contracted hearing aid models.

Modifier	Description
LT	Left side
RR*	Rental
RT	Right side

\* The maximum allowable fee for all rentals is \$27.34 per 30-day period. All rented hearing instruments require prior authorization (PA). Wisconsin Medicaid and BadgerCare Plus do not reimburse providers for dispensing fees for rental hearing instruments.

### Contracted Hearing Aid Models

Wisconsin Medicaid and BadgerCare Plus will approve only medically necessary hearing aid models available through a volume purchase contract. The following procedure codes are allowable for the corresponding hearing aid models. Many of the manufacturers and models listed in this table are registered or trademarked by the manufacturer. All new hearing aid orders have a two-year manufacturer warranty.
