Hospital Access Payments Discontinued for Fiscal Year 2017

The Department of Health Services will no longer pay hospital and critical access hospital access payments for inpatient and outpatient hospital claims with a date of receipt after October 20, 2017, and outpatient dates of service (DOS) and inpatient dates of discharge (last DOS) between July 1, 2016, and June 30, 2017. Access payments for inpatient and outpatient hospital claims for DOS on and after July 1, 2017, are not affected by this suspension.

Access payments are only provided until the money budgeted for the fiscal year has been paid out. Once the budgeted amount has been paid out, the payments are discontinued until the next fiscal year.
