Claims Submission

Unlike the ForwardHealth claims submission process for most other vaccines, providers are required to indicate the procedure code of the COVID-19 vaccine administered **as well as** the administration code on claims submitted for the COVID-19 vaccine.

The information provided in this ForwardHealth Update is published in accordance with Social Security Act §§ 1905(a)(13)(A) and (B).

Providers may submit claims for vaccines via the following:

- 1500 Health Insurance Claim Form (02/12)
- 837 Health Care Claim: Professional transaction
- Direct Data Entry on the ForwardHealth Portal
- Provider Electronic Solutions claims submission software

BadgerCare Plus or Wisconsin Medicaid is usually the payer of last resort for any covered services. Providers should bill a member's primary insurance, when applicable, before submitting a claim to ForwardHealth. For more information, refer to the [Payer of Last Resort](#) topic (#253) in the ForwardHealth Online Handbook.

Pharmacy Providers

Pharmacy providers should bill ForwardHealth for the COVID-19 vaccine for BadgerCare Plus and Medicaid members.

Pharmacy providers should refer to [Alert 024](#), titled "ForwardHealth Billing Reminders When Submitting Claims for Vaccinations," for information on how to submit a vaccination claim to ForwardHealth.

Note: For the COVID-19 vaccine, pharmacy providers are required to indicate both the procedure code of the vaccine administered and the administration code on claims for vaccination services.

“ Providers are required to indicate the procedure code of the COVID-19 vaccine administered as well as the administration code on claims submitted for the COVID-19 vaccine.

Medical Providers

Medical providers, such as physicians, clinics, and hospitals, should bill the BadgerCare Plus or SSI HMO for Medicaid members enrolled in an HMO. ForwardHealth should be billed for members who receive Medicaid fee-for-service.

Nursing Home Providers

Nursing homes may bill COVID-19 vaccine administration charges **separately from** the per diem nursing home rate on a professional claim form. Billing is appropriate for vaccines administered to nursing home residents who have Wisconsin Medicaid as their primary insurance when the vaccine is administered by nursing home staff and not part of the federal partnership with pharmacies to administer the COVID-19 vaccine to nursing home residents.

Member Cost Sharing

As a reminder, members should not be charged copays for any COVID-19-related care, including vaccination. Refer to the [Exemptions](#) topic (#231) of the Online Handbook for more information.

The information provided in this ForwardHealth Update is published in accordance with Social Security Act §§ 1905(a)(13)(A) and (B).

Provider Reporting Requirements

Providers are required to follow all state and federal reporting requirements when they administer a COVID-19 vaccine. These requirements include entering information into the Wisconsin Immunization Registry within 24 hours of the vaccine administration.

Providers are also required to provide a completed COVID-19 vaccination record card and an Emergency Use Authorization fact sheet or vaccine information statement to every member who receives a COVID-19 vaccination.

Reimbursement

ForwardHealth will only reimburse for vaccine administration while COVID-19 vaccines are provided by the federal government. ForwardHealth will update its reimbursement policy for the COVID-19 vaccine when it is no longer being provided through the federal government. Any change in coverage or reimbursement will be announced in a ForwardHealth communication.

ForwardHealth reimbursement rates for a COVID-19 vaccine requiring a series of two or more doses will be the following:

- \$16.94 for administration of the initial dose(s)
- \$28.39 for administration of the final dose in the series

ForwardHealth will reimburse \$28.39 for the administration of a single dose COVID-19 vaccine.

Providers are responsible for ensuring that individual members receive all required doses for the COVID-19 vaccine they are initially administered. Different COVID-19 vaccine products are not interchangeable. A vaccine recipient's second dose must be from the same manufacturer as their first dose. Second-dose reminders for vaccine recipients will be critical to ensure compliance with vaccine dosing intervals and achieve optimal vaccine effectiveness. COVID-19 vaccination providers should make every attempt to schedule a patient's second-dose appointment when they receive their first dose.

Information for Managed Care Plans

BadgerCare Plus and Medicaid SSI HMO plans are required to reimburse for the administration of the COVID-19 vaccine, unless a member receives the COVID-19 vaccine from a pharmacy provider. BadgerCare Plus and Medicaid

“Initially, supply of the COVID-19 vaccine will be limited and will be given to groups at high risk for exposure. The vaccination timeline depends on recommendations provided by the Wisconsin State Disaster Medical Advisory Committee and the federal Advisory Committee on Immunization Practices.”
