COVID-19 UNWINDING: NURSE PRACTITIONERS AND PHYSICIAN ASSISTANTS ORDERING HOME HEALTH SERVICES

During the federal COVID-19 public health emergency (PHE), the federal government allowed the Wisconsin Department of Health Services (DHS) to implement temporary changes to some policies to facilitate the protection of member health. ForwardHealth [Alert 015](#), “Nurse Practitioners and Physician Assistants May Temporarily Order Home Health Services,” outlined temporary COVID-19-related policies allowing nurse practitioners and physician assistants to prescribe, refer, or order home health services.

The federal government has announced that the COVID-19 PHE will end on May 11, 2023.

As of May 12, 2023, the following temporary policy will become permanent policy; ForwardHealth will allow nurse practitioners and

Nurse practitioners and physician assistants are required to follow all ForwardHealth policies and requirements for prescribing, referring, or ordering these services and supplies as outlined in the [ForwardHealth Online Handbook](#).

Assisting Members During Unwinding

During routine operations, DHS asks members to provide updated information about themselves once a year and renew their participation in Medicaid if they still qualify. During the COVID-19 PHE, temporary policy was enacted so states would keep people enrolled unless they died, moved out of state, or asked to be removed from their program. The federal Consolidated Appropriations Act, 2023, passed in December 2022, ended that policy.

In April 2023, Wisconsin began a year-long process of updating information from each member and determining if they meet the rules for their current program or if they will need to transition to another kind of coverage. This is called a renewal. Members received a letter in March or April telling them when their renewal is due in the next 14 months. Then, 45 days before their due date, they will get a renewal packet with further instructions.

Note: Members should not renew until they receive their renewal packet. Under federal guidelines, DHS must keep members covered until their next renewal. Renewing early could result in members losing coverage earlier than their assigned renewal date.

Documentation Retention

Providers are reminded that they must follow the documentation retention requirements per Wis. Admin. Code § [DHS 106.02\(9\)](#). Providers are required to produce or submit documentation, or both, to DHS upon request. Per Wis. Stat. § [49.45\(3\)\(f\)](#), providers of services shall maintain records as required by DHS for verification of provider claims for reimbursement. DHS may audit such records to verify the actual provision of services and the appropriateness and accuracy of claims. DHS may deny or recoup payment for services that fail to meet these requirements. Refusal to produce documentation may result in denial of submitted claims, recoupment of paid claims, application of intermediate sanctions, or termination from the Medicaid program.

Information Regarding Managed Care Organizations

This Update applies to home health services that members receive on a fee-for-service basis and through BadgerCare Plus, Medicaid SSI, and other managed care programs. For information about managed care implementation of the updated policy, contact the appropriate managed care organization (MCO). MCOs are required to provide at least the same benefits as those provided under fee-for-service arrangements.
