HOSPICE REIMBURSEMENT RATE CHANGES

Effective for dates of service on and after October 1, 2024, ForwardHealth has updated Wisconsin Medicaid and BadgerCare Plus hospice reimbursement rates. The [Attachment](#) to this ForwardHealth Update lists the new rates.

ForwardHealth will automatically adjust previously paid claims for services provided on and after the effective date.

Note: Nursing home room and board rates are **not** impacted by these hospice reimbursement rate changes.

Reminder About Reimbursement for Routine Care Services

ForwardHealth's reimbursement rate structure for hospice routine care services is based on the number of a member's hospice days. The structure provides a higher rate for a member's first 60 days of hospice care and a lower rate for days 61 and after.

Quality Data Reporting Requirement

Hospice providers are required to report quality data to the federal Centers for Medicare & Medicaid Services (CMS) per sections 3004 and 3132(a) of the [Patient Protection and Affordable Care Act](#). Wisconsin Medicaid and BadgerCare Plus hospice reimbursement rates are based on hourly and per diem rates established by CMS for all covered hospice services. Provider reimbursement amounts are directly affected by their compliance with the quality data reporting requirement.

Documentation Retention

Providers are reminded that they must follow the documentation retention requirements per Wis. Admin. Code § [DHS 106.02\(9\)](#). Providers are required to produce or submit documentation, or both, to the Wisconsin Department of Health Services (DHS) upon request. Per Wis. Stat. § [49.45\(3\)\(f\)](#), providers of services shall maintain records as required by DHS for verification of provider claims for reimbursement. DHS may audit such records to verify the actual provision of services and the appropriateness and accuracy of claims. DHS may deny or recoup payment for services that fail to meet these requirements. Refusal to produce documentation may result in denial of submitted claims, recoupment of paid claims, application of intermediate sanctions, or termination from the Medicaid program.
