
WISCONSIN MEDICAID UPDATE

MAY 22, 1995

UPDATE 95-15

TO:
Family Planning Clinics

Laboratory Services Added

Urine pregnancy tests and immunoassay for chlamydia are covered family planning services. Wisconsin Medicaid covers these lab tests for services provided on and after January 1, 1995.

Laboratory Codes			
Procedure Code	Description	Place of Service	Type of Service
81025	urine pregnancy test	0, 3, A	5
83518	immunoassay for chlamydia	0, 3, A	5
