Clozapine Management Rate Change - Effective
for Dates of Service on and after July 1, 1996

For services provided on and after July 1, 1996, the new rate for clozapine management (procedure code W8901, type of service 1) is \$33.84 per week.

Wisconsin Medicaid is implementing this rate change as a result of 1995 Wisconsin Act 27, the 1995-97 biennial budget.

Claims paid for services provided on and after July 1, 1996, are automatically paid at the new rate.
