County/Tribal Aging Units
County Departments of:
 Community Programs
 Human Services
 Social Services
Nursing Homes

More on Denture Coverage Changes Affecting Medicaid Recipients

Wisconsin Medicaid wants to give you more information about the recent changes in Wisconsin Medicaid denture coverage that affect Medicaid recipients.

For that reason, please review the attached *Update* that we sent to dentists. In the attached Update, we explain what dentists need to do to receive retroactive payment for prosthodontic services provided on and after October 1, 1995.
