SUBJECT: Wisconsin Medicaid Chiropractic Services Handbook

The Division of Health Care Financing (DHCF) is pleased to provide you with a copy of the new Chiropractic Services Handbook. This handbook articulates current Medicaid policies found in the Wisconsin Administrative Code, HFS 101-108, as they apply to chiropractic services.

We would like to thank everyone who spent time reviewing and commenting on this handbook as those suggestions helped shape the final product.

The Chiropractic Services Handbook incorporates current Medicaid chiropractic policy information into a single reference source. The handbook replaces the Chiropractic Services Handbook, dated June 1995, and all chiropractic services Wisconsin Medicaid and BadgerCare Updates.

This handbook does not replace the All-Provider Handbook and all-provider Updates, the Wisconsin Administrative Code, or Wisconsin Statutes. Subsequent changes to chiropractic policies will be published first in Updates and later in the Chiropractic Services Handbook revisions.

Additional Copies of Publications
All Updates and the Chiropractic Services Handbook can be downloaded from the Medicaid Web site at dhfs.wisconsin.gov/medicaid/.

If you have questions about the information in this handbook, please contact Wisconsin Medicaid Provider Services at (800) 947-9627 or (608) 221-9883.

Thank you for providing Medicaid chiropractic services.

Preface

The Wisconsin Medicaid and BadgerCare Chiropractic Services Handbook is issued to chiropractors who are Wisconsin Medicaid certified. It contains information that applies to fee-for-service Medicaid providers. The Medicaid information in the handbook applies to both Medicaid and BadgerCare.

Wisconsin Medicaid and BadgerCare are administered by the Department of Health and Family Services (DHFS). Within the DHFS, the Division of Health Care Financing (DHCF) is directly responsible for managing Wisconsin Medicaid and BadgerCare. As of January 2004, BadgerCare extends Medicaid coverage to uninsured children and parents with incomes at or below 185 percent of the federal poverty level and who meet other program requirements. BadgerCare recipients receive the same health benefits as Wisconsin Medicaid recipients and their health care is administered through the same delivery system.

Medicaid and BadgerCare recipients enrolled in state-contracted HMOs are entitled to at least the same benefits as fee-for-service recipients; however, HMOs may establish their own requirements regarding prior authorization, billing, etc. If you are an HMO network provider, contact your managed care organization regarding its requirements. Information contained in this and other Medicaid publications is used by the DHCF to resolve disputes regarding covered benefits that cannot be handled internally by HMOs under managed care arrangements.

Verifying Eligibility

Wisconsin Medicaid providers should always verify a recipient’s eligibility before providing services, both to determine eligibility for the current date and to discover any limitations to the recipient’s coverage. Wisconsin Medicaid’s Eligibility Verification System (EVS) provides eligibility information that providers can access a number of ways. Refer to the Important Telephone Numbers page at the beginning of this handbook for detailed information on the methods of verifying eligibility.

Handbook Organization

The Chiropractic Services Handbook consists of the following chapters:

- General Information.
- Covered Services.
- Prior Authorization.
- Claims Submission.

In addition to the Chiropractic Services Handbook, each Medicaid-certified provider is issued a copy of the All-Provider Handbook. The All-Provider Handbook includes the following sections:

- Claims Submission.
- Coordination of Benefits.
- Covered and Noncovered Services.
- Prior Authorization.
- Provider Certification.
- Provider Resources.
- Provider Rights and Responsibilities.
- Recipient Rights and Responsibilities.

Legal Framework of Wisconsin Medicaid and BadgerCare

The following laws and regulations provide the legal framework for Wisconsin Medicaid and BadgerCare:

Federal Law and Regulation

- Law: United States Social Security Act; Title XIX (42 US Code ss. 1396 and following) and Title XXI.
- Regulation: Title 42 CFR Parts 430-498 — Public Health.
**Wisconsin Law and Regulation**

- Regulation: Wisconsin Administrative Code, Chapters HFS 101-108.

Handbooks and *Wisconsin Medicaid and BadgerCare Updates* further interpret and implement these laws and regulations.

Handbooks and *Updates*, maximum allowable fee schedules, helpful telephone numbers and addresses, and much more information about Wisconsin Medicaid and BadgerCare are available at the following Web sites:

- [dhfs.wisconsin.gov/medicaid/](http://dhfs.wisconsin.gov/medicaid/)
- [dhfs.wisconsin.gov/badgercare/](http://dhfs.wisconsin.gov/badgercare/)

**Medicaid Fiscal Agent**

The DHFS contracts with a fiscal agent, which is currently EDS.
General Information

The Chiropractic Services Handbook includes information for Wisconsin Medicaid-certified chiropractors about covered services, prior authorization (PA) requirements, and claims submission requirements.

For more information about chiropractic services, including publications that may be downloaded, such as Wisconsin Medicaid and BadgerCare Updates, go to the Medicaid Web site at dhfs.wisconsin.gov/medicaid/.

Provider Information

Scope of Service
The policies in the Chiropractic Services Handbook govern services provided within the scope of the profession’s practice as defined in the Wisconsin Statutes and the Wisconsin Administrative Code.

Eligibility and Certification
Under HFS 105.26, Wis. Admin. Code, chiropractors are required to be licensed by the Wisconsin Chiropractic Examining Board according to s. 446.02, Wis. Stats., for Wisconsin Medicaid certification.

For general information on applying for Wisconsin Medicaid certification, please refer to the Provider Certification section of the All-Provider Handbook. Providers may also download certification packets from the Wisconsin Medicaid Web site at dhfs.wisconsin.gov/medicaid/.

Certification for Laboratory Services
All laboratories testing human specimens to determine health status are covered by the Clinical Laboratory Improvement Amendments (CLIA) of 1988. Lab operations governed by CLIA include the following:

- Patient test management.
- Personnel qualifications.
- Proficiency testing.
- Quality assurance.
- Quality control.
- Records and information systems.
- Tests performed.

All providers performing laboratory tests need a CLIA identification number and a certificate of waiver or certificate of registration from the federal Centers for Medicare and Medicaid Services (CMS). This applies to clinics and individual provider offices that perform lab tests.

Clinics with multiple-location labs are required to have a billing provider number for each lab with a CLIA identification number.

A lab may receive a certificate of waiver if it restricts testing of waived tests as identified by the CMS. A lab that performs more than the waived tests needs a certificate of registration.

Provider Responsibilities
Detailed information about the responsibilities of a Medicaid-certified provider can be found in the Provider Rights and Responsibilities section of the All-Provider Handbook. Refer to that section for information about the following:

- Additional state and federal requirements.
- Fair treatment of the recipient.
- Grounds for provider sanctions.
- Recipient requests for noncovered services.
- Services provided to a recipient during periods of retroactive eligibility.
Recipient Information

Verifying Recipient Eligibility

Wisconsin Medicaid providers should verify recipient eligibility and identify any limitations to the recipient’s coverage before providing services.

Recipients in the following benefit categories have limitations in their Medicaid coverage:

- Family Planning Waiver Program.
- Illegal (undocumented) aliens. (Refer to the Physician Services Handbook for a reproducible copy of the Certification of Emergency for Non-U.S. Citizens form, HCF 1162.)
- Presumptive Eligibility for Pregnant Women Program.
- Qualified Medicare Beneficiary only.
- Qualified Working Disabled Individual.
- SeniorCare.
- Specified Low-Income Medicare Beneficiary only.
- Tuberculosis-related.

Eligibility information for specific recipients is available from Wisconsin Medicaid’s Eligibility Verification System (EVS). The EVS is used by providers to verify recipient eligibility, including whether the recipient is enrolled in a Medicaid HMO, has commercial health insurance coverage, or is in a restricted benefit category. Providers can access Medicaid’s EVS a number of ways, including:

- Automated Voice Response system.
- Magnetic stripe card readers.
- Personal computer software.
- Provider Services.
- Direct Information Access Line with Updates for Providers (Dial-Up).

Refer to the Medicaid Web site at dhfs.wisconsin.gov/medicaid/ for more information about these restricted benefit categories and ways to verify recipient eligibility. For telephone numbers regarding recipient eligibility, refer to the page of Important Telephone Numbers at the beginning of this handbook.

Transportation to Medical Appointments

Medicaid-eligible recipients may use specialized medical vehicle (SMV) transportation to receive chiropractic services. If a recipient has a disability or a condition that contraindicates common carrier transportation, a physician, physician assistant, nurse midwife, or nurse practitioner is required to complete a Certification of Need for Specialized Medical Vehicle Transportation form, HCF 1197, to certify the recipient’s coverage for SMV transportation.

The medical provider gives the completed form to the recipient who then gives the form to the SMV provider.

Specialized Medical Vehicle Trips Exceeding One-Way Upper Mileage Limits

Wisconsin Medicaid requires a prescription for SMV trips that exceed Wisconsin Medicaid’s one-way mileage limits.

This prescription is required in addition to the Certification of Need for Specialized Medical Vehicle Transportation form. The prescription must be renewed upon expiration and must include the following:

- Name of the health care provider or facility and the city in which the provider or facility is located.
- The service being provided.
- The length of time the recipient will need the service (not to exceed 365 days).

A provider, such as a chiropractor, referring an SMV-eligible recipient to a Medicaid-covered health service that is farther than the upper mileage limit is required to write a prescription...
for the recipient to give to the SMV provider. The SMV provider uses the prescription to obtain PA for SMV trips exceeding one-way upper mileage limits.

Wisconsin Medicaid one-way upper mileage limits are:

- 40 miles or more, if the trip originates in one of these urban counties:
  - Brown.
  - Dane.
  - Fond du Lac.
  - Kenosha.
  - La Crosse.
  - Manitowoc.
  - Milwaukee.
  - Outagamie.
  - Racine.
  - Rock.
  - Sheboygan.
  - Winnebago.
- 70 miles or more, if the trip originates in any other Wisconsin county.

Copayment

Copayment Amounts
Copayment amounts are determined per procedure code per date of service (DOS) as follows.

<table>
<thead>
<tr>
<th>Maximum Allowable Fee</th>
<th>Copayment</th>
</tr>
</thead>
<tbody>
<tr>
<td>Up to $10.00</td>
<td>$0.50</td>
</tr>
<tr>
<td>From $10.01 to $25.00</td>
<td>$1.00</td>
</tr>
<tr>
<td>From $25.01 to $50.00</td>
<td>$2.00</td>
</tr>
<tr>
<td>Over $50.00</td>
<td>$3.00</td>
</tr>
</tbody>
</table>

*Copayment amounts are based on the maximum allowable fee for each procedure code.

Maximum allowable fee schedules list the maximum amounts that Wisconsin Medicaid will reimburse providers for each procedure. The maximum allowable fee amount determines the copayment amount providers may request from a recipient. Refer to Appendix 1 of this handbook for current procedure codes and copayment amounts for chiropractic services.

Refer to the Recipient Rights and Responsibilities section of the All-Provider Handbook for more information on copayment requirements.

Copayment Exemptions
Except as noted below, recipients are responsible for paying part of the costs involved in obtaining chiropractic services.

Copayment exemptions include:

- Emergency services.
- Services covered by a Wisconsin Medicaid-contracted managed care program to enrollees of the managed care program, if the managed care program contracts to provide chiropractic services.
- Services provided to nursing home residents.
- Services provided to recipients under 18 years of age.

Wisconsin Medicaid will automatically deduct the appropriate copayment amount from the reimbursed amount for the covered chiropractic service.

All providers who provide a service that requires a recipient copayment are required to make a reasonable attempt to collect that copayment from the recipient.

Wisconsin Medicaid HMO Coverage
Wisconsin Medicaid HMOs are not required to cover medically necessary chiropractic services. If a Medicaid HMO elects not to cover chiropractic services, the services may be covered under Medicaid fee-for-service.
Medicaid HMOs That Do Not Cover Chiropractic Services

If a Medicaid HMO elects not to cover chiropractic services, chiropractic providers treating these HMO enrollees as fee-for-service recipients are required to follow all Medicaid fee-for-service policies, billing procedures, and PA procedures. This includes collecting the appropriate copayment amount when applicable. Providers should bill Wisconsin Medicaid their usual and customary charges.

Medicaid HMOs That Do Cover Chiropractic Services

If a Medicaid HMO covers chiropractic services, the enrollee is required to see an HMO network provider unless the HMO authorizes a non-network provider to provide the service. All non-network chiropractic providers are required to receive PA from the HMO to treat the Medicaid HMO enrollee. If the chiropractic service is covered by the HMO, the recipient is exempt from the copayment requirement.

Checking Eligibility, HMO Enrollment, and HMO Chiropractic Coverage

Providers should always verify the eligibility of any recipient they are serving. The Wisconsin Medicaid EVS will indicate if the recipient is enrolled in an HMO and if the HMO covers chiropractic services. For more information on the EVS, refer to the Provider Resources section of the All-Provider Handbook.

Documentation Requirements

All providers, including chiropractors, are required to prepare and maintain truthful, accurate, complete, legible, and concise documentation and medical and financial records, according to HFS 106.02(9)(a), Wis. Admin. Code. This includes documenting all new spells of illness (SOI) in the recipient’s medical record. HFS 107.15(3)(b), Wis. Admin. Code, defines an SOI as one of the following:

- An acute onset of a new spinal subluxation.
- An acute onset of an aggravation of pre-existing spinal subluxation by injury.
- An acute onset of a change in a pre-existing spinal subluxation based on objective findings.

The initial visit and 20 manipulations per provider per SOI do not require PA. Prior authorization is needed for more than 20 manipulations per SOI. Refer to the Prior Authorization chapter of this handbook for further PA information.

Reviews and Audits

Wisconsin Medicaid periodically reviews provider records and other documentation. This includes the right to inspect, review, audit, and reproduce these records and documentation per HFS 106.02(9)(e)4, Wis. Admin. Code. Providers are required to permit authorized Medicaid staff access to any requested record or document, whether in written, electronic, photographic (e.g., X-ray), micrographic, or any other form.

Medical Documentation Guidelines

To comply with medical documentation requirements outlined in HFS 106.02(9)(a), Wis. Admin. Code, providers are required to include documentation at the time of the initial and subsequent office visits.

Initial Office Visit

Providers are required to include the following information in the documentation regarding the initial office visit at the time of the initial office visit, per HFS 106.02(9), Wis. Admin. Code:

- Date of service.
- Recipient’s full name, date of birth, Medicaid identification number, and current address.
- Examining/treating provider’s name.
- Name and address of the clinic or office where the service is provided.
General Information

• Accurate, complete, and legible description of the chief complaint, such as:
  ✓ History and onset of the trauma or illness.
  ✓ Previous episodes of complaint.
  ✓ Palliative and provocative factors.
  ✓ Quality, radiation, frequency, and severity of pain.
• Clinical findings, such as:
  ✓ Palpation.
  ✓ Provocative orthopedic and neurologic tests.
  ✓ Range of motion.
  ✓ Reflexes.
  ✓ Vital signs.
• Diagnosis or medical/chiropractic impression.
• Plan of care (POC), which must include:
  ✓ Estimated number of manipulations required to treat the subluxation over the anticipated period of time.
  ✓ Home exercises and/or modification of daily activity, if applicable.
  ✓ Short- and long-term goals.
  ✓ Treatment and other therapies, if applicable.
• Studies ordered and report of findings, such as laboratory or X-ray studies. (Refer to the X-Rays section of this chapter.)
• Examining/treating chiropractor’s signature and date signed.

Subsequent Visits

Wisconsin Medicaid requires that providers document all office visits, including those subsequent to the initial visit.

• Examining/Treating provider’s full legal name.
• Name and address of the clinic or office where the service is provided.
• Recipient’s full name and address, if the address has changed.
• Date of service.

• Relevant entries of change(s) compared to the previous DOS, such as:
  ✓ Patient’s chief complaint.
  ✓ Objective findings.
  ✓ Diagnostic impression/assessment.
  ✓ Plan of care, including treatment schedule for the current DOS in relation to the initial DOS (e.g., “2nd treatment of 6 treatments anticipated” or “2 of 6 Tx”).
• Changes to the POC.
• Examining/Treating provider’s signature and date signed.

X-Rays

Providers are required to include the following information in the documentation on all laboratory and X-ray study orders:

• Examining/Treating provider’s full legal name.
• Name and address of the clinic or office where the service is provided.
• Recipient’s full name, date of birth, Medicaid identification number, and current address.
• Date of laboratory or X-ray study.
• Reason for the study.
• Complete report of the findings.
• Provider’s signature and date signed.

Spinal Supports

The spinal support documentation must include the following:

• Reason for prescribing the spinal support.
• Type of support including a description, the manufacturer, and brand name.
• Copy of the instructions given to the recipient.
• Recipient’s dated signature indicating specifically which support was received.
• Follow-up documentation at two to three weeks or the next visit thereafter which includes recipient compliance and evaluation of equipment effectiveness.
**Signature Requirements**

Providers are required to sign and date all clinical entries made to a recipient’s medical record at the time of the visit. This signature and date must accompany the documentation of every visit.

To obtain financial and other documentation requirements, refer to Wisconsin Administrative Code or to the Provider Rights and Responsibilities section of the All-Provider Handbook.
Covered Services

Only Medicaid-certified chiropractors may be reimbursed for providing medically necessary Medicaid-covered chiropractic services to Medicaid recipients. Refer to Appendix 3 of this handbook for a list of Medicaid-allowable diagnosis codes for chiropractic services.

Manual Manipulations of the Spine

Wisconsin Medicaid covers manual manipulations of the spine to treat a spinal subluxation as stated in HFS 107.15(2), Wis. Admin. Code. Wisconsin Medicaid reimburses for manual manipulations of the spine only when the recipient’s diagnosis is subluxation. Wisconsin Medicaid does not cover manipulations for strains and sprains.

The initial visit and 20 manipulations per provider per spell of illness (SOI) do not require prior authorization (PA). Prior authorization is needed for more than 20 manipulations per SOI. Refer to the Prior Authorization chapter of this handbook for further PA information.

Wisconsin Medicaid covers one spinal adjustment per date of service per recipient.

Diagnostic Urinalysis

A diagnostic urinalysis is covered only when performed on the same date as the initial office visit per HFS 107.15(4)(b), Wis. Admin. Code. The urinalysis must be related to the diagnosis of a spinal subluxation or when verifying a symptomatic condition beyond the scope of chiropractic practice.

X-Rays

Wisconsin Medicaid covers an X-ray or set of X-rays to:

- Assist in diagnosing a spinal subluxation.
- Assess the existence of underlying conditions beyond the scope of chiropractic services.

An X-ray(s) is covered only when performed on the same date as an initial office visit, per HFS 107.15(4)(a), Wis. Admin. Code. Sectional views of multiple areas are covered if the diagnosis warrants multiple sectional views.

Providers are required to use the most appropriate Current Procedural Terminology procedure code that describes the X-ray service performed.

Spinal Supports

Wisconsin Medicaid covers spinal supports for a subluxation of the spine. The spinal support must fit the recipient’s body and be of sufficient strength to support the recipient’s spine.

Spinal supports that are covered by Wisconsin Medicaid include, but are not limited to, the following:

- Cervical collars.
- Lumbo-sacral supports.
- Sacral supports.
- Spinal braces.
- Thoracic supports.

Wisconsin Medicaid requires PA for spinal supports in certain instances. Refer to the Prior Authorization chapter of this handbook for more information.
Noncovered Services

Specific to chiropractic services, Wisconsin Medicaid does not cover:

- Any service submitted with a diagnosis code not included in Appendix 3 of this handbook.
- Consultations between providers regarding diagnosis or treatment per HFS 107.15(5), Wis. Admin. Code.

Refer to the Covered and Noncovered Services section of the All-Provider Handbook for a list of general noncovered services.
Prior Authorization

General information about prior authorization (PA) may be found in the All-Provider Handbook, including:

- Appeal procedures.
- Emergency situations. Emergency services are those which are necessary to prevent death or serious impairment of an individual’s health.
- Prior authorization for out-of-state providers.
- Recipient loss of eligibility during treatment.
- Retroactive authorization.
- Supporting materials.

Chiropractic Services Requiring Prior Authorization

Under HFS 107.15(3)(a), Wis. Admin. Code, Wisconsin Medicaid requires PA for:

- Services beyond the initial visit and 20 spinal manipulations per spell of illness. If more than 20 manipulations are necessary, the chiropractor should request PA at least four weeks in advance to ensure uninterrupted service.
- Purchase of spinal supports costing more than $75.00.

Prior authorization does not guarantee reimbursement. Provider eligibility, recipient eligibility, and medical status on the date of service, as well as all other requirements, must be met before the claim may be reimbursed.

Obtaining Prior Authorization

Prior Authorization/Chiropractic Attachment (PA/CA) to request PA. Refer to Appendices 7 through 11 of this handbook for samples of the PA/RF and the PA/CA, as well as the completion and submittal instructions.

Obtaining Copies of Prior Authorization Forms

To obtain copies of the PA/RF and PA/CA, call Provider Services at (800) 947-9627 or (608) 221-9883 or write to:

Wisconsin Medicaid
Form Reorder
6406 Bridge Rd
Madison WI 53784-0003

Please specify the form being requested and the number of forms desired. Reorder forms are included in the mailing of each request for forms.

Refer to Appendix 11 of this handbook for a reproducible copy of the PA/CA.

Providers may also download the PA/CA from the Medicaid Web site at dhfs.wisconsin.gov/medicaid/ in fillable Microsoft® Word and Portable Document Format (PDF) files.

Submitting Prior Authorization Requests

Providers may submit PA requests by fax at (608) 221-8616 or by mailing them to:

Wisconsin Medicaid
Prior Authorization
Ste 88
6406 Bridge Rd
Madison WI 53784-0088

Refer to Appendix 12 of this handbook for more information on submitting PA requests by fax.

Prior Authorization does not guarantee reimbursement. Provider eligibility, recipient eligibility, and medical status on the date of service, as well as all other requirements, must be met before the claim may be reimbursed.
Claims Submission

Coordination of Benefits

Wisconsin Medicaid is the payer of last resort for most Wisconsin Medicaid-covered services. If the recipient is covered under Medicare or commercial health insurance, Wisconsin Medicaid reimburses that portion of the allowable cost remaining after exhausting all other insurance sources.

Refer to the Coordination of Benefits section of the All-Provider Handbook for information on Medicare and commercial insurance claims submission, exceptions, and the Other Coverage Discrepancy Report, HCF 1159.

Medicare/Wisconsin Medicaid Dual Entitlement

Recipients covered under both Medicare and Wisconsin Medicaid are called dual entitlees. Claims for Medicare-covered services provided to dual entitlees must be submitted to Medicare prior to being submitted to Wisconsin Medicaid.

Usually, Medicare-allowed claims (called crossover claims) are automatically forwarded by the Medicare claims processor to Wisconsin Medicaid for processing. Wisconsin Medicaid reimburses the provider for coinsurance and deductible within certain limits described in the Coordination of Benefits section of the All-Provider Handbook. Wisconsin Medicaid reimburses providers for coinsurance and deductible on crossover claims even if the service provided was not a Medicaid-covered service.

If the service provided to a dual entitlee is covered by Medicare, but Medicare denied the claim, a provider should submit a new claim to Wisconsin Medicaid and indicate the appropriate Medicare disclaimer code on the claim. Refer to Appendix 4 of this handbook for a list of Medicare disclaimer codes.

Providers are strongly encouraged to always obtain prior authorization (PA) for dual-entitlee recipients for services requiring PA from Wisconsin Medicaid. This ensures proper processing by Wisconsin Medicaid if Medicare denies coverage.

Claims Submission Deadline

Wisconsin Medicaid must receive all claims for services provided to eligible recipients within 365 days from the date of service. This policy applies to all initial claims submissions, resubmissions, and adjustment requests.

Refer to the Claims Submission section of the All-Provider Handbook for information on exceptions to the claims submission deadline and requirements for submission to Timely Filing Appeals (formerly known as Late Billing Appeals).

Claims Submission Options

Electronic Claims Submission

Wisconsin Medicaid provides Provider Electronic Solutions software for billing electronically. If interested in billing electronically, please call the Division of Health Care Financing Electronic Data Interchange (EDI) Helpdesk at (608) 221-9036, or e-mail wiedi@dhfs.state.wi.us to request the appropriate information.

For EDI information regarding trading partners and data exchange methods (e.g., 835 Health Care Claim Payment/Advice and 837 electronic claims transactions), refer to the Medicaid Web site at dhfs.wisconsin.gov/medicaid/ or call the EDI Helpdesk at (608) 221-9036.

Wisconsin Medicaid processes claims that providers submit electronically. Electronic claims submission may reduce claim errors. All claims that providers submit, whether electronic or paper, are subject to the same Medicaid processing and legal requirements.

**Paper Claims Submission**

Providers submitting paper claims are required to use the CMS 1500 claim form. Wisconsin Medicaid denies claims for services submitted on any other paper claim form than the CMS 1500 claim form. Refer to Appendices 4 through 6 of this handbook for the CMS 1500 completion instructions and sample claim forms.

Wisconsin Medicaid does not provide the CMS 1500 claim form. The form may be obtained from any federal forms supplier.

Submit completed forms to:

Wisconsin Medicaid
Claims and Adjustments
6406 Bridge Rd
Madison WI 53784-0002

**Claim Components**

**Diagnosis Codes**

Refer to Appendix 3 of this handbook for allowable chiropractic diagnosis codes.

**Procedure Codes**

Medicaid-allowed procedure codes and their descriptions are listed in Appendix 1 of this handbook. Claims or adjustments received containing procedure codes other than those listed in Appendix 1 of this handbook or published in subsequent *Updates* are denied.

**Billed Amounts**

Providers are required to bill their usual and customary charge for services provided. The usual and customary charge is the amount charged by the provider for the same service when provided to private-pay patients. Providers may not discriminate against Wisconsin Medicaid recipients by charging a higher fee for the service than is charged to a private-pay patient.

Wisconsin Medicaid automatically deducts applicable copayment amounts from Wisconsin Medicaid payments. Do not reduce the billed amount of a claim by the amount of recipient copayment.

**Claims Submission Specifications**

**New Spell of Illness**

To indicate a new spell of illness (SOI), enter the date of the new SOI and procedure code 99201 on the CMS 1500 claim form or 837P electronic transaction. On the first claim for the new SOI, enter the appropriate charges for procedure code 99201.

For subsequent claims for services related to the new SOI, indicate the date of the SOI and procedure code 99201 on the CMS 1500 or 837P. Do not enter any charges on a claim if reimbursement was received for the office visit.

Providers are required to maintain documentation regarding a recipient’s SOI in the recipient’s medical record. Refer to the General Information chapter of this handbook for documentation that must be included in the recipient’s medical record.
X-Rays

Submit claims using the single, most appropriate procedure code that describes the service. Providers must not submit claims with multiple radiology codes to describe a single service that was provided. Refer to Appendix 1 of this handbook for allowable X-ray procedure codes.

Follow-Up to Claims Submission

Providers are responsible for initiating follow-up procedures on claims submitted to Wisconsin Medicaid. Processed claims appear on the Remittance and Status (R/S) Report and the 835 Health Care Claim Payment/Advice transaction either as paid or denied.

Wisconsin Medicaid takes no further action on a denied claim until the information is corrected and the claim is resubmitted for processing. If a claim was paid incorrectly, the provider is responsible for submitting an Adjustment Reconsideration Request form, HCF 13046, to Wisconsin Medicaid.

Refer to the Claims Submission section of the All-Provider Handbook for information about:

- Adjustments to paid claims.
- Denied claims.
- Duplicate payments.
- Good Faith claims and filing procedures.
- The R/S Report.
- Return of overpayments.

Reimbursement

Maximum Allowable Fees

The maximum allowable fee is the maximum amount that Wisconsin Medicaid will pay a provider for an allowable procedure code. (Wisconsin Medicaid reimburses providers the lesser of the billed amount or the maximum allowable fee for the procedure.) Maximum allowable fees are based on various factors, including a review of usual and customary charges submitted to Wisconsin Medicaid, the Wisconsin State Legislature’s budgetary constraints, and other relevant economic limitations.

Providers are encouraged to obtain a schedule of Wisconsin Medicaid maximum allowable fees for chiropractic services from one of the following sources:

- An electronic version on Wisconsin Medicaid’s Web site at dhfs.wisconsin.gov/medicaid/.
- Purchase a paper copy by writing to:

CMS 1500 Claim Form Completion Instructions

Use the following claim form completion instructions, not the claim form’s printed descriptions, to avoid denial or inaccurate Medicaid claim payment. Complete all required elements as appropriate. Do not include attachments unless instructed to do so.

Wisconsin Medicaid recipients receive a Medicaid identification card upon being determined eligible for Wisconsin Medicaid. Always verify a recipient’s eligibility before providing nonemergency services by using the Eligibility Verification System (EVS) to determine if there are any limitations on covered services and to obtain the correct spelling of the recipient’s name. Refer to the Provider Resources section of the All-Provider Handbook or the Medicaid Web site at dhfs.wisconsin.gov/medicaid/ for more information about the EVS.

Element 1 — Program Block/Claim Sort Indicator
Enter claim sort indicator "P" in the Medicaid check box for the service billed.

Element 1a — Insured’s I.D. Number
Enter the recipient’s 10-digit Medicaid identification number. Do not enter any other numbers or letters. Use the Medicaid identification card or the EVS to obtain the correct identification number.

Element 2 — Patient’s Name
Enter the recipient’s last name, first name, and middle initial. Use the EVS to obtain the correct spelling of the recipient’s name. If the name or spelling of the name on the Medicaid identification card and the EVS do not match, use the spelling from the EVS.

Element 3 — Patient’s Birth Date, Patient’s Sex
Enter the recipient’s birth date in MM/DD/YY format (e.g., February 3, 1955, would be 02/03/55) or in MM/DD/YYYY format (e.g., February 3, 1955, would be 02/03/1955). Specify whether the recipient is male or female by placing an “X” in the appropriate box.

Element 4 — Insured’s Name (not required)

Element 5 — Patient’s Address
Enter the complete address of the recipient’s place of residence, if known.

Element 6 — Patient Relationship to Insured (not required)

Element 7 — Insured’s Address (not required)

Element 8 — Patient Status (not required)

Element 9 — Other Insured’s Name
Commercial health insurance must be billed prior to submitting claims to Wisconsin Medicaid, unless the service does not require commercial insurance billing as determined by Wisconsin Medicaid.
Appendix 4
(Continued)

If the EVS indicates that the recipient has dental (“DEN”) insurance only or has no commercial health insurance, leave Element 9 blank.

If the EVS indicates that the recipient has Wausau Health Protection Plan (“HPP”), BlueCross & BlueShield (“BLU”), Wisconsin Physicians Service (“WPS”), Medicare Supplement (“SUP”), TriCare (“CHA”), Vision only (“VIS”), a health maintenance organization (“HMO”), or some other (“OTH”) commercial health insurance, and the service requires other insurance billing according to the Coordination of Benefits section of the All-Provider Handbook, then one of the following three other insurance (OI) explanation codes must be indicated in the first box of Element 9. The description is not required, nor is the policyholder, plan name, group number, etc. (Elements 9a, 9b, 9c, and 9d are not required.)

<table>

<tr>
<td>OI-P</td>
<td>PAID in part or in full by commercial health insurance or commercial HMO. In Element 29 of this claim form, indicate the amount paid by commercial health insurance to the provider or the insured.</td>
</tr>
<tr>
<td>OI-D</td>
<td>DENIED by commercial health insurance or commercial HMO following submission of a correct and complete claim, or payment was applied towards the coinsurance and deductible. Do not use this code unless the claim was actually billed to the commercial health insurer.</td>
</tr>
</tbody>
</table>
| OI-Y | YES, the recipient has commercial health insurance or commercial HMO coverage, but it was not billed for reasons including, but not limited to:  
✓ The recipient denied coverage or will not cooperate.  
✓ The provider knows the service in question is not covered by the carrier.  
✓ The recipient's commercial health insurance failed to respond to initial and follow-up claims.  
✓ Benefits are not assignable or cannot get assignment.  
✓ Benefits are exhausted. |

Note: The provider may not use OI-D or OI-Y if the recipient is covered by a commercial HMO and the HMO denied payment because an otherwise covered service was not rendered by a designated provider. Services covered by a commercial HMO are not reimbursable by Wisconsin Medicaid except for the copayment and deductible amounts. Providers who receive a capitation payment from the commercial HMO may not bill Wisconsin Medicaid for services that are included in the capitation payment.

Element 10 — Is Patient’s Condition Related to (not required)
Element 11 — Insured’s Policy, Group, or FECA Number

Use the first box of this element for Medicare information. (Elements 11a, 11b, 11c, and 11d are not required.) Submit claims to Medicare before submitting claims to Wisconsin Medicaid.

Element 11 should be left blank when one or more of the following statements is true:
• Medicare never covers the procedure in any circumstance.
• Wisconsin Medicaid indicates the recipient does not have any Medicare coverage, including Medicare Cost (“MCC”) or Medicare + Choice (“MPC”), for the service provided. For example, the service is covered by Medicare Part A, but the recipient does not have Medicare Part A.
• Wisconsin Medicaid indicates that the provider is not Medicare enrolled.
• Medicare has allowed the charges. In this case, attach the Explanation of Medicare Benefits, but do not indicate on the claim form the amount Medicare paid.
Appendix 4

If none of the previous statements are true, a Medicare disclaimer code is necessary. The following Medicare disclaimer codes may be used when appropriate:

<table>

</table>
| M-5  | **Provider is not Medicare certified.** This code may be used when providers are identified in Wisconsin Medicaid files as being Medicare certified, but are billing for dates of service (DOS) before or after their Medicare certification effective dates. Use M-5 in the following instances:  
**For Medicare Part A (all three criteria must be met):**  
✓ The provider is identified in Wisconsin Medicaid files as certified for Medicare Part A, but the provider was not certified for the date the service was provided.  
✓ The recipient is eligible for Medicare Part A.  
✓ The procedure provided is covered by Medicare Part A.  
**For Medicare Part B (all three criteria must be met):**  
✓ The provider is identified in Wisconsin Medicaid files as certified for Medicare Part B, but the provider was not certified for the date the service was provided.  
✓ The recipient is eligible for Medicare Part B.  
✓ The procedure provided is covered by Medicare Part B. |
| M-7  | **Medicare disallowed or denied payment.** This code applies when Medicare denies the claim for reasons related to policy (not billing errors), or the recipient's lifetime benefit, spell of illness, or yearly allotment of available benefits is exhausted. Use M-7 in the following instances:  
**For Medicare Part A (all three criteria must be met):**  
✓ The provider is identified in Wisconsin Medicaid files as certified for Medicare Part A.  
✓ The recipient is eligible for Medicare Part A.  
✓ The service is covered by Medicare Part A but is denied by Medicare Part A due to frequency limitations, diagnosis restrictions, or the service is not payable due to benefits being exhausted.  
**For Medicare Part B (all three criteria must be met):**  
✓ The provider is identified in Wisconsin Medicaid files as certified for Medicare Part B.  
✓ The recipient is eligible for Medicare Part B.  
✓ The service is covered by Medicare Part B but is denied by Medicare Part B due to frequency limitations, diagnosis restrictions, or the service is not payable due to benefits being exhausted. |
| M-8  | **Noncovered Medicare service.** This code may be used when Medicare was not billed because the service is not covered in this circumstance. Use M-8 in the following instances:  
**For Medicare Part A (all three criteria must be met):**  
✓ The provider is identified in Wisconsin Medicaid files as certified for Medicare Part A.  
✓ The recipient is eligible for Medicare Part A.  
✓ The service is usually covered by Medicare Part A but not in this circumstance (e.g., recipient's diagnosis).  
**For Medicare Part B (all three criteria must be met):**  
✓ The provider is identified in Wisconsin Medicaid files as certified for Medicare Part B.  
✓ The recipient is eligible for Medicare Part B.  
✓ The service is usually covered by Medicare Part B but not in this circumstance (e.g., recipient's diagnosis). |

Enter the month, day, and year for each service using the following guidelines:

• When billing for one DOS, enter the date in MM/DD/YY or MM/DD/YYYY format in the “From” field.
• When billing for two, three, or four DOS on the same detail line, enter the first DOS in MM/DD/YY or MM/DD/YYYY format in the “From” field and enter subsequent DOS in the “To” field by listing only the date(s) of the month. For example, for DOS on December 1, 8, 15, and 22, 2003, indicate 12/01/03 or 12/01/2003 in the “From” field and indicate 08/15/22 in the “To” field.

Prior Authorization Request Form (PA/RF) Completion Instructions for Chiropractic Services

Wisconsin Medicaid requires certain information to enable Medicaid to authorize and pay for medical services provided to eligible recipients.

Recipients are required to give providers full, correct, and truthful information for the submission of correct and complete claims for Medicaid reimbursement. This information should include, but is not limited to, information concerning eligibility status, accurate name, address, and Medicaid identification number (HFS 104.02[4], Wis. Admin. Code).

Under s. 49.45(4), Wis. Stats., personally identifiable information about Medicaid applicants and recipients is confidential and is used for purposes directly related to Medicaid administration such as determining eligibility of the applicant or processing provider claims for reimbursement. The Prior Authorization Request Form (PA/RF) is used by Wisconsin Medicaid and is mandatory when requesting PA. Failure to supply the information requested by the form may result in denial of Medicaid payment for the services.

Providers may submit PA requests, along with all applicable service-specific attachments, including the Prior Authorization/Chiropractic Attachment (PA/CA), by fax to Wisconsin Medicaid at (608) 221-8616; or, providers may send the completed form with attachments to:

Prior Authorization Fax Procedures

Providers may fax prior authorization (PA) requests to Wisconsin Medicaid at (608) 221-8616. Prior authorization requests sent to any Wisconsin Medicaid fax number other than (608) 221-8616 may result in processing delays.

When faxing PA requests to Wisconsin Medicaid, providers should be aware of the following:

Include a Fax Transmittal Cover Letter
Include a completed fax transmittal cover letter that includes the following:

- Date of the fax transmission.
- Number of pages including the cover sheet. The Medicaid fax clerk will contact the provider by fax or telephone if all the pages do not transmit. (Refer to the following section for instructions if all the pages do not transmit.)
- Provider contact person and telephone number. The Wisconsin Medicaid fax clerk may contact the provider with any questions about the fax transmission.
- Wisconsin Medicaid provider identification number.
- Fax number to which Wisconsin Medicaid may send its adjudication decision.
- To: “Wisconsin Medicaid Prior Authorization.”
- Wisconsin Medicaid’s fax number ([608] 221-8616). Prior authorization requests sent to any other Wisconsin Medicaid fax number may result in processing delays.
- Wisconsin Medicaid’s telephone numbers. For specific PA questions, providers should call (800) 947-9627 or (608) 221-9883. For faxing questions, providers should call (608) 221-4746, extension 3064*.

Incomplete Fax Transmissions
If all the pages listed on the initial cover sheet do not transmit (i.e., pages have stuck together, the fax machine has jammed, or some other error has stopped the fax transmission) or if the PA request is missing information, providers will receive the following by fax from the Medicaid fax clerk:

- A cover sheet explaining why the PA request is being returned.
- Part or all of the original incomplete fax that Medicaid received.

If a PA request is returned to the provider due to faxing problems, providers should:

- Attach a completed cover sheet with the number of pages of the fax.
- Resend the entire original fax transmission and the additional information requested by the fax clerk to (608) 221-8616.

General Guidelines
When faxing information to Wisconsin Medicaid, providers should not reduce the size of the Prior Authorization Request Form (PA/RF) to fit on the bottom half of the cover page. This makes the PA request difficult to read and leaves no space for consultants to write a response if needed or to sign the request.

If a photocopy of the original PA request and attachments is faxed, the provider should make sure these copies are clear and legible. If the information is not clear, it will be returned to the provider.

If the provider does not indicate his or her fax number, Wisconsin Medicaid will mail the decision back to the provider.

*Extension 3064 is no longer valid. Please use extension 80118, effective immediately.
Wisconsin Medicaid will attempt to fax the PA request to a provider three times. If unsuccessful, the PA request will be mailed to the provider.

If providers are not sure if an entire fax was sent, they should call Medicaid’s fax clerk at (608) 221-4746, extension 3064*, to check the status of the fax.

**Prior Authorization Request Deadlines**

Faxing a PA request eliminates one to three days of mail time. However, the adjudication time of the PA request has *not* changed. All actions regarding PA requests are made within the time frames outlined in the Prior Authorization section of the All-Provider Handbook.

Faxed PA requests must be received by 1:00 p.m., otherwise they will be considered received as of the following business day. Faxed PA requests received on Saturday or Sunday will be processed on the next business day.

**Avoid Duplicating Prior Authorization Requests**

After faxing a PA request, providers should not send the original paperwork, such as the carbon PA/RF, by mail. Mailing the original paperwork after faxing the PA request will create duplicate PA requests in the system and may result in a delay of several days to process the faxed PA request.

Refaxing a PA request before the previous PA request has been returned will create duplicate PA requests and may result in delays.

**Submitting New Prior Authorization Requests**

Providers should not photocopy and reuse the same PA/RF for other requests. When submitting a *new* request for PA, it must be submitted on a new PA/RF so that the request is processed under a new PA number. This requirement applies whether the PA request is submitted by fax or by mail.

**Resubmitting Prior Authorization Requests**

When resubmitting a faxed PA request, providers are required to resubmit the faxed copy of the PA request, including attachments, which includes Wisconsin Medicaid’s 15-digit internal control number located on the top half of the PA/RF. This will allow the provider to obtain the earliest possible grant date for the PA request (apart from backdating for retroactive eligibility). If any attachments or additional information that was requested is received without the rest of the PA request, the information will be returned to the provider.

**For More Information**

Refer to the Prior Authorization section of the All-Provider Handbook for information on responses to PA requests and how to amend them.
