

# Wisconsin Medicaid, BadgerCare Plus Standard, and SeniorCare Preferred Drug List – Quick Reference

**Revised 09/08/2025 Effective 09/01/2025**

**NOTE: Please review temporary table on last page of the PDL Quick Reference indicating products that will become non-covered and removed from the PDL QR effective 10/01/2025 due to manufacturer terminations in the Federal Rebate Program.**

## KEY:

All lowercase letters = generic product

Leading capital letter = brand name product

P = Preferred product

NP = Non-preferred product (requires PA)

DR = Diagnosis Restriction

DAPO = Prior Authorization processed through  
Drug Authorization and Policy Override center

|                                                                                 |                                                                               |                                                             |                                                                                 |                                                                        |                                                                                |                               |
