

The next Wisconsin Medicaid Pharmacy Prior Authorization Advisory Committee Meeting will be held May 11, 2011, at 1 West Wilson Street in room 751. The meeting will begin with registration at 8:00 am.

Classes of drugs for which no changes are being recommended, with the exception of generic drug recommendations, can be found below. Based on that information, you may wish to withdraw your request to provide public testimony. Please send an email to DHSWIPDL@Wisconsin.gov indicating your wish to withdraw.

Clinical information regarding the drug classes will be discussed during public testimony. Even if no testimony is provided in a drug class, the PA Committee may still ask questions of the manufacturers or their representatives in the audience.
